

Update to Webelos Uniform Transition Plan

Last week, we communicated that the Webelos uniform will undergo a rolling change for fourth and fifth grade Webelos (effective for the 2021-2022 Scouting year).

Please note the decision has been made to hold off on this planned change until further notice. Any updates (if any) to uniform requirements will be communicated in future newsletters.

Awards Highlight

The BSA offers numerous awards to recognize the accomplishments of Scouts and Scouters. Some are much better known than others. Some of the lesser known awards include:

Founders Bar: Worn by youth and adults who are founding members of a new unit.

National Den Award: Recognizes Cub Scout dens for having a quality, year-round program.

National Medal for Outdoor Achievement: Earned by members of Scouts BSA, Sea Scouting, and Venturing who excel in high-level outdoor activities. There are six areas of emphasis: camping, aquatics, hiking, riding, adventure, and conservation.

Spirit of the Eagle: An honorary posthumous award to recognize the contributions of a youth Scout who lost his or her life.

Wanted: New Merit Badge Counselors

There was a recent purge of merit badge counselors from Scoutbook because many had not renewed their registration last year. With virtual merit badge events happening in the Mayflower Council, we are looking for volunteers who would be

interested in renewing their counselor registration or becoming a new merit badge counselor. We do have plans to hold more virtual merit badge classes this year and need resources for class leads and assistants.

GETTING STARTED

First step for those who believe they are registered merit badge counselors, log into my.scouting or Scoutbook to confirm you are still registered for the badges you are willing to teach. If you were able to confirm, you do not need to continue with this application.

BECOME A NEW MERIT BADGE COUNSELOR

If you are a first-time counselor, or a former counselor no longer registered as a counselor, visit this site www.mayflowerbsa.org/merit-badge-counselors. You will need an adult application (yes, even if you are registered as a leader with a unit), CORI form, (you do not need a CORI form if you are currently

registered in another Scouting position) and complete the online Merit Badge Counselor Information Form to apply for the badges you wish to teach. It will ask you for your qualifications for the badges and those are reviewed by the advancement committee for approval.

ADDING BADGES TO YOUR APPROVED LIST

If you confirmed that you are registered as a counselor but want to add more badges to your approved list, you can do so by completing the online Merit Badge Counselor Information Form.

If you no longer wish to be a merit badge counselor, you can use the online form and request to be removed.

WHILE YOU ARE WAITING FOR APPROVAL

We utilize Google Classroom for virtual merit badge sessions. We will set up the mayflowerbsa.org emails and classrooms as well as provide an orientation on the tools. If you don't have experience using

Google Classroom, we do recommend that you create your own account and practice using it to add students, assignments, document uploads, etc. Then you will be ready when we launch the next event.

Be sure to subscribe to Mayflower Today, our Mayflower Council Facebook page and visit our website for details as they become available.

Headwaters Volunteer Award Recipients 2019-2020

Headwaters District has some INCREDIBLE volunteers!

We recognize these volunteers at our Annual District Dinner. Our district leadership relies on the generosity of our unit leaders, parents, and friends to nominate the great volunteers we have each year for these awards. To help remind everyone of who has received these awards in the past few years, this post includes our complete list of District Award recipients.

Life-to-Eagle Seminar Presentation

This year, 2021, the council advancement committee has committed to offering five Life-to-Eagle seminars.

These seminars are for educating our prospective Eagle Scouts to learn what needs to happen to advance to Eagle Scout. These seminars can also be incredibly helpful for

Scoutmasters, Eagle coaches, advancement chairs, and committee chairs; and all districts are welcome to attend any of the presentations, the necessary information is the same for all districts, and we will touch on any small differences.

For those who attend, the slide show is available below for you to review at any time.

Spring Training Priorities

Our current training offerings continue to be limited as we abide by restrictions on group gatherings, council-run activities, and overnight camping. The state's recent relaxing of restrictions gives us more options, but we still need to proceed wisely and safely to protect our volunteers. We appreciate everyone's understanding!

Here's where we're focusing planning efforts this spring:

1. BALOO. BALOO training is still required if you take Cub Scouts camping. We know several packs who've been stuck because of this BSA rule. That's why the first overnight training we run will be BALOO. **Please save the date—May 1-2!** We don't know yet if we'll be able to run a full in-person BALOO with modifications (smaller groups, less shared equipment, changes to cooking, etc.) or if it'll be a hybrid approach. But we commit to running a course that covers all the BALOO requirements on that weekend. Registration opens soon!

2. Wilderness First Aid. Philmont recently announced that at least one adult leader on every trek this summer must have current WFA certification. So we're working to make sure there's a way to take WFA this spring. We've found a newly available BSA-approved course that combines online learning with a modified hands-on skill session. **March/April/May dates to be announced.** Spots will be limited, so we'll give preference to people who need it for treks this summer.

3. CPR. CPR is a pre-requisite for WFA. We know there's also a lot of demand for recertification. We've been developing a plan to run CPR training with partial online learning and physically distanced manikin practice. **March/April/May dates to be announced.**

Upcoming Training

* = pre-registration required * = online registration open
* = counts toward basic  requirements for adults

Mar 30	Scoutbook Software Basics and Q+A
May 1-2*	BALOO (camping skills for Cub leaders)
TBA*	CPR
TBA*	Wilderness First Aid
Sept 25-26*	Leave No Trace Trainer
TBA*	Wood Badge (fall 2021 options)

In the Meantime...

- We encourage everyone to take as much training as they can get online. It's available 24/7 at <https://my.scouting.org>.
- If you're looking for official position-specific training, almost all of it can be done online. We hope to be able to offer in-person versions when it's safer to do so—hopefully by the fall!
- If you're looking for IOLS training (outdoor skills for Scouts BSA leaders) or Leave No Trace trainer training, we're aiming to run these overnight courses in the fall.
- Keep an eye on the weekly council newsletter for announcements about additional online sessions.
