

# 2021 Virtual Merit Badge University

Due to overwhelming response, VMBU is no longer able to accept registrations. We are exploring ways to offer other virtual merit badge events in the future, be sure to subscribe to [Mayflower Today](#), our [Mayflower Council Facebook page](#) and our [website](#) for details as they become available.

We are excited to announce our 1st ever Virtual Merit Badge University (VMBU).

The Virtual Merit Badge University offers Scouts the opportunity to earn merit badges, both eagle and non-eagle required with the help of our merit badge counselors. The VMBU will run the entire month of March 2021 so there will be a variety of times to choose from.

Registration will open on February 1 at 8:00 AM and close February 19 at 11:55 PM. All sessions will be through Google Classroom and Google Meet and links will be provided in the confirmation email, please keep this for your records.

**VMBU will be by individual vs unit sign up.**

**Individuals are urged to sign up as soon**

**as possible as these classes will fill up fast.**

The cost is \$5.00 per registrant plus \$10.00 per merit badge.

Scouts should review with and receive permission from their Scoutmaster before registering for any merit badge. Scouts are responsible to review the pre-class requirements and come prepared to the first VMBU class.

Virtual Merit Badge Schedule  
Participant Expectations

Now that we have our Virtual Merit Badge University schedule finalized, we are recruiting for Assistant Counselors who will serve as part of the two deep leadership requirements for all virtual classrooms. If you were reluctant to lead a course but would be interested in assisting the lead in a class, please use the link below to view the badges, schedule, and to volunteer to assist. You will be put in contact with lead counselor to plan out how you will work together. If you have any questions, please email: [mbu@mayflowerbsa.org](mailto:mbu@mayflowerbsa.org)

## **Noteworthy Neighbor**

This one comes courtesy of Partners in Patriotism, a nonprofit organization established by the Kraft Group as a community outreach group for the town of Foxborough.

This week's #NoteworthyNeighbor is lifelong resident Joseph

Gonsalves! An Eagle Scout, Joseph built the Storybook Trail behind the Lane Property for his Eagle Project in 2017. The Storybook Trail is a half-mile loop with 25 posts along the way, each featuring a page of a children's book covered in plexiglass, so as people walk the trail, they read the book. Since he built the trail, it has been vandalized on four separate occasions, and Joseph has gone back to repair it each time. "Normally, once you complete an Eagle Project it is done and over with, but I couldn't let that be true with my project," Joseph said. "I saw how much the families in Foxboro enjoyed the trail. I was taught to give back to the community whenever you're able to, no matter how big or how small the act. The community showed me so much support when they heard about the vandalism that I had to fix it for them, and I hope it is here for a long time for families to enjoy."

Joseph, a senior in high school, continues to be involved with Troop 32, Foxborough where he currently serves as Troop Chaplain. Michael Gawronski served as Joseph's Scoutmaster at the time of his Project. Troop 32's current Scoutmaster is Jonathan Trudell.

## **Updated Charter Agreement**

The BSA National Service Center has just released a new Charter Organization Agreement that must be signed by either the Institutional Head and/or Chartered Organization Representative.

We understand that a number of units have already submitted their charters to their unit commissioner or district recharter representative. If a unit has submitted their packet with the old form, your district executive or a member of the

council staff will be reaching out to let you know that the unit must submit the new form. We understand this is an inconvenience, the importance of this updated agreement is critical to Chartered Organizations. The new form includes language directly addressing insurance and indemnification of the Chartered Organization.

We apologize for any inconvenience this may bring, the number one priority is always the safety and protection of our members and partners.

# Transfer & Multiple Now Done On My.Scouting

On the “My Application” tab you can transfer yourself as an adult volunteer or your youth member from unit to unit.

Unit leaders will be able to transfer youth by going to the new “Roster” feature in “Member Manager” and “Organization Manager” and select the youth who need to be transferred, then click the “Transfer” icon.

This will create a transfer application which will be sent to the new unit with the ability to be approved in “Application Manager”.

Transfers will take 48 hours to sync with the new unit.

The “Roster” tool also allows unit leaders to email other leaders in the unit directly from the tool.

Editing youth and adult profiles, and printing rosters and membership cards is also available in the updated tool.

# Training News

December 2020

## Pandemic Update

Our current training offerings continue to be limited as we abide by council limits on group gatherings, council-run activities, and overnight camping. These limits are based on state and local restrictions. They continue to be evaluated as the pandemic situation evolves.

Here are a few key points to know:

1. **We encourage everyone to take as much training as they can get online.** It's available 24/7 at <https://my.scouting.org>.
  - o If you need to renew your **Youth Protection Training (YPT)**, this is the way to do it.
  - o You can complete **Position-Specific Training** (for the "Trained" patch) for almost every Scouting position through BSA online.
2. **We're also running local webinars.** Our volunteer trainers are continuing to run a series of online training sessions on various topics of interest. Please see the calendar at right, and check the weekly Mayflower Council email for additions to the list.
3. **BALOO training continues to be a challenge.** BALOO training (overnight camping skills) is still required if you take Cub Scouts camping. We know of several packs who have been held back by this rule because we haven't been able to run BALOO training since late 2019. We understand and share your frustration. We've looked into various possibilities for waivers and workarounds, but the National office's policies have not changed. Our current plan is to attempt to run BALOO in some form (if it can be allowed) in early spring 2021.
4. **First aid training options may be available soon.** We are evaluating first aid certification options as the American Red Cross (our training partner) continues to update its options for class structure and format. Please stay tuned for more details!

## Renew Youth Protection Training

Time is running out to renew your Youth Protection Training (YPT)! All registered adult leaders must have current YPT status in order to recharter with a pack, troop, or crew for 2021. A large percentage of leaders last took YPT during 2018, which means the 2-year training has expired or is about to expire. The only way to renew this training right now is at <https://my.scouting.org>. You only need to take the "mandatory" version (it says it's a bit more than 1 hour), but you do need to make sure you do all four parts (three modules plus the quiz).

## Upcoming Online Opportunities

\* = pre-registration required    \* = online registration open  
\* = counts toward basic requirements for adults

Dec 13\*\*    Cub Leader Position-Specific (Part 1 of 2)

Dec 19\*\*    Den Chief Training Workshop

## Den Chief Training on December 19

A Den Chief is a Scouts BSA (or Venturing) member who helps lead activities with a Cub Scout den. We call it a "win-win-win-win": the older youth gets a confidence-building leadership experience, the Cub Scouts get a role model who can inspire them to grow in Scouting, the pack gets a valuable helping hand, and the troop gets a recruiter. That's why we encourage every Cub Scout pack to connect with local troops and recruit Den Chiefs!

By popular demand, we'll be running a custom webinar version of **Den Chief Training** on **Saturday morning, December 19, 9:00–11:30 AM**. This training will focus on the roles and responsibilities of a Den Chief, tips and techniques for success, and activity ideas and practice. The BSA already offers online training at [www.scouting.org/training/youth/den-chief-training](https://www.scouting.org/training/youth/den-chief-training), which can be a useful introduction for any Den Chief. Our session will provide the same "basic training" credit, but it also includes the opportunity to interact with other people, ask questions, and discuss practical tips—including ideas for how to be an effective Den Chief during COVID. We wish we could do it in person, but we'll try our best to capture some of the same fun online!

This course is free (no patches, snacks, or materials, so no charge!). Register at [www.mayflowerbsa.org/training](https://www.mayflowerbsa.org/training).

## Cub Leaders: Get Trained With Us!

Calling all Den Leaders, Cubmasters, and Pack Committee Members: if you haven't taken your Position-Specific Training on My.Scouting yet, join us on **December 13 at 7 PM** for the first half in a live webinar. It's the same material, but with the chance to ask questions, share ideas, and get useful tips from fellow leaders. Please encourage your fellow leaders to join us!

**EVERY SCOUT DESERVES TRAINED LEADERS!**

# Scoutbook New Members Added Automatically

If you're a Scout leader you do not need to add new members to Scoutbook manually. All new Scouts, adult leaders and transfers require an application that is sent to the council service center. Once the registration is processed, the systems will sync and Scoutbook will automatically update with your new members (usually within 24 hours.) Adding members manually will create duplicate profiles and can cause issues with advancement and training.

# Charter Renewal Let's Get It Done!

It is that time of the year again, time for charter renewal. The recharter link is open and can be found [here](#). There are a few things to remember to make the recharter process simple:

1. If you have applications to turn in, turn them in before you start the process so we can enter those in. Otherwise you will need to input those in during the process.
2. All registered adults must have an updated background check form on file to remain registered. If you're not sure if you turned one in, you can contact Marcella at

the service center to verify.

3. If you have not received your access code or have misplaced it, contact your district executive or commissioner and we will get it to you. Remember to register as a new user first and set up your password. After that you can use the regular log in.
4. Instructions on online rechartering can be found [here](#).

Good luck and as always, contact your district executive if you have questions.

# BSA Distinguished Conservation Service Award
