Community Good Scout Awards

The Good Scout Award is bestowed upon individuals who have demonstrated integrity and genuine concern for others in both their professional and personal lives. The recipients need not have been Scouts but must carry the “Spirit of Scouting” into their adult lives. They are people who have been unselfish in their service to others on an individual and community basis. They seek no return for their service, other than the satisfaction of aiding their fellow citizens, their community, and their nation. Good Scouts are people who truly capture the respect and imagination of our youth.

Distinguished Citizens Award

The Distinguished Citizen Award recognizes noteworthy and extraordinary leadership of citizens in the Greater MetroWest and South Shore areas of Massachusetts. Honoring distinguished

citizenship delivers a message to our youth that character counts. The lives of distinguished citizens put into place guideposts that serve to inspire our youth to lead, to accept responsibility, and to care about principles and causes beyond self-interest.

The Distinguished Citizen Award is presented to individual community leaders who provide outstanding civic service to the adult and or youth in the community.

Those who receive the award are not necessarily Scout volunteers, but rather individuals who personify what the Boy Scouts of America stand for – good citizenship, outstanding moral fiber with a dedication to others, and for living their lives by the Scout Oath and Law.
