# Headwaters                      June                      4th

## Roundtable Follow up

Hello Headwaters

Thank you to the Pack and Troop leaders that joined our Roundtable team on Thursday for a conversation about the recent changes and announcements to Scouting. We appreciate everyone that shared their thoughts, questions, concerns and comments through our anonymous Google Survey (link below). These concerns will be analyzed by our District Leadership and brought to the conversation with the Council Key 3 and other District Key 3s.

The Council is planning to hold two Council-wide Roundtables so that we can collaborate and answer questions as Scouting and the state of Massachusetts start to reopen and update safety measures. They are scheduled for July 15th and August 19th.

At our Roundtable we showed a few items on our screen that everyone asked to have sent to them, so we have attached the documents below:

1 – Troop 14 Bellingham shared a Super Cub Summer Passport – 2012SuperCubSummerPassportEDIT

2 – they also shared a Summertime Passport for Cubs to check off the activities they complete on their own – SummertimePassport2014

3 – Scoutmaster from Troop 22 Whitman has shared their April Virtual Campout agenda – April\_Virtual\_Campout

Take a look at these resources and make edits for what works best for your Pack, Troop or Crew!

Our message from last night: The only limit to what we can still do as Scouting Units is our own imagination. Let's get creative and find the new way to provide an excellent Scouting program!

## **National BSA Member Fee Increase**

Dear Scouting Family,

Today the National Council of the Boy Scouts of America announced an increase to the annual membership fees. These increases are a result of rising operational costs and COVID-19, which has created a substantial unplanned loss of revenue due to mandated Scout Shop closures and shortened high adventure base seasons.

Locally, our council is also facing financial challenges and we are doing our best to address the impact of three months of office closure, activity cancellations, diminished fundraising campaigns, and the loss of some of our summer camp season. We

know, however, that our staff and volunteers will continue to do their best to offer high-quality Scouting experiences during these challenging times.

We understand many of our Scouting families are also dealing with similar financial issues. We do not want finances to be a barrier to participation in Scouting, and will do our best to assist families who need it, to the fullest extent possible.

We are aware some of our members may have heard about these fee changes this weekend via social media. The Mayflower Council did not share this information previously because the National Council requested that all councils wait until June 1st before distributing this news. Some councils, unfortunately, chose to share the information prematurely, which may have spawned some confusion. The Mayflower Council apologizes for any inconvenience this action may have caused.

Please review the infographic below. [Click here](#) to view the frequently asked questions about the fee increase. As more information is released, we will share the most up to date information here.

Thank you for your continued dedication to our Scouts. As Scouting navigates these turbulent times, we stand together to achieve our shared mission: helping young people in our community learn, grow, and thrive.

If you have specific questions regarding these changes, please contact your district executive or email us.

Yours in Scouting,

Mike Rotar  
Council President

Josh Paulin  
Council Commissioner

## Stay Safe Special Shoulder Patch

Join us in supporting our frontline workers! We have designed a special limited edition Mayflower Council shoulder patch. Only 250 have been ordered and we will not be reordering. We will be donating 50% of the raised proceeds to support our local hero's fighting the coronavirus. Each patch is only \$20.00.

*Pre-orders are being taken – order yours today before they are gone!*

We have chosen to support Boston HealthCare for the Homeless (BHCHP) COVID program. We chose them because the homeless community was and is being hit hard by COVID. 1 in 3 homeless in Boston have had the virus. The population has unique and hard to manage needs. BHCHP has long performed outstanding service to this population with limited resources and under very difficult circumstances. They set up and ran COVID

housing for homeless individuals with COVID, and managed all the health care issues outside the hospital, taking critical pressure off the hospital as we surged. They staffed Boston Hope at the convention center. They set up and ran 2 health tents in the city for homeless with COVID, and they handle(d) the health care needs across the cities shelters.

# Metacomet Stay-at-Home Cub Scout Activity Ideas

## *Online/Virtual Meetings*

- One Den was setting up a service called Jitsi to host virtual Den Meetings
- Virtual Rank Advancement Ceremony – – Many packs Blue and Gold dinners were cancelled. Cubmaster could host Webinar and recognize the Cub Scouts that earned ranks etc. Thought was that recognizing sooner rather than later would be more significant to the Scout.
- MidAmerica Council conducts virtual “den” meetings that are open to everyone. These meetings are based on completing a Cub Scout Adventure and earning a coveted belt loop. Meetings are open to all and are based on Cub Scout Year. For example, Monday is Tigers, Tuesday Wolves, Wednesday Bears, Thursday Webelos. Meetings require pre-registration but are free to join. The schedule is updated frequently  
<https://mac-bsa.org/scoutingathome/scouting-at-home-cub-scouts/>

***Virtual Tours & Fun “Trips”*** For Example many organizations are

hosting live or recorded activities. Den leaders could pick one, encourage Scouts to complete it with their family and have a web meeting to discuss what they saw learned. Other organizations have live Webcams allowing Scouts to see what's happening without leaving home. Organizations offering programs like this include:

- Mount Washington Observatory  
<https://mountwashington.org/classroom>
- Mass Audubon  
<https://www.massaudubon.org/get-outdoors/explore-nature-at-home>
- Boston Symphony Orchestra  
<https://www.bso.org/brands/bso/at-home/bso-homeschool.asp>
- Museum of Science <https://www.mos.org/MOSatHome>
- Smithsonian National Air and Space Museum (They have programs at all their Museums)  
<https://airandspace.si.edu/event-series/stem-30>
- Roger Williams Park Zoo <http://www.rwpzoo.org>
- New England Aquarium  
<https://www.neaq.org/visit/at-home-events-and-activities/>

***Several Organizations have created lists of activities and resources***

The New England Patriots have a collection of online resources they have assembled. Everything from a coloring contest, a reading contest to STEM material from other organizations  
<https://www.patriots.com/community/rbtl>

Good Housekeeping has posted an article listing 30 virtual tours  
<https://www.goodhousekeeping.com/life/travel/a31784720/best-virtual-tours/>

NASA International Space Station Views of Earth

<http://www.ustream.tv/channel/iss-hdev-payload>

The MidAmerica Council has posted several other ideas & resources on their Scouting at home site.  
<https://mac-bsa.org/scoutingathome/>

### ***Other Virtual Ideas and Activities***

- Career Day – Parents would discuss their career either via recorded video or live webinar.
- Virtual Project or Collection Fair – – Have Scouts share their collections or something they have been working on. Gives Scouts ability to present something important to them to their friends. This adds enough structure and variety to a webinar to keep Scouts engaged
- Virtual camping trip where each scout camped in their backyard and they met online around a virtual camp fire and did scout songs and skits (done by the scout or scouts if more than one in the family, or the scouts family).
- Team scavenger hunt using “Goose Chase” application.  
<https://www.goosechase.com>
- Purchase or collect components of and deliver “Genius Kits” to have a project. Dens can do together via video conference. The kit would include needed components for a specific activity.  
<http://usscouts.org/bbugle/bb0502/bbpackden.html>,  
Several ideas for Genius Kits on Pinterest  
<https://www.pinterest.com/pin/565694403164034257/>
- Rocket Day – – Purchase or have families rocket kits. Scouts to assemble rocket at home Launch Day, ask Scouts to arrive as Dens at staggered arrival times to keep group size down. Ask parents to pre-pack Rocket parachutes & have prepacked engines that can simply be inserted into rocket. Set up so each Scout can launch 3-4 times and be on their way before next Den comes.
- Plan outdoor hikes on local conservation property.
- Down-town scavenger hunt. Post clues in local business

store windows. Scouts and their families would search for clues and take pictures in front of the business. Businesses would benefit from increased traffic; unit would get to post pack logo in store window over a weekend.

- Bike Safety / Bike Rodeo – Set up outdoor bike course in School or Church parking lot. Ask local Police to come and speak about how to bike safely. Try to get a local bike shop to teach basic maintenance to the Scouts.

### ***Do at Home Activities***

- Focus earning Religious Emblem
- Work on Cyberchip
- Make Cards for Doctors and Nurses at Local Hospitals
- Make Cards for residents at Long Term Care Facilities
