Summer Camp Employment

Get ready for the experience of a lifetime!

More than 4,000 children from MetroWest and South Shore will come through our gates, and you could be that one person who will have a positive impact on them.

What do we expect from our summer program staff members? Typically, Camp Resolute and Camp Squanto summer program staff have work and/or volunteer experience in Scouting, teaching, and/or youth programming (previous experience in Scouting is not required). Regardless of your previous work and/or volunteer experience, successful employment at Camp Resolute and Camp Squanto requires certain personal attributes, including:

- Friendliness/Open Mindedness
- Patience
- Creativity
- Enthusiasm
- Interest in teaching and learning
- Flexibility
- Positive Attitude
- Willingness to have FUN!

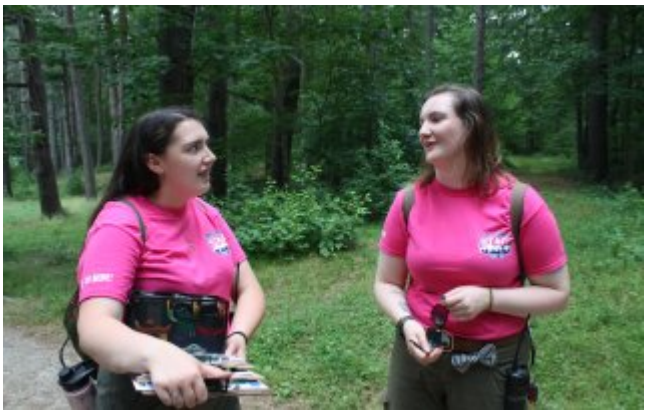

We believe that Camp Resolute & Camp Squanto programs and services give us the opportunity to positively impact our community. For that reason, we consider a positive attitude and the ability to be friendly and caring toward youth and adults to be as important as previous education, training, or certification.

Opportunities for employment are better for those who apply early.

Prior to applying for employment please review our Summer Camp Staff Hiring Procedures.

Prospective Staff Member please download and complete a Criminal Offender Record Information (CORI) Form, a Sex Offender Registry Information (SORI) Form, and a Voluntary Disclosure Statement.
