

BSA System Maintenance Updates February 6

In efforts to provide a more stable and secure MyBSA environment, the BSA will be migrating an internal database server to new hardware. During the maintenance window of **Saturday, February 6, 9AM EST to 2PM EST**, MyBSA and applications accessed via MyBSA will be unavailable.

The following services will have disruptions during this maintenance window: Web applications hosted at the National Office, MyBSA, MyTools (Legacy), Internet Rechartering, Internet Advancement and applications that are accessed via MyBSA.
