

Guidance Regarding COVID-19 for Scouting Events

The Mayflower Council is excited to provide to our units the Reopening Scouting information and documentation needed for any Mayflower Council unit to re-engage in unit meetings, activities, outings and/or service. There are some new required procedures before re-engagement can occur. Below is a 4 guidebooks for all units and registered members/families to follow prior to re-engaging at any level of participation. These documents and required forms are necessary for the protection of our members (including our youth members), volunteer leaders and chartered partners, and the Mayflower Council and the BSA. The purpose of these precautionary procedures and steps is to mitigate certain risks and liabilities that unit leaders and others may be exposed to in connection with the reopening of Scouting in Mayflower Council while facilitating the ability to provide a first-class program to the youth we serve.

Please read and abide by these guidelines before re-engaging. If you have questions or concerns please contact us by email.

Thank you for all you do to make Scouting happen!

March 3, 2022 COVID-19 Council Operations Update

The Mayflower Council is implementing the following changes that are effective immediately.

We continue to encourage our Scouting families and leaders to practice healthy and safe activities following recommended guidelines for COVID mitigation strategies. We are following the recommendations of the CDC, Commonwealth of Massachusetts,

local healthcare officials and the Boy Scouts of America.

Mask Mandate Update

- Masks are no longer required for indoor Scouting meetings; however, masks are recommended while in large groups where social distancing is not possible.
- Scouts, leaders, and families are encouraged to practice social distancing whenever possible.
- Scouts and units must follow their chartered organization or meeting location guidelines or policies regarding the wearing of masks.
- Please note that the requirement of mask-wearing may be determined and enforced by the chartered organization or meeting location.
- Unit leadership must be aware of any local health department ordinances or requirements regarding the wearing of masks in public facilities.
- If an individual chooses to continue wearing a mask, that is perfectly acceptable.

COVID Attestation Form Update

- COVID attestation forms will no longer be required at every Scouting meeting and activity. The forms are still available for those who would like to use them, but they are no longer required to be used.

General Guidance Update

- Any adult or youth experiencing COVID-like symptoms needs to immediately isolate and follow existing protocols.
- If a participant was exposed to COVID-19 within the last 10 days, guidance is as follows:
 - For those who are FULLY vaccinated: If you were exposed to COVID-19, participation is still allowed. Keep an eye out for symptoms for 10 days after the last contact. Participant must wear a

mask around others to prevent possible transmission.

- For those who are NOT vaccinated: If you were exposed to COVID-19, no participation is permitted for 5 days from the last contact. Keep an eye out for symptoms for 10 days after the last contact. Masks are required for participation during days 6-10.
- Unit leaders must report, within 12 hours, confirmed or strongly suspected cases of any communicable disease infections, including COVID-19, occurring during or within 48 hours after a unit meeting or activity, to incidentreport@mayflowerbsa.org using the incident report forms. Unit leaders are also required to promptly notify adult leaders and parents of all Scouts who participated in the activity, as well as the unit's chartered organization representative. Additional guidance on reporting is available [here](#).
- No shared food or drink, for example, no buffet service or family-style service. If someone from the unit is cooking, then that person needs to plate the food for each participant. We recommend individually packaged condiments and anything you can purchase individually packaged.

Unit Camping Update

- Cabins continue to be available for program use by units.
- While it is recommended to sleep one person per tent, it is acceptable to camp with a maximum of two people per tent. Parental permission should be obtained by the unit leader for any youth members sharing a tent.
- When sharing a tent or lean-to, individuals should sleep no closer than 6 feet from one another. Individuals sleeping next to one another or in bunk beds should be arranged to sleep head-to-toe.

Transportation Update

- Carpooling is permitted. While traveling in a vehicle to an outing or activity, face covering use is suggested, but not required. It is also recommended that windows are at least partially open to increase airflow and air exchange and air intake is in non-circulating mode.

January 6, 2022 COVID-19 Council Operations Update

The Mayflower Council remains committed to and focused on providing a safe environment for our employees, Scouts, Scouters, and volunteers. Throughout the COVID-19 pandemic, we have repeatedly taken practical steps and implemented robust measures to ensure the welfare of all which has enabled us to safely run programs over the last two years.

Due to the increase in prevalence of COVID-19 in our communities, Mayflower Council is restating the following guidelines, already in effect as of September 23, 2021.

General Guidance

- Vaccines are strongly recommended for all who are eligible.
- It is the policy of the council that face coverings will be worn by everyone in attendance during meetings or other indoor events. This applies to every person, youth and adult, vaccinated and unvaccinated.
- Face coverings should not be worn in or near water, while actively eating or drinking, or while sleeping. Proper social distancing should be maintained in those circumstances.
- Each member should “Be Prepared” and have an ample amount of clean and dry face masks available to wear.
- Units and members must follow any additional guidelines imposed by local municipalities or health departments, building operators, or chartered organizations.
- The Mayflower Council “Model Pre-Event Medical Screening Checklist” has been updated, effective January 5, 2022. Everyone should use this checklist prior to beginning each meeting or activity.
- Unit leaders must report, within 12 hours, confirmed or strongly suspected cases of any communicable disease infections, including COVID-19, occurring during or within 48 hours after a unit meeting or activity, to incidentreport@mayflowerbsa.org using the incident report forms. Unit leaders are also required to promptly notify adult leaders and parents of all Scouts who participated in the activity, as well as the unit’s chartered organization representative. Additional guidance on reporting is available [here](#).

Unit Camping Guidance

- Cabins continue to be available for program use by units.
- Mayflower Council strongly advises against group (congregate) sleeping inside cabins or other indoor

locations. We recommend that unit overnight camping be limited to tent and lean-to sites.

- Face coverings will be worn by everyone when indoors. This applies to every person, youth and adult, vaccinated and unvaccinated.
- While it is recommended to sleep one person per tent, it is acceptable to camp with a maximum of two people per tent. Parental permission should be obtained by the unit leader for any youth members sharing a tent.
- When sharing a tent or lean-to, individuals should sleep no closer than 6 feet from one another. Individuals sleeping next to one another or in bunk beds should be arranged to sleep head-to-toe.

Transportation

While traveling in a vehicle to an outing or activity, face covering use is required. It is also recommended that windows are at least partially open to increase airflow and air exchange and air intake is in non-circulating mode.

Council Service Center

Face coverings are required for all visitors, including those who are vaccinated, in shared public areas: meeting rooms, hallways, etc.

As always, if you or someone in your family is experiencing symptoms of illness, refrain from attending **any** Scouting meetings or activities. Please continue to wash your hands and practice good hygiene at all times.

A Scout is Helpful. Let's work together to make sure that Scouting does its part to avoid contributing to an overloaded health care system.

We will continue to monitor the situation and provide updates as necessary. In the meantime, all events on the calendar will continue as planned with the above guidance in addition to our guidelines and protocols. Any information about cancelations

or postponements of events will be sent to those signed up as soon as it is available.

September 23, 2021 COVID-19 Council Operations Update

The safety of our Scouts, volunteers, employees, and communities continues to be our top priority. We must continue our vigilance to assure that youth and their families are safe while they enjoy the many benefits of Scouting. Due to the increase in infection rates seen from COVID-19; the development of variants; the percentage of individuals who are not vaccinated; and the current vaccine not being able to be used in children under 12 yrs. of age, the Mayflower Council is recommending the following updated guidelines which are subject to change based upon local health department, state, CDC, and council risk management committee recommendations. Units are permitted to establish stricter standards for their unit meetings and activities if they so desire. We want everyone to feel safe and comfortable.

General Guidance

- Vaccines are strongly recommended for all who are eligible.
- **Effective Friday, September 24: Each Scout and adult, regardless of vaccination status, are required to wear a face covering at indoor meetings, events and activities. Face coverings are not required at outdoor Scouting meetings, events or activities.**
- Participants should not attend any activity/meeting/event if they or anyone they live with has been tested for COVID-19 or another illness and does not have the results back yet.
- All participants should follow posted capacity limits of indoor spaces. Avoid crowded or poorly ventilated indoor activities.
Wash your hands often with soap and water. Use hand sanitizer if soap and water are not available.
- Some local and community orders may supersede these guidelines.
- According to the Centers for Disease Control, the Delta variant causes more infections and spreads faster than early forms of COVID-19. We must remain attentive to mitigation measures.

Unit Meetings & Activities

Unit leadership should follow local health guidelines and continue to practice social distancing in all Scouting activities. Face coverings are no longer required in outdoor settings where social distancing is incorporated. For indoor meetings and activities, face coverings are required for all youth and adults in attendance. On campouts, we recommend that if Scouts sleep more than one per tent, they sleep head to toe. Separate tenting arrangements must be provided for male and female adults as well as for male and female youth. In Cub Scouting, parents and guardians may share a tent with their family. In all other programs, youth and adults tent separately.

Face Masks at Mayflower Council Camps

While outdoors at camp, face coverings are not required. Face coverings are required to be worn indoors including inside the dining hall and all other camp buildings.

Health Assessments & Cleaning

Council activities will continue to require the pre-event screening sheet. Upon arriving at an event, this sheet will be reviewed by a member of the event staff. Event staff will clean restrooms and high traffic areas often. Program equipment will be wiped down between groups and hand sanitizing stations will be available throughout camp. We recommend all participants bring and use their own hand sanitizer and practice good hand washing hygiene.

Facility Rentals

Units and groups may continue to use council facilities by making a reservation through our online booking system. Face coverings are required to be worn indoors including inside the rental cabins except when actively eating or drinking or sleeping.

Transportation

While traveling in a vehicle to an outing or activity, face covering use is required. It is also recommended that windows are at least partially open to increase airflow and air exchange and air intake is in non-circulating mode.

Council Service Center

Face coverings are required for all visitors, including those who are vaccinated, in shared public areas: meeting rooms, hallways, etc.

April 5, 2021 COVID-19 Council Operations Update

Effective today, April 5, the Mayflower Council is amending our recommendation for carpooling to and from Scouting events to be as follows:

The Mayflower Council still believes that transportation to and from activities should be made within family units and carpooling should be discouraged.

Should a unit decide to permit carpooling to and from Scouting activities, the following best practices are recommended, based on guidelines from the CDC and Commonwealth of Massachusetts:

- Youth protection guidelines must always be followed.
- Any youth who will be traveling in a vehicle with

multiple individuals must have their parent's/guardian's written permission. Any adult who will be traveling in a vehicle with multiple individuals – including the driver – must give their consent.

- Each passenger in the vehicle must wear a mask covering their nose and mouth at all times while inside the vehicle. Cover coughs and sneezes. When outside of the vehicle, individuals should maintain a distance of at least 6 feet from one another.
- To increase air circulation, it is best to open windows or set the air ventilation/air conditioning on non-recirculation mode.
- Occupants should refrain from eating or drinking while in the vehicle to ensure mask use at all times. Plan to eat and drink outside of the vehicle when you are not near other people.
- Occupants should stay in the same group/vehicle for all portions of the trip, including return trip.
- For trips longer than 1 hour, every effort should be made to leave open seats between second (and third) row passengers.
- Use proper hand hygiene. Hands should be washed before and after the trip. Hand sanitizer should be used where proper hand washing is not possible.
- High touch areas inside and outside of the vehicle (door handles, seat belts, etc.) should be disinfected before and after each trip.
- Unit leaders should maintain a list of passengers in each vehicle for at least 30 days after a trip, to facilitate contact tracing.

January 22, 2021 Update

Yesterday, Commonwealth of Massachusetts Governor Charlie Baker announced that the stay at home order would expire on Monday, January 25 at 5am. Therefore, effective Monday, January 25, 2021, the Mayflower Council will be reopening our three camps to overnight outdoor camping. Camp Resolute and Nobscot Scout Reservation will be open for weekday and weekend overnight camping and Camp Squanto will be open for weekend overnight camping. Our camps will also continue to be available for day use and cabins will remain unavailable for the foreseeable future.

The number of units that we can accommodate at our camps for overnight camping will be reduced in order to comply with the 25% capacity restrictions imposed by the Commonwealth thru at least February 8, 2021. Occupancy of each campsite remains

limited to a maximum of 12 occupants per campsite.

The following size limits for gatherings remain in effect: indoor gatherings are limited to 10 people and outdoor gatherings are limited to 25 people.

November 3, 2020 Update Rick Riopelle 2020-11-03T18:40:33-05:00

November 3, 2020 Update

Dear Scouting Family,

Yesterday, Commonwealth of Massachusetts Governor Charlie Baker announced COVID-19 Executive Order #54 which states that, effective Friday, November 6th, there will be a stay at home advisory for the hours between 10pm and 5am. Governor Baker also implemented additional limitations on gatherings in outdoor venues.

Therefore, effective Friday, November 6, 2020, the Mayflower Council will be closing our three camps to overnight camping until further notice. Our camp will remain available for day use and cabins will remain unavailable for the foreseeable future. Units with current overnight reservations will be contacted to determine if your unit would prefer to transition their reservation to "day only," or simply cancel.

The order also reduced the size limit for gatherings at private residences: indoor gatherings at private residences are limited to 10 people and outdoor gatherings at private residences are limited to 25 people. The limit on gatherings held in public spaces and at event venues remains the same. It also requires that all gatherings (regardless of size or location) must end and disperse by 9:30 PM.

All previously announced COVID-19 restrictions continue to be in effect. For the most up to date council guidance refer to www.mayflowerbsa.org/covid-19.

The new COVID-19 restrictions continue to make delivery of a quality outdoor Scouting program difficult. These restrictions have us facing a complicated environment for Scouting. We are challenged with recruitment, training, cancelled events, finding appropriate places to meet and parents who are concerned about their children being around others. Additionally, school is not normal, home is not normal and we are restricted from friends and activities as we navigate this uncertain landscape. We can, however, still give youth an amazing program.

To help keep Scouting going our council has created the virtual Yeti Cubs program that sends a weekly email to every Cub Scout family to help keep their child on track with Cub Scout advancement, monthly virtual pack meetings, virtual merit badge classes, and quarterly virtual campfires. Our training team has also offered a wildly popular best practices for conducting virtual meetings; and will be offering an updated version soon. We continue to develop COVID-19 friendly methods to bring Scouting to our membership.

In all that is currently going on in the world, it would be easy to throw up our hands and declare it just too tough. However, our youth need leadership. Our youth need you. Keep calm and continue Scouting! Thanks for all you do, no matter how tough.

Yours in Scouting,

Mike Rotar, Council President

June 11, 2020 Update Rick Riopelle 2020-08-23T19:30:49-04:00

June 11, 2020 Update

Dear Scouting Family,

The Mayflower Council leadership is committed to resuming Scouting's in-person meetings and activities as our Commonwealth, local authorities and the Council's COVID-19 Task Force deem it safe to do so. At this time, our Commonwealth remains in Stage Two of the Reopening Massachusetts four phase plan issued by Governor Baker.

On Monday, June 15th the Mayflower Council's district and council activities, as well as Scout unit meetings and activities, are permitted to resume in-person, with limitations. Many of you have been looking forward to being able to gather together again to work on advancement, go camping, and complete service projects; but we also want to ensure these activities are being done as safely as possible.

In order to mitigate the health risk of spreading COVID-19 to our volunteers, staff, and Scouts, the Mayflower Council is providing the following guidelines. These recommendations are designed to mitigate risk, but all participants need to be aware that any activity puts them at some risk of exposure. Please remember that some who are exposed to COVID-19 could be asymptomatic. If a person becomes infected, they may become asymptomatic carriers and could infect other people unknowingly.

- **Before resuming any meetings or activities, check with your charter organization to ensure they approve.** Some charter organizations are not opening their facilities for meetings or have imposed additional restrictions on group meetings and activities. Rules or guidance from your charter organization must be followed. Please

respect their wishes.

- **Currently Camp Squanto & Adventure Day Camp at Camp Resolute will be open solely for programs hosted by the Mayflower Council in June, July & August.** We intend to open Camp Resolute and Nobscot Scout Reservation for tent camping later in the month and will share additional information on our website as soon as it is available.
- Individuals at higher risk of severe illness (older adults and people of any age who have serious underlying medical conditions) should consult their physician prior to participation in any group activities.
- All participants should review their current health prior to participating in any activity. Individuals with temperatures higher than 100.4 and other symptoms of COVID-19 should not participate.
- All units must keep a detailed roster of participants for all meetings and activities, so they are prepared in the event that contact tracing is required.
- All individuals who believe they may have been exposed to COVID-19 must quarantine for 14-days prior to participation in any Scouting activity.
- Outdoor meetings are highly encouraged.
- All persons should remain at least six feet apart to the greatest extent possible, both inside and outside.
- **Group meeting size must be limited to no more than 10 people** (8 youth and 2 adults). While we realize there are a number of troops and packs with more than 10 youth, this number is set by the Commonwealth to allow for appropriate social distancing and efficient contact tracing in the event of potential exposure. Activities done in small groups (den meetings and patrol meetings) are preferable.
- We encourage you to postpone any large meetings or activities and continue virtual gatherings where possible, utilizing conference calls or online video conferencing.

- Transportation to and from activities should be made within family units. Carpooling should be discouraged.
- Each Scout and adult are required to wear a face covering.
- Handwashing and sanitation of shared supplies must be done between use.
- Sleeping arrangements on camping trips should be limited to one person per tent, unless they are family.
- Families/siblings do not need to maintain social distancing for transportation, sleeping, or meetings.
- Six foot distancing should be maintained when practical during hikes, bike rides, and other follow the leader activities.
- All local, state, and federal safety guidelines should be followed. Please review guidelines for not only your unit's meeting location, but the location of any camping/activity destination.
- Ensure all Boy Scouts of America Youth Protection guidelines are adhered to.
- It is recommended that these guidelines be shared with each member of your unit and posted during all meetings and activities. Units should obtain written permission from parents stating that they have reviewed these guidelines and consent to having their child participate in Scouting activities. Keep these permissions with the unit health forms.

Finally, as Scouts, it is important that we demonstrate the principles of the Scout Law now more than ever before. As restrictions begin to lift, individuals within your Scout unit may have varying levels of comfort or anxiety. It is our responsibility to be kind while being helpful and friendly and demonstrate empathy and respect to everyone, even if they have beliefs different than ours. As we move forward let's be cheerful and brave while showing obedience to the rules, regulations and guidance of our Commonwealth, Mayflower Council, and chartered organizations.

May 25 Council Update

Dear Scouting Family:

We hope that you are safe and healthy during this challenging time. Over the past several months, your Council leadership has been carefully monitoring the impact COVID-19 has had on our communities and on our Scouting program. While we are hopeful that restrictions will soon be adjusted to allow for some version of face-to-face Scouting meetings and outdoor activities, we are not quite there at this time. State guidelines still limit group size to no more than 10 people and camping, parks and select sports are planned to reopen in Phase 2. **For the safety of our Scouts, Scouters and community, we are extending the suspension of all face-to-face meetings, events, activities, trips and our property closures through June 15th, which is consistent with the phased reopening of the Commonwealth of Massachusetts.**

Council leadership will revisit our restrictions again when information on Phase 2 is released by Governor Baker. At that time, we will provide information on approved activities that will best protect our Scouting family while continuing to follow the guidance of our local, state, and national authorities.

We are excited about the future and look forward to re-engaging in weekly unit meetings and the outdoor programs that we all know and love. These programs may look a little different, as we work to mitigate risk, but we are confident in the Scouting spirit and the tremendous value our program provides to the young people we serve.

We look forward to seeing you on the Scouting trail soon!

April 24 Council Update

Dear Scouting Family:

We hope that you remain safe and well during these unusual times. Like you, we are carefully monitoring the impact COVID-19 has on our communities and the guidance from our public officials, especially mandatory closure dates. **For the safety of our Scouts, Scouters and community, we are extending our closures through May 31.**

This means all in-person Scouting activities of any type

remain prohibited through May 31. We have previously communicated that our guidance supersedes all other Scouting guidance, including that from the National Council Boy Scouts of America. Should any guidance from your chartered organization or your local health department be more restrictive, please also follow those restrictions.

We are inspired by our Scouting families for their determination to continue Scouting during these challenging times. Whether it is virtual meetings and activities or making cheerful cards for the elderly in nursing homes, Scouting continues to thrive across the communities in our council. Our Scouting at Home page has support for all our programs. These activities will help Scouts earn our new Scouting at Home Award patch, which you can learn more about [here](#). We'd love to hear any ideas or resources you have, please share them with us at scoutingathome@mayflowerbsa.org or on our Facebook page.

We are hosting a plethora of virtual meetings, events and activities to keep our Scouts active. For our Scouts BSA members we have launched virtual merit badges, beginning in May we will offer our Cub Scouts weekly den meetings, for our entire Scouting family we're hosting our second virtual campfire as well as a Camping At Home Challenge, and we're excited about the National Camp-in on May 2.

Our teams at Camp Resolute, Adventure Day Camp and Camp Squanto are excited to welcome you this summer and we anticipate a fantastic experience. **There is no risk for families and units of losing money by signing up for Mayflower Camps now.** In the event that camp does not open or has a shortened season due to COVID-19 and your troop or campers are unable to attend during your scheduled time, all camp fees paid will be refunded. Read more about summer camp [here](#).

We are all learning new ways to do Scouting and are succeeding. In many ways, this crisis has brought all of us

closer together even from a distance. For over a century, Scouting has been all about being prepared. In a sense, we have been preparing for times like these for over 110 years. Our Scout motto of "Be Prepared" tells us that we are ready for this challenge.

Thank you for all that you do for Scouting.

Yours in Scouting,

April 16 Update On Summer Camp Operations

Message from our camp directors

March 26 Council UpdateRick Riopelle2020-08-23T19:27:35-04:00

March 26 Council Update

We hope this letter finds you and your family well during these unprecedented times. Everyone has spent the last several days and weeks learning about COVID-19 (coronavirus) and how it's affecting our community. Families are adjusting to stay-at-home advisories and coping with school closures.

The Mayflower Council priority is to keep our Scouts, volunteers, staff, and their families safe as well as demonstrate good citizenship in our communities by considering the needs of those around us.

As the threat of COVID-19 increases, most states, local governments, and school districts have either issued or extended stay-at-home advisories. **As a result, we are extending the stoppage of all Council, district and unit face-**

to-face Scout activities, face-to-face meetings, as well as Camps and Council Service Center closures through April 30. As a reminder:

- **All face-to-face Scouting activities are canceled effective immediately through April 30.** This includes unit meetings (including patrol and den meetings), campouts, activities, trips, Pinewood Derbies, Blue and Gold Dinners, in-person fundraisers, service projects, Court of Honors (including for Eagle Scouts), etc. Please continue to work with your Scouts via digital and electronic methods whenever possible.
- **All face-to-face council-level and district-level events and meetings are canceled through April 30.** This includes Roundtable, training events and committee meetings. Please use all digital and electronic means available to conduct your meetings.
- **All Council Camps are closed through April 30.**
- **The Council Service Centers are closed through April 30.** Our staff will be working remotely and respond to all calls, emails and postal mail.

This is most certainly a fluid situation. We will continue to align with best practices and policies set forth by state and local governments, municipalities, and schools. In the future, restrictions may be reduced or lifted within areas of the council thereby restoring Scout activities, face-to-face meetings, and the reopening of council service centers and camps in that area. Should changes to closures be warranted, we will promptly communicate with you.

We have been working to identify and encourage opportunities for Scouts to continue meeting with their units virtually, learn new skills, earn merit badges and advancements, and – most importantly – to do their part in giving back to their communities. We wanted to share with you some resources we've gathered that you might find helpful while planning activities at home for your families and staying up-to-date with Scouting

during this pandemic. Click [here](#) for our most current list of resources.

Together, we can help flatten the curve of this rapidly spreading virus and keep everyone safe. Stay positive, have faith, and know the health and well-being of our Scouts, volunteers, staff, and their families are our number one priority!

Take care and be well,

March 12 Council Update Rick Riopelle 2020-08-23T19:27:20-04:00

March 12 Council Update

As we informed you in our email on March 9th, we have been monitoring the situation regarding the COVID-19 "Coronavirus". Since then, the situation has worsened: the World Health Organization has upgraded the virus to pandemic level and Governor Charlie Baker has declared a state of emergency. Therefore, **effective immediately, we are suspending all council and district in-person group meetings, trainings, activities, events, etc. through April 7.** We ask districts and committees to conduct their work virtually where possible to help carry on the important work of service to our youth.

We recommend that individual units suspend in-person meetings and activities, and to leverage technology to deliver the program to our youth during this time. While the majority of youth are at low risk from this illness, limiting group

exposure can help to slow the spread of COVID-19 to at-risk members of our community. Community service comes in many forms. This course of action ensures that we do our part to protect others in our community-at-large and is in keeping with the values embodied in the Scout Oath and Law.

We encourage you to take standard precautions outlined by the CDC, including hand washing, covering coughs and sneezes, and staying home if you are ill. Please visit this page for additional

information: www.cdc.gov/coronavirus/2019-ncov/index.html

For the latest information, please refer to our website. This includes a list of postponed or rescheduled events, and links to recommendations of the Massachusetts Department of Public Health.

As always, we will continue to monitor the situation and keep you informed.

March 8 Update

What to Do if You Think You're Sick

If you are experiencing symptoms of COVID-19 and may have had contact with a person with COVID-19 or recently traveled to countries with apparent community spread, call your health care provider or local public health department first before seeking medical care so that appropriate precautions can be taken. Do not attend any Scouting meeting, event or activity.

Massachusetts Department of Public Health

The Massachusetts Department of Public Health is working closely with the federal Centers for Disease Control and Prevention (CDC) to provide updated information about the novel coronavirus outbreak. Visit their website for the most up to date information.

BSA Policies to Prevent the Spread of Illness

The Boy Scouts of America continues to have policies and procedures in place that help protect participants from contracting an illness at large Scouting events. These include the Annual Health and Medical Record and the Pre-Event Medical Screening Checklist.

Everyday Preventive Measures

Even with those important policies in place, it is critical that we all take these everyday preventive actions to help prevent the spread of respiratory diseases:

- **Stay home when you feel sick.**
- Avoid close contact with people who are sick.

- Avoid touching your eyes, nose, and mouth, and wash your hands before and after doing so.
- **Cover your cough or sneeze with a tissue, then throw the tissue in the trash. If you don't have a tissue, cough or sneeze into your upper sleeve/elbow, not your hands.**
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Do not share personal items such as cups, water bottles, eating utensils, etc.
- Avoid shaking hands.
- **Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.** If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.

If you have a fever, cough, or other symptoms associated with COVID-19, or if you believe you may have been exposed to COVID-19, you should isolate and not attend any Scouting events. People who think they may have been exposed to COVID-19 should contact their healthcare provider immediately.

Merit Badge University Postponed

In light of the emergent developments concerning COVID-19, **we will not be able to hold the second weekend of this year's Merit Badge University (MBU) on March 21st** at the Southeastern Regional Vocational Technical High School.

The safety of our Scouts, Scouters, counselors, and staff is of paramount importance to us. We are also mindful that it is essential that we all do our part to minimize the risk of community spread. While the Centers for Disease Control and Prevention (CDC) and the Massachusetts Department of Public Health (MDPH) advise that the risk of infection in Massachusetts remains low, out of an abundance of caution and in service to the public health we have concluded that it is best not to proceed with the second weekend of the MBU event at this time.

As might be expected with such a fluid set of circumstances, **we cannot give you a definitive date when or if the MBU will be rescheduled.** Our primary consideration when determining whether/when to proceed will be informed by the guidance of the CDC and MDPH regarding the resumption of large community events. We will be in touch when the picture is clearer and we can provide more definite information.

We encourage you to take standard precautions outlined by the CDC, including hand washing, covering coughs and sneezes, and staying home if you are ill. Please visit this page for additional information:
www.cdc.gov/coronavirus/2019-ncov/index.html

If you have questions or would like further information, please email us.

Important Note About Coronavirus and Scouting

Dear Scouting Families,

Recent concern regarding the COVID-19 (coronavirus) has generated much public attention and has caused significant change in travel, personal interactions and in guidelines prescribed by health officials for how to address the growing concern.

As an organization, we have discussed the best approach based on what we know today. At this point in time, we are proceeding forward with all scheduled meetings and events while following the guidelines and advise of medical professionals to help minimize risk to our general membership. Conducting our program elements is key to the success of Scouting but we are also aware of the concern from the general public. If at any point direction changes from state or local leaders, we will revisit and share updates with the council membership.

Recommended steps to remain healthy during this cold and flu season based on recommendations from the World Health Organization and United States Centers for Disease Control and Prevention. These precautions include:

- Regularly and thoroughly wash your hands with soap and water or clean them with an alcohol-based hand rub.
- Avoid close contact with people who are sick (this may include avoiding shaking hands or other customary greetings).
- Avoid touching your eyes, nose and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Maintain at least three feet (one meter) distance between yourself and anyone who is coughing or sneezing.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.

Please visit this page for additional

information: [www.cdc.gov/ coronavirus/2019-ncov/index. html](http://www.cdc.gov/coronavirus/2019-ncov/index.html)

If any individuals are uncomfortable attending a meeting or event, we don't want anyone to feel pressure to attend. Each person can make the decision that they feel is in their best interest.

We hope that these preventative measures help to limit the risk and keep our youth and volunteers safe and healthy.

March Training Newsletter

March is "Fix Your Training Record" Month

The records show that about half of our volunteers aren't fully trained for their Scouting positions... but we know more than a few people have courses missing from their records. This could happen for many reasons: a longtime volunteer who got trained before the BSA started putting these things in a database, a course you took recently that never got reported, training you took before you were a registered leader (so we couldn't give you credit at the time), etc. Whatever the reason, this can be fixed!

This month, let's work together to clean up all those old missing records so you can get credit and we can stop nagging you about training you've already taken!

Please start by logging into <https://my.scouting.org>. Check your training completions. If something is missing, please contact your district training chair. If you're not sure who that is, contact the council training chair (see below, right side) to start. In general, we'll ask for proof in the form of a certificate or course director confirmation.

Training Recognition Knots

Have you seen adult leaders wearing the knots below? These knots are our way of recognizing leaders who've taken training and put it to use. Earning and wearing a knot is a great way to show Scouts and parents that their leaders have invested their time in learning how to run a strong Scouting program.

This knot (the "key") can be earned by a unit leader (Cubmaster, Scoutmaster, etc.) after three years of service.

This knot can be earned by any registered adult leader in a unit. Requirements include two years of service.

This knot can be earned by any Den Leader from Lion through Webelos/AOL. Requirements include one year of service.

Visit www.scouting.org/training/adult.aspx and scroll down to "Training Awards" to get the application forms with the requirements. Some of the requirements include helping your unit earn the Journey to Excellence award.

The Unit Leader's Award of Merit is also available. It can be earned by the unit leader at every level. Learn more at www.scouting.org/awards/awards-central/unit-leader.

How to apply: Each form must be signed by your unit committee chair. Submit scanned or electronic applications to awards@mayflowerbsa.org. They will be routed for approval.

When are knots presented? They can be presented at any time of year. Knots can be given at a district dinner or roundtable, a unit event, or a regular unit meeting.

Climbing and COPE Training

Are you interested in becoming a certified climbing or COPE instructor? Our neighbors at Spirit of Adventure Council are running a course for our area on May 29-31 and June 12-14. Age 15 and up. To register, visit www.scoutspirit.org and visit their council calendar.

EVERY SCOUT DESERVES TRAINED LEADERS!

Page 2: In-Person Training We Offer

The success of every Scouting program depends on having well-trained leaders. They not only bring a quality program to their units, but they also have more fun doing it. We try to offer these courses at a variety of times and locations, but we can also add certain courses on demand, if requested.

We offer other courses periodically, too. You can also take many training courses online at <https://my.scouting.org>. See the requirements for your position in our Quick Guides at www.mayflowerbsa.org/training.

COPE and Climbing Course

Would you like to learn how you can safely manage or staff Cope and Climbing programs for your camp, district or unit? Join fellow Scouters this spring for a 2 weekend training course on 5/29-31 and 6/12-14. The Spirit of Adventure Council is hosting this training. It will be held at Base Camp, 411 Unquity Road, Milton, MA.

This course will help you to solidify your climbing knowledge and skills. It will cover current policies and standards of the Boy Scouts of America climbing program.

This course is intended for anyone 15 years of age or older (age exceptions with course leaders consent).

While there is an advantage to having a climbing background, one is not required.

You are welcome to bring your own climbing gear (harness, helmet and climbing shoes), but it is not required. All gear that is required for the completion of this course will be provided.

Upon successful completion of this course, based on experience, judgement and skill displayed, you will receive a certificate as a "BSA Climbing/Cope Instructor 1 (good for 1 year) or 2 (good for 3 years). Previously trained level 1 or 2 may use this course to be re-evaluated.

Lodging and meals for Friday, Saturday, and Sunday are included.

The cost for this course is: \$125.00

An Important Update from the Mayflower Council

Dear Scouting Community,

Today, the national organization of the Boy Scouts of America (BSA) filed for Chapter 11 bankruptcy to achieve two key objectives: equitably compensate victims who were harmed during their time in Scouting and continue to carry out Scouting's mission for years to come.

I want to highlight important points that are most relevant to the Mayflower Council:

- **The Mayflower Council has not filed for bankruptcy.** Our Council is legally separate, distinct and financially independent from the national organization.
- **Scouting programs will continue.** This means that unit meetings and activities, district and council events, other Scouting adventures and countless service projects will take place as usual. In short, we expect no changes to the local Scouting experience in the Mayflower Council.
- **Scouting is safer now than ever before.** Over many years, we've developed some of the strongest expert-informed youth protection policies found in any youth-serving organization. I can also assure you that our volunteers and employees take youth protection extremely seriously and do their part to help keep kids safe.
- **Restricted donations – past, present or future – can only be used for their designated purpose.** In addition, Friends of Scouting (FOS) and other annual donations made to our Council will continue to fund necessary day-to-day expenses that are critical to local Scouting programs.

While we do not anticipate the national organization's bankruptcy filing will have any direct impact on the local Scouting experience or your involvement with our Council, I understand you may still have questions about these issues and things you will see in the news. To that end, the national organization has established a dedicated restructuring website, www.BSArestructuring.org.

This site includes a helpful Resources page, where you will find a short video explaining what Chapter 11 means for Scouting, as well as a FAQ. The site's Milestones page will be your best source for the latest updates throughout this process.

If you have any questions about local Scouting, you can always feel free to reach out directly to me or your usual contact within our Council.

Through your engagement and dedication to Scouting, the Mayflower Council will continue to bring adventures, values and lifelong benefits to youth and our communities for generations to come. Thank you for your trust and support as we continue this important mission.

Yours in Scouting,

Buy a Patch & Help Scouts in Australia

When disaster strikes, Scouts step up.

They've been there after tornadoes, wildfires and hurricanes destroyed homes and uprooted lives in communities across our country.

This time, even though the disaster is a little farther from home, it affects the Scouting family all the same.

Scouts Australia is selling patches to benefit Scouts who lost their homes in the country's devastating wildfires. Their goal: to make sure these Scouts can "remain connected to Scouting as they work through this traumatic period," according to Scouts Australia's official site.

Like the Boy Scouts of America, Scouts Australia is a member of the World Organization of the Scout Movement. There are more than 50 million Scouts across 171 countries, and these Aussie Scouts wear the purple World Crest just like we do.

Many BSA members were able to meet Australian Scouts at the 2019 World Scout Jamboree, held last summer at the Summit Bechtel Reserve in West Virginia.

About the council patch order patch

The Mayflower Council is pleased to provide an opportunity for Scouts, Scouters, units and friends to order patches as part of group purchase to reduce shipping costs from Australia. The patches cost \$4 dollars each and include shipping to you once they are received. Click [here](#) to order your patches now. Order deadline is 11:59pm on February 28.

100% of the proceeds will benefit Scouts Australia.

"Australian Scouts thank our international Scouting friends for your support during this difficult time," a message on the order page says.

Renew Youth Protection in 2020!

If you've been a registered adult for a few years, chances are you last took Youth Protection Training (YPT) in 2018 when the BSA required everybody to take the new version. YPT expires exactly two years after you take it, so pretty soon, a lot of people's YPT will expire.

If you wait till the end of the year, you'll risk letting it lapse—and you'll be scrambling to get into the online training system at the same time as thousands of others across the country. Save the trouble and renew sooner at <https://my.scouting.org>! You can also join us for in-person courses throughout the year (calendar at right).

Fixing Training Records

The records show that about half of our volunteers aren't yet fully trained for their Scouting positions... but we know more than a few people have courses missing from their records. Your district training chair and your unit's "key three" are able to enter most training courses, so please start there. You can provide proof in the form of a printout, certificate, or course director confirmation.

Credit for Training at Another Council

If you're not able to attend a Mayflower Council training course, you're welcome to take the same course with another council. However, this does not automatically mean your My.Scouting training record will be updated. Check with the person leading the training. If they send a report to the Mayflower Council office, your record will get updated. If they don't, it's your responsibility to show your completion certificate to someone who can add it to your record (see "Fixing Training Records" above).

Make sure you get the full training. For example, BALOO and IOLS both have a day and a half of required material with overnight camping (it's a national BSA syllabus we follow), and BALOO also requires an online component. Completing a shorter set of sessions can be a great way to learn skills, but it might leave you with more to finish.

Request a Training Course

If there's a training course you need and you don't see it listed on the schedule, please contact your district training chair or the council training chair (email at right). With enough advance notice, a suitable location, and a critical mass of participants, we can add most of the "classroom" courses on demand—especially YPT and Cub Leader Position-Specific. If you can get your fellow leaders to attend, we'll bring the training to you!

Recent Additions to the Calendar

Den Chief training: February 29 in Duxbury. This in-person, 2-1/2 hour course is a great way for your Scouts or Venturers to gain hands-on skills and build confidence to serve as Den Chiefs for a Cub Scout pack.

Outdoor ethics: Does your Scouts BSA troop have an "Outdoor Ethics Guide"? We'd like to help set these Scouts up to succeed by offering a half-day workshop, taught by Leave No Trace trainers. Our planned date is Saturday, March 14. Look for more info coming soon!

Training at Merit Badge University: Leaders and parents: If you're going to be at MBU and you're not already helping out, join us for training! We'll offer YPT; position-specific training for Scoutmasters, ASMs, and Troop Committee; and CPR and first aid certification.

EVERY SCOUT DESERVES TRAINED LEADERS!

Page 2: In-Person Training We Offer

The success of every Scouting program depends on having well-trained leaders. They not only bring a quality program to their units, but they also have more fun doing it. Everything we do in Scouting has a purpose. Training is the key to recognizing, understanding, and achieving the purpose behind every activity. **If you're a registered leader, there's a training course for you!**

Our in-person courses are organized and taught by trained volunteers who have been "in your shoes." Live training is a great way to meet fellow leaders, share ideas, get answers to questions, and get a chance to practice key skills. We try to offer these courses at a variety of times and locations, but we can also add certain courses on demand, if requested.

We offer other courses periodically, too. You can also take many training courses online at <https://my.scouting.org>. For most Scouting positions, online training covers all the requirements to be considered "trained" for your position and wear the  patch. See the requirements for your position in our Quick Guides at www.mayflowerbsa.org/training.

2019 Silver Beaver Recipients

The Silver Beaver Award is the council-level distinguished service award of the Boy Scouts of America. The Silver Beaver is an award given to those who implement the Scouting program and perform community service through hard work, self-sacrifice, dedication, and many years of service. It is given to those who do not seek it.

We are extremely proud of our 2019 Silver Beaver Award recipients. They are shining examples of Scouting service in our Council!

He crossed over to Troop 1 Stow and served as a patrol leader, senior patrol leader, and junior assistant Scoutmaster and earning his Eagle rank in 1984. He was also active with the Order of the Arrow during his time as a Scout, serving on the Taunkacoo executive board as a vice-chief and becoming a Vigil Honor Member of the lodge in 1983.

He was a staff member at Camp Resolute for several years and attended National Camp School. Gary is a Lifetime Member of the Camp Resolute Alumni Association and served as the chair

to the Resolute 100th Anniversary Camporee in the fall of 2019.

Gary has served as an assistant Scoutmaster with Troop 1 since 1984 and has organized and led several high adventure trips for the troop to Maine, New York, Vermont, Montana (4 times), Wyoming, New Mexico, California, and is currently in the planning stages for a trip to Colorado for the summer of 2020. As a troop leader Gary has coached 69 Scouts to the rank of Eagle, including his son Connor in 2018.

During his tenure as an assistant Scoutmaster, Gary also served the town of Stow as Chair of the Finance Committee, as a selectman, and as financial officer of the Elementary School Building Committee which reconstructed the Center School.

In 2010, he formed Troop One Stow Alumni, incorporated, as a registered 501(c)(3) non-profit organization, often referred to as TOSA, Inc. TOSA is organized exclusively for the charitable and educational purposes of supporting Troop 1 Stow by serving as its chartering organization, assuring the safety of Troop 1 members, providing financial and other support to Troop 1 Stow, and educating and training the members of Troop 1 Stow according to the guidelines and policies of the Boy Scouts of America. The organization was established to ensure the Scouting program continues in the Town of Stow and engages young adults to continue in the Scouting program. Gary serves as TOSA's CEO.

Gary is Director Product Management at MedAptus, a medical software IT company headquartered in Boston. Gary has been with MedAptus since 2007.

Gary has been married to his wife Lori since 1993. They have two children: Connor, Eagle Scout, 19 years old and currently enrolled at the Isenberg School of Management at UMass Amherst, and Abigail 21 years of age, attending Framingham State University and studying early childhood education.

Ronald Ehnes – Silver Beaver

Ronald has been involved with the Scouting Program since September 1953 as a Cub Scout in Pack 209 Manhattan. He was a youth member and adult leader with units in the Greater New York Council until being stationed at Clark Air Base in the Philippine Islands. He served as an assistant Scoutmaster with Troop 362 there and helped coordinate and participated in the re-enactment of the Battan Death March. He was also active while serving at Phan Rang Air Base in the Republic of South Vietnam where he assisted in restoring and maintaining a Catholic Orphanage.

When Ron returned from the far east, he re-engaged with Explorer Post 237 in Manhattan. He left the post in 1971. Upon being separated from the Air Force Ron was appointed to the U.S. Marshal's Service in Brooklyn, N.Y. & Delaware which made it difficult for him to participate in Scouting due to travel, overtime and warrant investigations. In December 2002 Ron and his family were invited to an Eagle Court of Honor, and his two sons were so impressed with the ceremony and Scouts that the family joined Troop 51 in January 2003.

Over his distinguished Scouting career, has received many awards – Eagle Scout Class of 1964, Vigil Honor, Scouters Key, Scouters Training Award, Scoutmaster's Award of Merit, Unit Leader Award of Merit, and the District Award of Merit. He attended Wood Badge while stationed in the Philippines through the Far East Council. In June 2019, Ron was presented with the National Outstanding Eagle Scout Award which recognizes notable Eagle Scouts who have either performed distinguished service at the local, state, or regional level or who were

known nationally.

Ron is employed with the Plymouth County Sheriff's Department at the Plymouth County Correctional Facility where he has worked since April 1987. He is assigned as an Accreditation Specialist with duties as Fire Safety, Safety and Environmental Officer. Ron is a member of the National Sheriff's Association and the National Corrections Employee's Association.

In May 1993 he received the Supervisor of the Year Award and in June 1994 he received the Father of the Year Award from radio station WCOD.

Ron serves as a role model for the Scouts, BSA religious awards program by helping Scouts of his and different faiths to achieve their own individual religious awards. He is an active member of St. Bonaventure Parish and has attended the Generation of Faith Program with his family and assists with the Religious Education Programs when asked.

Ron provides each Scout with a sense of dignity and incentive to perform on an outstanding level. He is a merit Badge Counselor within the Troop and at M.B.U. since 2003. As an Eagle Scout, he has assisted over fifty Scouts to achieve their Eagle rank by working closely with them on advice, paperwork and guidance. Ron believes in strong youth leadership especially through the patrol method and attending National Youth Leadership Training (NYLT). In September 2011 he assisted in the organization and training of newly appointed Youth Leaders which was a great success.

Debra Scollins – Silver Beaver

Debra is the mother of 5 children (3 BOYS AND 2 GIRLS) ranging in ages 23-30. Her husband, Dennis, signed up the two oldest boys for Cub Scouts in 1997 and the rest is history....

Pinewood Derbies, Museum of Science campouts, belt loops, den meetings, monthly pack meetings, and outdoor adventures all behind them, the boys grew older, earned Arrow of Light, and joined Boy Scout Troop 212. Debra signed up to be on the Troop 212 Committee and then became the Committee Chair for the next 5 years. She registered as a Merit Badge Counselor, as well. There were many fun outdoor campouts (summer camp at Squanto was simply the highlight), community service projects, and parades. Her youngest son, decided to join Boy Scouts, too (with a little recruiting from Ross Troiano), so Debra continued as Committee Chair for Troop

212 for the next 5 years. Once again, the Scouts had even more fun canoeing, white water rafting, attending Mass Jam, and skiing. Debra's favorite thing to do in Scouting is teach Communications, Citizenship in the Community, and Family Life at Merit Badge University (MBU). All three sons are Eagle Scouts.

Debra became a Unit Commissioner in 2011, an Assistant District Commissioner in 2013 and currently serves as a District Commissioner. She is a 20-year Veteran of the BSA and a Master of Commissioner Science.

Debra earned a Bachelor's Degree in Management Science from Bridgewater State College. She currently works as an administrator for the Committee for Public Counsel Services in Brockton and has been with this agency for 20 years.

Her favorite training program was Wood Badge. She and fellow Commissioner, Stephen Trimble, completed course N1-225-13-1, sponsored by the Cape and Islands Council. Her ticket revolved around her work as an Assistant District Commissioner.

Ross started a Venture Crew in January 2015 and Debra volunteered to serve the first year as an Associate Crew Advisor and then Committee Chair for this unit for the next 2 years. In 2018, Debra volunteered to work with the District Advancement Committee and served as the Eagle Chair for 6 months, until her nomination to be the District Commissioner. Through her leadership as a Commissioner, Debra has amassed the largest roundtable staff in Cranberry Harbor's history and attracts as many as 72 attendees to monthly roundtables. Her Unit Commissioner Staff continues to grow.

Aside from Scouting, Debra has an interest biking (Falmouth Shining Sea Bike Trail), kayaking (Marshfield North River),

crocheting, traveling (US and abroad), and in local politics. Her husband Dennis is a lifetime member of the Marshfield Democratic Town Committee and Debra has helped him during the time he served as their treasurer. Debra served as a delegate at the MA Democratic State Convention in June 2014 and worked on a campaign to help elect Deb Goldberg, as State Treasurer. Debra also worked as a campaign manager for her husband, Dennis, during his 4 elections to the Marshfield School Committee. Debra and Dennis currently serve on the Hospitality Committee of the Assumption Church in Green Harbor.
