

Changing Functional Roles

My.Scouting

Changing functional roles can only be done by the COR or COR Delegate. The second tab on the Positions Manager page is for adding and maintaining “Functional Roles” like adding a Key 3 delegate or unit Training Chair. The process to assign or edit is a “drag and drop” method by clicking on a person and then dragging them to the position you are adding them to.

Unit Program Planning

To deliver the promise of Scouting, your unit needs a great program. And to deliver a great program, your unit must Be Prepared with a plan. With many units returning to in-person meetings and activities, it is a good time to review upcoming program plans and to plan for the upcoming year.

Your unit’s annual program plan also helps with:

- **Developing the unit budget**
- **Setting goals** for popcorn sales
- **Recruiting youth** – Families like to see what fun activities they can expect
- **Recruiting help** – When you know what events are coming up on your unit calendar, you have more opportunity to ask parents to help out with specific tasks

Full-Face Snorkel Mask Use Prohibited

Full-face snorkel masks are combinations of a built-in snorkel with a mask covering the entire face. Due to several unexplained fatalities involving the use of full-face snorkel masks, their use is prohibited in all BSA aquatic activities. BSA is closely following aquatics industry efforts to further investigate the safety of full-face snorkel masks.

Full-face snorkel masks are prohibited in all BSA aquatic activities; all participants should use traditional snorkel/dive masks and tubes.

Scouting with Special Needs: The ISAP & the IEP

What is the difference between an Individual Scout Advancement Plan (ISAP) and an Individualized Education Program (IEP)? An IEP is a legal document under United States law. It is developed by a team of school personnel familiar with the student, their parent/guardian, and, as applicable, the student themselves. There are legal consequences if any part of the contract is not followed. The ISAP, on the other hand, is not legally binding and should not be viewed as such. An ISAP is developed by the BSA leadership familiar with the Scout, their parent/guardian, and, as applicable, the Scout themselves. An ISAP should be only about four pages in length, and it should address the specific items listed on the ISAP form and in the Guide to Advancement.

Can the Scout's IEP be used to develop an alternative plan needed for the Scout's success? The two documents are not interchangeable. Some of the information and supports contained in the IEP may help to develop the Scout's ISAP. Some of the services provided to the child at school may help the Scout when working on rank requirements. But it is important to include only the relevant portions. Those who work with Scouts with special needs and are familiar with IEPs can help to develop the Scout's ISAP. Please contact your district advancement chair for assistance.

National BSA Member Fee Increase 2021

The national annual membership fee is increasing by \$6, about 50 cents per month effective August 1st, because the costs associated with Scouting, including the cost of liability insurance, continue to increase and the organization is not able to subsidize the increased costs as it had in the past.
