

PAWSOX BOY SCOUT SLEEPOVER
PRESENTED BY KNOX TRAIL COUNCIL
FAQ and ITINERARY

Question: Is it assigned seating or open seating for the game?

Answer: Great question! We have open seating available in the **General Admission** or in the **Bleacher** seats. See the diagram below. What many packs do is coordinate before the game and determine where people will meet, sit, and if anyone is coming late that may need seats held for them. This way, each pack can determine how they want to participate in the event.

Question: I really want to go to the game but we have a big event early the following morning; can we just get tickets for the game?

Answer: Yes! We are offering game only tickets this year. When registering for the tickets, you will see this as an option. Also, remember, everyone needs to be out of the stadium by 830 in the morning, so it's an early day for everyone!

Question: What does the day look like, can my kids really play with baseball players?

Answer: Yes! See the itinerary below, it outlines the schedule for the day. There is a clinic starting at 2pm that allows the kids to PLAY BALL on the field with some of the PawSox before the game!
