Are You Trained for Your Position?

Trained leaders are eligible to wear the "Trained" patch on their uniform sleeve... but more important than the patch itself is what it symbolizes. It means you've invested time to learn how to deliver a successful Scouting program to the youth you serve!

More than half of our registered leaders are not trained for their positions. Are you trained?

To check your own status, visit <https://my.scouting.org>, go to "My Training" > "Requirements," and see if it shows you as trained. (Note that some people's records may be unavailable until new charters are loaded in the system.)

Want to learn more about what's required? Check out our Quick Guides at www.mayflowerbsa.org/training.

Unit leaders: If others in your pack, troop, or crew aren't trained, they're missing out on tools and resources that could help them run a stronger program *and make their jobs easier!* Please help us make 2020 the year when we give every Scout the trained leaders they deserve!

Training at MBU in March

Merit Badge University (MBU) depends on adult volunteers, but for those who aren't already committed to an MBU role, it's also a great time for adult leaders to take training of their own! ***This is especially good timing for new leaders crossing over into Scouts BSA—and for parents considering getting more involved in the troop.*** Here's what we're offering:

- Day 1 (March 7): Scoutmaster/ASM PST; CPR/AED
- Day 2 (March 21): Troop Committee PST; First Aid

Registration will open soon at www.mayflowerbsa.org.

Don't Miss Wilderness First Aid

Are you leading a high adventure trip this summer? If so, you'll need an adult on that trek (or two, if it's Philmont) with a current Wilderness First Aid (WFA) certification. We offer Red Cross certification, valid for two years, at a discounted rate. Our volunteer trainers have set up four opportunities for you to take or renew this training:

January 18–19	April 18–19
March 14–15	May 2–3

We give plenty of notice because spots are limited. Sign up at www.mayflowerbsa.org today. Don't wake up in June and realize it's too late!

Upcoming Opportunities

Renew Your YPT in 2020... and Hazardous Weather Training, Too!

We follow the national policy on youth protection training (YPT): it must be renewed every two years. 2020 will be a big year for renewals. ***Don't let time run out!*** Check your expiration date at <https://my.scouting.org>, then mark your calendar to retake the training so you'll stay current.

Also, consider renewing your Hazardous Weather training at the same time! After all...

- Hazardous Weather also expires after two years.
- If you're a direct contact leader (Den Leader, Cubmaster, Scoutmaster, ASM, etc.), this training is required to be considered "trained" for your position.
- At least one leader on any campout must have this.

The only way to take this training is online. It takes less than an hour. It's "SCO_800" in unit training records.

Silver Beaver Awards Announced

In Scouting, we say “it’s about the youth” and none of our adults are involved for the recognition, but every now and then we need to say thanks especially to those volunteers whose leadership and example has left a lasting positive impact on the program and the broader community. One way we do that is through nominating a Scouter for the Silver Beaver Award, the highest adult recognition a council can bestow.

Silver Beaver Honorees Selected

Please join the Mayflower Council in congratulating this year's Silver Beaver Honorees.

Presentation of the Silver Beaver will be made at the Council Annual Recognition Dinner on Wednesday, January 29, 2020 at Lake Pearl in Wrentham, MA. We hope you can join us to recognize these outstanding volunteers as they are recognized for their outstanding service to scouting and their communities.

Training News

December 2019

Hey Cub Scout Packs: Host a Training Course!

We hear a lot of reasons why adult leaders don't get trained. It's too far away. I won't know anybody there. I need child care. Or *nobody invited me*.

Here's a solution: host a training course right where your pack meets! Yes, you can absolutely do this. "Position-specific training" takes 4 hours to complete, so find a time that works for you, contact the training team, and we'll send trainers. We just ask that you provide a free location, a "critical mass" of at least 6 participants, and a few weeks' notice so we can line up volunteer trainers and advertise the course to neighboring packs. We can also work with you to provide activities for Cub-age youth while their parents get trained.

A few packs have already done this, and they got great results.

Finally, don't forget to personally invite each of your leaders to this training event! It means a lot more when the invitation comes from a fellow leader within the pack who they know and trust.

Thanks for Making Time for Training

Please join us in a big "thank you" to...

- More than 400 adult leaders in our council who took the time to take in-person position-specific or supplementary training during 2019.
- Many more who took position-specific training online.
- All of you who sent your youth leaders to courses like NYLT, Den Chief training, and Venturing ILSC.
- 75 leaders who volunteered their time as trainers in 2019.

Our Scouts Need (and Deserve) Trained Leaders!

Did you know that fewer than half of our "direct contact" leaders across the council are trained for their positions? Direct contact leaders include Den Leaders, Cubmasters, Scoutmasters, Assistant Scoutmasters, etc.—the people whose role is to work directly with Scouts. Training is key to helping direct contact leaders understand and deliver a safe, fun, and successful program. It also provides ideas and resources to help make every Scouting job easier.

Our role on the training team is to train leaders. We run courses across the council throughout the year, but they're only successful if people come to them. If leaders feel that training is valuable, they will find time to do it. So we ask for your help! Please help us spread the word. Personally invite and encourage your fellow leaders to become trained. Recognize and reward those who do. And set the example by being trained yourself.

We'll be making a bigger push for training in 2020. You'll help us, won't you?

New Additions to the Schedule

- Scoutmaster and Troop Committee Position-Specific Training during Merit Badge University in March.
- We've added several CPR and first aid courses in Canton to serve the southern and eastern portions of our council. Our courses are a great way to get official Red Cross certification at a big discount.
