Online Registration for Adult Leaders

Now available! Updates have been made to the national registration system that allows us to accept adult applications online. Now your unit can skip the paper and use a much more efficient and secure method to register adults.

In compliance with Massachusetts law, our council's policy is to ensure that adult volunteers have the required Criminal Offender Records Information (CORI) before registering with the BSA and working with youth. This process is separate from

the online registration system and should be completed before registering, just like submitting hard-copy adult applications.

The unit (chartered org. rep. or assigned delegate) approves online adult applications. Please watch the video below for review. If a volunteer is approved by the unit but doesn't have the required CORI completed, we will suspend registration until the CORI has been verified. The applicant and unit key-3 will be notified if registration is suspended.

With this in mind, online adult applications are live and **effective January 1, 2023: adult applications are to be completed and submitted using the BSA Online Registration System**.

Please be aware that online registration is not currently available for youth-to-adult transfers. Paper applications are still needed for this function, but you can email the electronic version of the adult application to membership@mayflowerbsa.org.

We know that some will recognize this as another significant change to their routines. However, we all know that a Scout is Brave (and Cheerful).

Please contact the Membership & Unit Service Team if you have any questions or join us during any of our upcoming Live Office Hours, where we can answer all your questions.

Transfer Between Councils Now Available Online

The attached user guide is for for parents and/or volunteers to transfer between councils using the online registration system. This allows you to login and transfer from one council to another, and once the application is approved and the overnight sync is run all the training and advancement records for the member will follow.

Scouts Honor: Dante D Earns Legion Eagle Award

Earlier this summer, the Venturing Crew 29 and BSA Troop 64 Scout earned the accolade during the American Legion Camporee at Gardner's Camp Collier.

Recently, the Mayflower Council was thrilled to learn that Dante D. received the American Legion Eagle Scout of the Year Award at the America Legion Camporee, held June 17-19, 2022, at Camp Collier in Gardner, Mass.

"My Eagle Scout Project was to re-side the tool shed at my middle school, Mullein Hill Christian Academy, and to clean up the surrounding area," explained Dante in the write-up of his project, which garnered the attention of the American Legion.

"Before I could start any work on the shed, I had to take measurements to see how much siding I would need to cover the shed," added the Scout. "Then I had to research and see which siding would be the best based on durability, longevity, appearance, and cost."

No Eagle Scout Project is easy. But Dante's was especially detailed. **Author's note:** *Dante's dedication while completing the task is evidenced by the no less than six Scouters who wrote in this summer to mention it and his American Legion award*.

"I contacted a local contractor to ask him if he could donate any materials for the project," explained Dante in his documentation. "He helped me come up with a list of needed materials, such as corner pieces, flashing, and other smaller items that would be required to finish the project.

"Once I had a list of the needed supplies and a budget, I

contacted local businesses to get donations not just for materials for the project but also for other items such as food and water for the volunteers."

Working in a short amount of time, Dante made the most of his materials and volunteers.

"The work happened over two days," continued the Scout. "On the first day, we removed any protruding objects and replaced any of the rotting wood found at the base of the shed.

"On the second day, we finished siding the shed," he wrote. "Then we had to wrap the shed in Tyvek wrap to prevent future water damage to the shed or siding. We then began to side the shed, having two groups of people, one cutting the siding and the other placing it onto the building.

"We also placed down a rock bed around the perimeter of the shed and pulling weeds. Once this was all done, we put up some signage and did some touch-up painting around the roof and door of the shed," wrote Dante.

The results speak for themselves. The work performed by Dante and Co. will have a significant impact.

With the shed re-sided and no longer exposed to the elements, the school's equipment – the bulk of it being landscaping equipment and machinery – would not be damaged. The new siding also extended the shed's longevity, helping the school save money on buying and repairing damaged gear.

As a result of Dante's hard work, the Massachusetts American Legion later recognized him as their Eagle Scout of the Year.

National BSA Member Fee Increase 2022

The Boy Scouts of America (BSA) has worked to keep the membership fee as low as possible. As you know, costs continue to rise, and the annual fee must be increased to address the fiscal realities we face to deliver a safe and quality Scouting program.

To ensure we have the resources to fulfill the promise of Scouting, the following national membership fee structure will take effect August 1, 2022.

- $75 for Cub Scouts, Scouts BSA, Venturing and Sea Scouts participants
- $45 for Exploring participants
- $45 for all adult volunteers (includes cost of background check)
- $100 for a unit charter/affiliation fee
- $25 one-time joining fee for new program participants in Cub Scouts, Scouts BSA, Venturing and Sea Scouts (Not pro-rated)
- $15 for Scout Life magazine; this is the first price increase since 2005

The Mayflower Council Activity Fee will remain at $36 per youth member.

The national membership fee helps cover the cost of essential services, including program resources, liability insurance for those participating in approved Scouting activities, criminal background checks, youth protection, and the development of intellectual property for national, council, and unit

programs. As we move forward, we will continue to look at the membership fee structure and how we deliver the Scouting program for future generations.

Online registration remains the preferred method of transferring youth and will become the way to register new youth beginning August 1.

Thank you for your understanding, together we will continue to provide a great Scouting program for our families.

Scouts Honor: Eric H., Troop 28BT Cohasset

Eric H. of Troop 28 Cohasset Earns Glenn A. and Melinda W. Adams National Eagle Scout Service Project of the Year Award

Eagle Scout created "first responder sensory kits" to help first responders

Wrentham, Mass. – The National Eagle Scout Association established the Glenn A. and Melinda W. Adams National Eagle Scout Service Project of the Year Award to recognize valuable service of an exceptional nature by a Scout to a religious institution, a school, community, or other entity.

The award recognizes a Scout for their Eagle Scout leadership service project, which is part of the requirements for earning the Eagle Scout Award. Each year, local councils select a council-level winner, and each region selects a region-level winner from that pool. A national winner is then chosen from the four regional finalists.

On June 13, 2022, The Mayflower Council, BSA proudly presented the 2021 Glenn A. and Melinda W. Adams National Eagle Scout Service Award of the Year to:

Eric H.
Troop 28 Cohasset
Sensory Kits for First Responders

Eric's project raised awareness of autism while providing first responders with the resources and tools they need when they assist people with special needs. His project included: providing 80 sensory kits to multiple towns in the surrounding

South Shore towns of Cohasset, Hanover,

Hingham, Hull, Norwell, Scituate.

Eric saw this need for sensory kits after experiences with his older brother, who has autism, where first responders were not equipped to respond to his brother’s needs. To address this need, Eric spoke with a family friend who was a former EMT and Eric’s brother’s teacher at the Amego School in Franklin, Mass., to form his idea of creating a “first responder sensory kit” go bag.

The kits contain items to help first responders communicate with the person in need as well as bring them comfort.

Following the presentation of the Adams Award, Eric also received a citation and a medallion from Brigadier General (Ret.) Emery Maddocks of the Military Order of the World Wars.

“We have a really outstanding project to recognize,” said Gen. Maddocks of Eric’s Sensory Kits. “For dedication to the principles of the Boy Scouts of America as evidenced by not only by his achievement of the highest achievement in Scouting – the Boy Scout Eagle Award –but further by [earning] the 2021 Glenn A. and Melinda W. Adams National Eagle Scout Service Project of the Year Award.”
