

Membership Card & Charter Certificate Printing

The Boy Scouts of America is committed to basic operations by putting tools in the hands of volunteers. For several years now, individuals and unit key 3 have had access to print membership cards through my.scouting. In addition, functionality will be added to my.scouting by January 1, 2019, to enable members of the unit key 3 to print their unit Charter Certificate.

This “self-service” functionality allows volunteers to print membership cards and the unit charter certificate in a timely manner and enhances the on-boarding experience for new youth and adults.

Units will need to print their membership cards and charter certificate, instructions for doing so are below.

Merit Badge University – Postponed

In an abundance of caution, the Mayflower Council has postponed the Merit Badge University and the adult training

classes being offered at the Southeastern Regional Vocational Technical High School on Saturday, March 2, 2019 due to weather conditions. While we share our participants' obvious disappointment, the safety of our participants and staff is most important. Weather tracking has indicated there is an elevated risk for significant snowfall in the area of the event. In addition, driving conditions are expected to deteriorate with the snowfall. Both of these factors have influenced this difficult decision. Saturday, March 9th will follow our Day 1 schedule and Saturday, March 23rd will follow our Day 2 schedule.

Mayflower Council Annual Report

Date: February 22, 2019

To: Mayflower Council Scouting Family

From: Council Key 3

Subject: Annual Report

Over the past year, the Mayflower Council has experienced success as well as faced some challenges, as we continue to work toward a unified council, focused on delivering the highest quality Scouting program to every young person who wants to participate. We have made great strides in improving the program and delivering the promise of Scouting to our

members. There have also been areas where we fell short of our objectives. We believe in the volunteers and staff of the Mayflower Council and, with everyone pulling together, we are confident that 2019 will be the best year ever for Scouting in Southeastern Massachusetts.

This message is intended to provide you with information on where we are doing well, and where we can use additional help. Attached is the 2018 Annual Report which clearly demonstrates the impact that Scouting is having in the 62 cities and towns that we serve. Providing over 136,000 hours of community service translates to nearly \$1,500,000 of positive impact within our communities, if each hour is calculated at minimum wage. Camping opportunities, Rank advancements, and service hours are all highlighted on the attachment. Imagine the impact that we could have if we were to reach the membership objective in our Long-Range Plan of 15,000 youth members within 3 years.

Membership is one area where we have fallen short of our objectives. This is also an area where each one of us can have a positive impact! In order to grow by 8%, or roughly 900 youth members per year, each of our Packs, Troops, Crews, and Explorer Posts would need to grow by an average of 3 youth members. That sounds like a pretty small number. How many youth could you add in your unit? Five, eight, maybe even ten? Think of the lives changed and the positive impact that happens both to and through these new youth members. With the addition of Lions and Family Scouting in Cub Scouts, Scouts BSA serving both boys and girls, and a renewed emphasis on Venturing and Exploring, we should be able to far exceed our membership objective of growing by 8%! What role will you play in expanding the reach of Scouting?

Although we had a small decline in our number of units in 2018, we have already organized and registered more units in 2019 than in all of 2018. One way you and your unit can help these new units get off to a great start is to reach out and

make sure they have what they need to deliver the program. Invite them to join you at one of your campouts or other activities. Let's make sure our new units and new members feel welcome and learn quickly to love the Scouting program the way we do!

The Investment in Character Campaign is another way you can help ensure that the Mayflower Council has the resources needed to deliver the promise of Scouting. The cost of providing quality facilities and support to our units is ever increasing and all council funding comes from local sources. Please consider making an investment in the local Scouting program through a unit presentation or online at: [Donate Here](#).

If you know of others who believe in the values of Scouting, please share this link with them as well so that they can consider making an investment in the character of thousands of local young people.

These are exciting times in Scouting! We have more opportunities than ever before, and we have the team that can expand this program in ways we can only imagine. Thank you for all you have done, and will do, to deliver the promise of Scouting to the youth that we serve!

The Mayflower Council, BSA publishes an annual report containing membership numbers, financial statements, and program updates. It is released each year during the Council Annual Meeting in late January.

Important: Online Youth Protection Update

Information about online Youth Protection Training:

At the end of February, the online Youth Protection Course will be replaced with an updated version. Help spread the word to all leaders that any courses in progress (completions of some but not all of the required four modules) will be lost when the course is updated. For example, if a leader had completed one, two, or three of the four modules, but had not completed all four, their completed modules will be erased and they will have to start over again to complete all four required modules. You must have completed all four modules successfully by February 28th, as the new Learning Plan will be launched March 1, 2019 .

If you have started-but not completed-the current Y01 (YPT-2) Youth Protection Training:

You must complete the training before March 1, 2019, or any progress you have made will not transfer, due to the new learning plan. Otherwise, you may simply start over with the new training plan on March 1, 2019.

If you HAVE already completed the current Y01 (YPT-2) Youth Protection Training:

You WILL NOT be affected. You DO NOT have to retake the training when the March 1, 2019 course is released.

This update will include new policies and procedures implemented since the course was first released in February 2018, however our Youth Protection and Health and Safety policies, guidelines and procedures are continually being updated and revised. The on-line version of the Guide to Safe Scouting is the single most up to date source of our commitment to Safe Scouting.

Youth Protection certifications will continue to be valid for a two year period.

When the course update is complete, four new VOLUNTARY modules will be added and will be available under the "VOLUNTARY programs." These include:

1. Physical Abuse
2. Neglect
3. Emotional Abuse
4. Witnessing Violence

These new, VOLUNTARY modules will provide leaders with knowledge about other forms of abuse.

Guide to Safe Scouting Has Been Updated

All participants in official Scouting activities should become familiar with the Guide to Safe Scouting. The Guide to Safe Scouting is an overview of Scouting policies and procedures gleaned from a variety of sources. For some items, the policy statements are complete. Unit leaders are expected to review the additional reference material cited prior to conducting such activities.

The Guide to Safe Scouting has been updated for 2019. Download or view the latest version by [clicking here](#)

Charter & Membership Processing Update

As many of you are already aware, membership registration has fallen behind due to an unexpected and prolonged situation leaving the Council Service Center short handed for several months. A solution through Registration Shared Services with the National Council is now in place and we are working feverishly with their help to get all membership entered. Because of the backlog, your District Executive might ask you for something that has already been submitted. Please understand it is our intention to get through the stack of papers without asking you for something twice but we may fail in this attempt. We sincerely apologize for the inconvenience this has caused for all of our Scouts and units and look forward to the day we serve you with efficiency.

All future registrations can be emailed to: membership@mayflowerbsa.org.

Thank you for your patience and understanding.

2019 Guide to Advancement Update Now Available

It is important that unit leaders and committees understand the advancement guidelines, and follow them. There is a summary of the changes near the beginning of the Guide. The 2019 update to the Guide to Advancement is now available

online here.
