

2020 Silver Beaver – Charlie Murphy

The Silver Beaver Award is the council-level distinguished service award of the Boy Scouts of America. The Silver Beaver is an award given to those who implement the Scouting program and perform community service through hard work, self-sacrifice, dedication, and many years of service. It is given to those who do not seek it.

We are extremely proud of our 2020 Silver Beaver Award recipients. They are shining examples of Scouting service in our council!
