BSA Incident Reporting Requirements

Incident Reporting will be a highly monitored reporting area in the Scout post-bankrupt operating environment. We need to ensure that all Scout leaders understand what Incident Reporting is and why it is important that all incidents are accurately and timely reported. Scouting strongly encourages units to report any incident so risk management can ensure any unsafe conditions are addressed and safety measures are put in place. We may also recommend training that may need to be created or enhanced to ensure safety and for insurance purposes. The Incident Report landing page link below, will explain why reporting is so important and the links to the appropriate report.
