Scouts BSA Resident Camp Cancelled

Dear Scouting Family:

It is with great disappointment that the Mayflower Council announces that the Commonwealth of Massachusetts will not allow resident camp programs to be conducted before the summer of 2021. As we stated from the initial decision to move forward, we would only do so if we could conduct a safe program, within the guidelines of national, state, and local authorities. Based on this latest information, we will not be able to provide a resident camp experience to our Scouts this summer.

We appreciate your continued patience and understanding over the past 7 weeks, as we pursued all available options and

program modifications to offer a safe resident camp experience during the COVID-19 pandemic. Our staff was looking forward to greeting you and bringing you another year of fun, but this will have to wait until next year. All along, our first priority has been the health and safety of our Scouts, their parents, our leaders, staff and all their extended families and communities.

While this news is disappointing, we are providing a Scouts BSA virtual camp option offering each Scout the opportunity to choose up to 5 merit badges or programs from 45 different options. Plus, we will ship you a box of everything that you'll need for the week including camp swag, program materials, and more to be ready for the action! Click here for all the information and to sign-up.

We will be issuing full refunds to each troop by the end of the month and there is no need to contact the council service center for the refund of the camp fees paid. We ask for your patience as we work through processing all of the refunds. Check our council COVID-19 website for additional updates.

This decision by the Commonwealth does not affect our ability to operate our Cub Scout Adventure Day Camp at Camp Resolute. We are continuing with our plans to offer that program for our Cub Scouts.

We know you are eager to get back to our camps, which is why we have already begun planning bigger and better resident camp programs for next year.

Take care and be well,
