Outstanding Eagle Scout Award

The National Eagle Scout Association (NESA) Outstanding Eagle Scout Award (NOESA) was established during the BSA's 100th Anniversary in 2010 with the first recipient to receive the award a year later. The award was created to recognize notable Eagle Scouts who had either performed distinguished service at the local, state, or regional level or who were known nationally, but had not yet met the 25-year tenure as an Eagle for the Distinguished Eagle Scout Award. Often, worthy candidates for the NOESA have inspired others through their actions and have devoted a lifetime to their profession, avocation, community, and beliefs, at great sacrifice to themselves and their families.

The NOESA has gained prominent standing among Scouting recognitions. Previous recipients include famous authors, explorers, television personalities, military flag officers, scientists, government officials, and prominent businessmen.

The selection of recipients is made by the local council NESA committee (which may utilize a NESA awards sub-committee), Scout executive, and council president. Each recipient's actions and accomplishments should elevate the stature of Eagle Scouts in the public eye. Therefore, not all nominations are acted upon, and a substantial percentage of nominations are declined.

Nomination forms should be emailed to: nesa@mayflowerbsa.org or mail to:

Mayflower Council, BSA, 83 Cedar Street, Milford, MA 01757

Nominations are due annually by December

Service Project Of The Year

The National Eagle Scout Association established the Glenn A. and Melinda W. Adams national Eagle Scout service project of the year award (ESSPY) to recognize valuable service of an exceptional nature by an Eagle Scout candidate to a religious institution, a school, community or other entity through completion of an Eagle Scout project.

Examples of projects that have been selected for the ESSPY include projects that have benefited underprivileged children, recognized veterans, been international in nature, and have required significant time and resources.

The selection of recipients begins at the local level and is conducted through the council NESA committee (which may utilize a NESA awards sub-committee). The council NESA committee selects a recipient for their respective council from the list of submitted nominations and then forwards a worthy candidate to the National Eagle Scout Association for regional consideration.

Mayflower Council NESA committee will present a $250.00 scholarship. The winner will then be placed in the regional level.

Please submit the form below to NESA@Mayflowerbsa.org for consideration.

Regional ESSPY recipients are selected by each council’s regional NESA scholarship committee. Regional recipients will

receive $500, to be available for their future educational purposes or to attend a national or international Scouting event or facility. (Local council will also receive a $500 award.)

The recipient of the national award is then selected among regional recipients by a special selection committee of the National Eagle Scout Association. National recipients will receive $2,500, to be available for their future educational purposes or to attend a national or international Scouting event or facility. (Local council will also receive a $2,500 award.)

All nominations are due annually by January 31.
