

Is It Scouting?

What is an official Scouting activity? An official Scouting activity is consistent with the values, charter and bylaws, rules and regulations, operations manuals, and applicable literature of the Boy Scouts of America.

So, what is the program of the BSA? Collectively, it is all the books, literature, training, materials, policies, and guidelines provided by the BSA. The program is not something you create and call Scouting but something that can be found in the resources provided by the BSA. It develops leadership, character, and physical and mental fitness when executed properly

2020 Scouting For Food Collection Reporting

Did your unit participate in Scouting For Food? We have heard a number of units collecting an amazing amount of food for their community food pantries. Northborough Scouts collected over 10,000 items while Westborough Scouts brought in 6,800 pounds of food. How much did you collect? Please fill out our brief form below with the amount of food collected and don't forget to enter your service hours too.

Food Collection Form

To report service hours to JTE, follow the instructions below. Every person and hour counts. Please be sure to use our link to report food collected directly to the council as we do not have access to that data through JTE, only your hours reported roll up to the council score.

Our new council service center in Milford is in need of both of these. If you are a licensed contractor and interested in beautifying our new home, please contact Rick Riopelle for more information.
