

Upcoming Overnight Training Events Cancelled

Important message from the Mayflower Council Training Team

Because of the ongoing concern over the Eastern Equine Encephalitis (EEE) virus, the Council Training Team will NOT be running the Introduction to Outdoor Leader Skills (IOLS) course that was scheduled for September 27-28 at Camp Resolute or the Basic Adult Leaders Outdoor Orientation (BAL00) course that was scheduled for October 5-6 at Camp Squanto.

Overnight camping and outdoor activities are an integral part of the required curriculum for both of these training courses, and after considering the long-range weather forecast, the Eastern Equine Encephalitis (EEE) risk map, and feedback from many sources, we determined that we're not comfortable with the risk that these activities pose. Mayflower Council Eastern Equine Encephalitis (EEE) Virus Information post.

For now, we're keeping the October 19-20 Introduction to Outdoor Leader Skills (IOLS) course in Wrentham open, as there's a better chance of a mosquito-killing frost before 10/19.

We will re-evaluate the risk as we get closer to the course dates.

Course directors will notify registered participants for the September Introduction to Outdoor Leader Skills (IOLS) and October Basic Adult Leader Outdoor Orientation (BAL00) courses and provide options for rescheduling.

We will add capacity to the October 19-20 Introduction to Outdoor Leader Skills (IOLS) course and look for a later date for Basic Adult Leader Outdoor Orientation (BAL00). We will

also offer these courses again in the spring. Paid participants (those from out of council) can receive full refunds. We apologize for the inconvenience but appreciate your understanding as we seek to take reasonable precautions to keep all members of our Scouting family safe.

Please contact Lisa Olson if you would like to reschedule your September Introduction to Outdoor Leader Skills (IOLS) to the October 19th date.

Cub Scout Leader Training

Fall 2019

What's Required

All registered adult leaders must take Youth Protection Training (YPT) online or in person and renew it every two years. Den Leaders and Cubmasters must also take Hazardous Weather training. These courses are online at <https://my.scouting.org>.

To be considered trained for your position, and entitled to wear the "Trained" patch, you must take **Position-Specific Training** for your role (Den Leader, Cubmaster, Committee Member, etc.). You can do it online or in person (see below). Also, if your pack goes camping, at least one leader on the trip must be **BALOO**-trained.

In-Person Course Descriptions

Position-Specific Training (PST): Learn about your role; pick up new skills, program ideas, activities, and resources; and share tips with other leaders. This is now a 4-hour course with combined sessions as well as separate tracks for Den Leaders, Cubmasters/Assistants, and Pack Committee. If you take it in person, you can skip the online PST, which is just as long (and lonelier).

Basic Adult Leader Outdoor Orientation (BALOO): A day-and-a half introduction to the skills needed to plan and run Cub Scout outdoor activities—and the policies that help keep them safe. Learn about the fun you can have outdoors! This course includes camping overnight in a tent, along with hands-on practice in fire-building, outdoor cooking, knots, program planning, and other camping skills.

Online Registration and Course Websites

Please pre-register! We need an advance head count so the volunteer training team has enough time to prepare handouts and purchase supplies, food, etc.

Visit www.mayflowerbsa.org/training to browse the list of courses and register. You can choose to pay by credit card or electronic check. We also post handouts, directions, things to bring, etc.

Every Scout deserves trained leaders!

Through training, you'll get the tools you need to run a safe, fun, and successful Cub Scouting program.

Vigil Honor Nominations

The Tantamous Lodge is now accepting nominations for the Vigil Honor.

Alertness to the needs of others is the mark of the Vigil Honor. It calls for an individual with an unusual awareness of the possibilities within each situation.

The Vigil Honor is the highest honor that the Order of the Arrow can bestow upon its members for service to lodge, council, and Scouting. Membership cannot be won by a person's conscious endeavors.

The Vigil Honor is a high mark of distinction and recognition reserved for those Arrowmen who, by reason of exceptional service, personal effort, and unselfish interest, have made distinguished contributions beyond the immediate responsibilities of their position of office to one or more of the following:

- Lodge
- Order of the Arrow
- Scouting community
- Scout Camp

Under no circumstances should tenure in Scouting or the Order of the Arrow be considered as reason enough for a Vigil Honor recommendation.

Any member of the Order of the Arrow registered in Scouting and in good standing in a regularly chartered lodge is eligible for recommendation to the National Order of the Arrow Committee for elevation to the Vigil Honor provided that, at the time of the recommendation, the individual has been a

Brotherhood member for a minimum of two years. A lodge may nominate a maximum of two percent of their registered Arrowmen once a year, through the Vigil Honor petition, found in the annual re-charter packet. At least 50 percent of all nominated must be under 21 at the time of nomination.

Eastern Equine Encephalitis (EEE) Virus

Eastern Equine Encephalitis (EEE) Virus Information

The Massachusetts Department of Public Health (MDPH) announced on 8/19/19 that EEE virus has been detected in mosquitos collected from areas within the Mayflower Council boundaries. As a consequence of this detection the Massachusetts Department of Public Health has raised the EEE risk level for many of these areas.

EEE is a rare but serious illness spread by the bite of an infected mosquito. While EEE can infect people of all ages, people under 15 years of age or over 50 years of age are at greatest risk for serious illness.

By taking a few, common-sense precautions, people can help to protect themselves and their loved ones:

Avoid Mosquito Bites

- **Be Aware of Peak Mosquito Hours.** The hours from dusk to dawn are peak biting times for many mosquitoes. Consider rescheduling outdoor activities that occur during evening or early morning. If you are outdoors at any time and notice mosquitoes around you, take steps to avoid being bitten by moving indoors, covering up and/or wearing repellent. Avoid outside areas with obvious mosquito activity
- **Clothing Can Help to reduce mosquito bites.** Although it may be difficult to do when it's hot, wearing long-sleeves, long pants and socks when outdoors will help keep mosquitoes away from your skin. Sleep with mosquito netting.
- **Apply Insect Repellent when you go outdoors.** Use a repellent with DEET (N, N-diethyl-m-toluamide), permethrin, picaridin (KBR 3023), IR3535 or oil of lemon eucalyptus [p-methane 3, 8-diol (PMD)] according to the instructions on the product label. Permethrin products are intended for use on items such as clothing, shoes, bed nets and camping gear and should not be applied to skin. Wear mosquito repellent when outdoors, especially between dawn and dusk.

The Mayflower Council will continue to work with the Boards of Health, the MDPH and other agencies.

For the most up to date information about EEE and reports of current and historical EEE virus activity in Massachusetts visit the MDPH website at www.mass.gov/dph/mosquito

Quick Notes

District Committee Position-Specific Training is now online! Starting this fall, you can now earn your "Trained" status online at <https://my.scouting.org>.

Reminder: Youth Protection Training (YPT) is on a two-year cycle. Our council follows the national standard. If you last took YPT in 2018, you'll need to renew it in 2020.

Hazardous Weather Training is the only thing standing between many of our "direct contact" leaders and the "Trained" patch. (It shows up as SCO_800 in unit training records.) It's only available at <https://my.scouting.org>. The BSA has not authorized an in-person version.

EVERY SCOUT DESERVES TRAINED LEADERS!

Kickoff for All Cub Leaders!

Join us in Franklin on 9/28 or Hingham on 10/26 for our Cub Scout Leader Training Festivals! This event includes training, resources to save you a trip to the office, and activities for youth while their parents get trained. Pre-registration is appreciated. Lunch is \$5; the rest is free!

Morning session (8:30-12:30):

- Position-specific training for your role (Den Leader, Cubmaster, or Committee Member). This is part of the requirements to earn the "Trained" patch. We're following the new national curriculum, which requires a full four hours—similar to online, but more fun!
- A variety of 1-hour workshops for people who've already taken position-specific training. Register now to tell us what specific topics you'd like us to include!

Afternoon session (12:30-2:00):

- Supplemental position-specific training for anyone who took the morning session and wants to be covered for additional positions.
- Additional workshops on topics of interest.

Making Sense of Training Records

We get a lot of questions about training records. Here are a few answers and tips:

- Every adult leader's *official* training record is the BSA's national database, called "ScoutNet."
- <https://my.scouting.org> is the way to see your official training record. Log in with your account.
- If your unit uses "Scoutbook" software, your training record in Scoutbook will NOT automatically match the official ScoutNet database. The BSA says they're working on making an automated connection eventually. Until then, update Scoutbook on your own.
- Your unit's "key three" can view *and fix* records in My.Scouting for all leaders in the unit. They can also designate a few more people to have this access. Visit https://filestore.scouting.org/filestore/idg/Security_Manager.pdf for instructions on delegating access.

If you took a training course but it's not showing up in your record, this could be happening for several reasons:

- Software glitch or multiple My.Scouting accounts
- Took training long ago, before there was a database
- Took training but it wasn't entered into database
- Took training with another council who didn't send us the records

A member of your unit "key three" can fix your record. Your district training chair can also help. Please show a copy of your training card or certificate to get credit.

Popcorn Pickup Locations

We have two distribution sites.

If you are in the Post Road District, Headwaters District or Metacomet District, you will pick up at:

**Cumberland Farms
165 Flanders Road, Westborough**

If you are in the Sachem District or Cranberry Harbors District, you will pick up at:

**Sysco Boston
99 Spring Street, Plympton**

Pickup Dates and Times: Please ensure someone from your unit picks up the popcorn during these times.

**Show N Sell: Saturday, September 11th
8:00 – 9:30am**

**Take Orders: Saturday, November 20th –
8:00 am – 9:30 am**

Before you leave you *must* sign your order indicating you have received all product. We will not be held responsible for missing items once you have signed your order.

That is right! You can have your popcorn in hand on Wednesday, September 8th (Westborough) or Friday, September 10th (Plympton). Your unit can start selling earlier than everyone else. We need lots of volunteers (must be 18+) to help sort the popcorn to get ready for Saturday morning pickups. Commitment is from 1:00 – 4:00 pm on one of those days.

We could also use a few hands on Saturday morning to help load cars. Please note, if you are helping at either warehouse, you will need to wear close toed shoes.
