Headwaters June 4th Roundtable Follow up

Hello Headwaters

Thank you to the Pack and Troop leaders that joined our Roundtable team on Thursday for a conversation about the recent changes and announcements to Scouting. We appreciate everyone that shared their thoughts, questions, concerns and comments through our anonymous Google Survey (link below). These concerns will be analyzed by our District Leadership and brought to the conversation with the Council Key 3 and other District Key 3s.

The Council is planning to hold two Council-wide Roundtables so that we can collaborate and answer questions as Scouting and the state of Massachusetts start to reopen and update safety measures. They are scheduled for July 15th and August

19th.

At our Roundtable we showed a few items on our screen that everyone asked to have sent to them, so we have attached the documents below:

1 – Troop 14 Bellingham shared a Super Cub Summer Passport – 2012SuperCubSummerPassportEDIT

2 – they also shared a Summertime Passport for Cubs to check off the activities they complete on their own – SummertimePassport2014

3 – Scoutmaster from Troop 22 Whitman has shared their April Virtual Campout agenda – April_Virtual_Campout

Take a look at these resources and make edits for what works best for your Pack, Troop or Crew!

Our message from last night: The only limit to what we can still do as Scouting Units is our own imagination. Let's get creative and find the new way to provide an excellent Scouting program!

National BSA Member Fee Increase

Dear Scouting Family,

Today the National Council of the Boy Scouts of America announced an increase to the annual membership fees. These increases are a result of rising operational costs and COVID-19, which has created a substantial unplanned loss of revenue due to mandated Scout Shop closures and shortened high adventure base seasons.

Locally, our council is also facing financial challenges and we are doing our best to address the impact of three months of office closure, activity cancellations, diminished fundraising campaigns, and the loss of some of our summer camp season. We know, however, that our staff and volunteers will continue to do their best to offer high-quality Scouting experiences during these challenging times.

We understand many of our Scouting families are also dealing with similar financial issues. We do not want finances to be a barrier to participation in Scouting, and will do our best to assist families who need it, to the fullest extent possible.

We are aware some of our members may have heard about these fee changes this weekend via social media. The Mayflower Council did not share this information previously because the National Council requested that all councils wait until June 1st before distributing this news. Some councils, unfortunately, chose to share the information prematurely, which may have spawned some confusion. The Mayflower Council apologizes for any inconvenience this action may have caused.

Please review the infographic below. [Click here](#) to view the frequently asked questions about the fee increase. As more

information is released, we will share the most up to date information here.

Thank you for your continued dedication to our Scouts. As Scouting navigates these turbulent times, we stand together to achieve our shared mission: helping young people in our community learn, grow, and thrive.

If you have specific questions regarding these changes, please contact your district executive or email us.

Yours in Scouting,

Mike Rotar
