Service Center Closure – Jan 15, 2018

In honor of Martin Luther King, Jr, the Marlborough and Canton Service Centers will be closed on Monday, January 15th.

Service Center Closure – Jan 5, 2018

The council service centers in Marlborough and Canton will be closed on Friday, January 5th to allow all Mayflower Council employees to attend the services and pay our respect for our friend and colleague Debbie Carey.

Council Service Center Adverse Weather Policy

With our first major snow of the 2017-2018 winter the council would like to remind our community about our adverse weather policy. The council follows the lead of the Canton & Marlborough school systems when setting it's adverse weather policy. If Marlborough Public Schools close, so does the Marlborough Service Center and if the Canton Public Schools close, so does the Canton Service Center. If the Marlborough or Canton Public Schools announce a delay (1 hour delay for example) the respective council service center delays it's opening by the same time. We encourage everyone to follow the weather and school closure reports of our media partner WCVB Channel 5 in order to stay informed and up to date on school closings and weather alerts.

Scoutbook Youth Advancement Sync

Calling all unit leaders—the Scoutbook Youth Advancement sync is officially underway!

All Scouting units with active Scoutbook subscriptions have

recently been invited to complete the Scoutbook Youth Advancement Sync with ScoutNet. The Scoutbook Unit Admins have been notified and given instructions on how to activate this sync by December 31, 2017.

This sync will allow units to approve advancement in Scoutbook, which can then automatically sync with the BSA national database. **Scoutbook users will no longer need to access Internet Advancement to track and report their unit advancement.**

Scout Shop staff should know that the Advancement Report from Scoutbook and the Advancement Report from Internet Advancement are both certified and should be accepted. The bottom of the Advancement Report from Scoutbook looks like this:

Starting January 1, 2018, units with active Scoutbook subscriptions will only be able to approve advancements for Scouts who are in the advancement sync. If you have not activated your unit and/or Scouts within your unit, you will not be able to approve advancements for that Scout(s).

Note that as a unit activates the sync, the unit can un-approve Scouts who have not yet been registered (entered into ScoutNet or My.Scouting) and continue the sync for the rest of the unit. Once registration is complete for the outstanding Scouts, the unit can then approve them and they will then be included.

Check out the user guide for more.

If you have any questions about the Scoutbook Youth Advancement Sync or if your Scouting unit has not received the sync instructions, please email Scoutbooksync@gmail.com.
