What Your Donation Supports

The Boy Scouts of America is one of the nation’s largest and most prominent values-based youth development organizations, and provides a program for young people that builds character, trains them in the responsibilities of participating citizenship, and develops personal fitness. As a nonprofit organization, the Boy Scouts of America relies on the generosity of charitable donations to support its ongoing operations and future capital expenses at the local and national level. Each gift, regardless of size, provides invaluable funding for BSA programs that benefit our Scouts in Mayflower Council.

Your generously donated funds finance the operation of the Mayflower Council Service Centers in Marlborough and Canton, Camp Resolute, Camp Squanto, and Camp Nobscot. In addition, funding provides general liability insurance, ability to maintain membership records, support youth activities sponsored by the council, offsets volunteer training costs, and supports professional and administrative salaries and benefits.

Investment In Character Campaign

Investment in Character is the annual giving campaign of the
Mayflower Council. Funds from this campaign are used to fund the council’s ongoing operations, making this fundraising effort of vital importance to the delivery of quality programs, facilities, and unit service.

There are three components to the Investment in Character campaign: Family, Community and Leadership.

- **The Family Campaign** focuses on support from leaders and individual families whose sons and/or daughters are active participants in their Pack, Troop, Crew, or Ship throughout the Council. This grassroots campaign is the largest in the council and contributes the most to our ability to provide services on a daily basis.

- **The Leadership Campaign** focuses on support from the Mayflower Council Executive Board and our Council members at large. This campaign is our second largest in Mayflower Council. Donors consist of sitting board members, past council presidents, and individuals who have an affinity for Scouting and its mission.

- **The Community Campaign** focuses on local businesses or community organizations who wish to support Scouting in their individual communities.

Those who generously donate to our Investment in Character campaign with a gift of $311.65 (cost of delivering the Scouting program to 1 youth for an entire year) will receive a special edition “2020 Investment in Character” Council Shoulder Patch. In addition to one of these Council Shoulder Patches, donors who make a gift of $1,000.00 or more will also receive a Mayflower Council money clip or change purse.

Help keep Scouting strong by Investing In Character. Thank you for your generous support.

Endowment Gifts

Endowments gifts are invested in the Council’s permanent endowment trust fund. The fund is managed by an outside investment firm that is overseen by the Council’s Endowment Committee. Annual financial withdrawals from the Endowment Fund are based on five percent of a five year rolling average that enables the Council to continually grow the Endowment without touching the principle. Each year, a portion of these funds are placed in the Council’s operating budget with the remainder earmarked towards capital improvements at our camping facilities.

Those who contribute $1,000 or more in cash or securities to the Council’s permanent endowment fund are eligible to receive the James E. West Fellowship. This award, named for Scouting’s first Chief Scout Executive, is often used as a way of recognizing an Eagle Scout or a volunteer Scouter in your unit or district. An organization or individual may also contribute in their own name demonstrating their support of and commitment to Scouting’s ideals.

Each James E. West Fellow receives a personalized Certificate suitable for framing, a Lapel Pin, and the James E. West Fellow Square Knot for his/her Scout Uniform.

The Second Century Society

The Second Century Society, SCS, is the Boy Scouts of America’s national social organization of individuals, families, foundations, and corporations stewarded by key volunteers and implemented by the Boy Scouts of America National Foundation. Established in 2011, SCS, replaces the 1910 Society and Founders Circle as the way to recognize Scouting’s major donors at both the local and national levels. Qualifying gifts to be recognized as a Second Century Society member have a broader definition than Scouting’s major gift recognition in the past. These gifts include an outright gift of $25,000 or more payable over five years, or a deferred gift of $100,000 or more to a local council, the Boy Scouts of
America Foundation, high-adventure base or any Scouting entity for operating, capital, or endowment.

Any donor who is recognized as a Second Century Society member is awarded a certificate and can wear the lapel pin indicating their level of support, with unique insignia for donations for the following donation values: $25,000 – $99,999, $100,000 – $499,000, $500,000 – $1,000,000 and $1,000,000+. Donors are also recognized with collectable recognitions items commensurate with the amount of their gift.
