Councelor In Training Program (CIT)

Councilor In Training (CIT) will be held at Camp Squanto, Plymouth

CIT Program is a training program to introduce Scouts to the responsibility of being a member of the summer camp staff. The training consists of a rotational assignment thought camp. It offers each Scout a chance to experience the daily responsibilities of each program area at camp.

CIT's will rotate through most of the program areas including: aquatics, activities, handicraft, sports, ranges, provisional, and first year camper. While in each area CIT's assist in all program functions of that area, which includes assisting in merit badge classes and with afternoon activities. This

experience will help each Scout gain not only teaching and leadership experience, but also self-confidence.

In addition to other duties in camp, all CIT's will be required to participate in their own personal development and growth including merit badges throughout camp. Weekly evaluation will take place as well as weekly reviews with the CIT Director.
