

What the BSA News Means for Local Scouting

Dear Scouting Family,

We wanted to reach out to provide some information on a few things that have recently been in the news about the Boy Scouts of America and explain what it all means for Scouting in the Mayflower Council. As you may have heard, the national organization is exploring a potential Chapter 11 bankruptcy filing. The national organization is a separate and distinct organization from Mayflower Council and so, Mayflower Council would not be included in the bankruptcy. Nevertheless, the national organization has asked local councils to consider assisting in related negotiations and planning.

A filing by the national organization of Chapter 11 bankruptcy would have two key objectives: to equitably compensate victims who were harmed as a result of their time in Scouting and to continue to carry out Scouting's mission for years to come.

It is important for you to know that nothing is changing at this time, and no decisions have been made regarding a potential filing. We remain as committed as ever to delivering the Scouting program in our area, and to supporting the dedicated volunteers and Scouting families in our communities.

Your regular unit meetings and activities, district and council events, and all other Scouting adventures will continue as usual. Please be assured that all options under consideration by the national organization, including a potential Chapter 11 filing, will ensure that Scouting continues at all levels. Also be assured that there is no scenario under consideration in which Mayflower Council would

file for a Chapter 11 financial restructuring.

Our Council President and Scout Executive have been briefed on national's situation and have designated an attorney who will work with the newly created National Ad Hoc Committee to represent Mayflower Council in those discussions.

Our participation in the Ad Hoc Committee does not obligate us to contribute funds to this effort. As stated above, our Council remains an independent nonprofit organization separate from the national organization.

Please be assured that your Friends of Scouting (FOS) and other annual donations to the Council will continue to be used to pay for necessary day-to-day expenses that are critical to our ability to provide quality Scouting programs in our communities. Additionally, any restricted donation you have made or plan to make to our council can and will be used only for its designated purpose.

You may also be wondering why the national organization is considering these financial options now. The national organization is facing mounting financial strain from a significant increase in litigation related to past instances of abuse. One instance of abuse is one too many, and we are heartbroken that any child was ever harmed during their time in Scouting. It is important to note that the vast majority of these cases date back decades, some as far back as the 1940s, but they are surfacing now due to recent changes in numerous states' statute of limitations laws.

As members of the Scouting family, you know that the safety of children in our programs is our absolute top priority. Over many years, we have developed some of the strongest expert-informed youth protection policies found in any youth-serving organization. From mandatory youth protection training to policies like two-deep leadership, no one-on-one interaction between youth and adults, and mandatory reporting of any

suspected abuse, our volunteers and employees take youth protection policies and procedures extremely seriously and do their part to help keep kids safe.

In addition to our council staff, the 24/7 Scouts First Helpline (1-844-SCOUTS1) and email address (scouts1st@scouting.org) are also available to assist in reporting suspected abuse or inappropriate behavior. You can view all our safeguards and watch the youth protection training course that is mandatory for all volunteers and employees at www.scouting.org/youth-safety. In fact, this is a resource that you can share with friends and family who are interested in understanding what the BSA is doing to keep kids safe.

We know you may have additional questions about these issues and stories you see in the news. We created an FAQ to address as many of those questions as possible. If your question has not been answered in this letter or in the attached document, please feel free to reach out to us by [clicking here](#). We will do everything we can to provide helpful, transparent responses and ensure your Scouting experience continues to be a great one.

Thank you for your ongoing support and participation in our Scouting programs.

Background Check Disclosures/Authorization FAQ

Please note this information cannot be distributed with the original message or in any message with the disclosure forms due to laws specific to the transmission of these documents.

1. Is the BSA doing credit checks on volunteers?

- **No. The BSA will only use these signed authorization forms for approval to obtain a criminal background check.** State and federal laws regulating background checks and consumer credit checks require that both items be mentioned on the form since a full background check includes both parts. **Again, the BSA is only using this form for authorization to obtain a criminal background check.**

2. Why is this being done now?

1. Starting in 2020, rechecks will be performed every five years, but it will take several years to recheck all leaders. Unfortunately, technical limitations and changes in the law over the last five years prevent us from using existing authorizations from older applications. As such, new disclosure had to be sent and new signed authorization forms obtained. Rechartering provides the best window to collect and verify they have been received before the council processes the recharter application.

3. What about volunteers that are not registered with units?

- All currently registered adults and employees who have not had a criminal background check in the last five years will be rechecked. Mayflower Council will individually track district and council registered employees and leaders, including merit badge counselors.

4. What about those who did not get the forms by e-mail?

- Ample copies of the background check disclosure and agreement will be provided November Roundtable meetings and are available on our website at www.mayflowerbsa.org/recharter.
- Your unit leader, or the leader responsible for completing your unit's annual charter renewal, will ensure that each registered adult volunteer leader receives both the disclosure form as well as the authorization form. The council will collect all of your unit's authorization forms (we will not need to collect the separate disclosure page) at the time that your unit submits their annual charter renewal packet. District and council volunteers, including merit badge counselors, should submit the authorization to your district executive, mail it to the Marlborough Service Center, 2 Mount Royal Avenue – Suite 100, Marlborough, MA 01752 or you may email it to membership@mayflowerbsa.org.

5. What about those with multiple registrations?

- Only one authorization form per person needs to be collected and retained by the council. An authorization should be submitted with their primary BSA registration.

6. What happens if a unit leader does not provide an authorization?

- Leaders who do not provide new authorization will not be able to renew their registration.

7. Why can't the volunteer just reply to the original e-mail and attach their signed authorization form?

- The best way for us to ensure compliance is to require that the council registrar verify that a signed authorization form is physically in hand before processing a unit's recharter. This removes much of the potential error and associated penalties that could result from other methods. This will facilitate the process of ensuring that a current form is on file at the council service center before posting their registration.

8. Are there different forms for different states?

- Federal and state laws prescribe what must be in the disclosures and how they are to be provided. A form compliant with federal and various state laws was sent to all volunteer leaders except those in California. Leaders with a California home address or whose council territory includes California received California-specific forms due to the specific requirements of California law.

9. Can the council accept a faxed copy or scanned copy sent via email of the signed authorization?

- Yes, so long as it is legible and is sent by the individual who signed it.
- Your unit leader, or the leader responsible for completing your unit's annual charter renewal, will ensure that each registered adult volunteer leader receives both the disclosure form as well as the authorization form. The council will collect all of your unit's authorization forms (we will not need to collect the separate disclosure page) at the time that your unit submits their annual charter renewal packet. District and council volunteers, including merit badge counselors, should submit the authorization to your district executive, mail it to the Marlborough Service Center, 2 Mount Royal Avenue – Suite 100, Marlborough, MA 01752 or you may email it to membership@mayflowerbsa.org.

10. Can the council accept an electronic signature?

- Digital signatures from third-party providers are acceptable. E-mail confirmations, permissions or typed names on the form are not acceptable substitutes for wet signatures.
- Your unit leader, or the leader responsible for completing your unit's annual charter renewal, will ensure that each registered adult volunteer leader receives both the disclosure form as well as the authorization form. The council will collect all of your unit's authorization forms (we will not need to collect the separate disclosure page) at the time that your unit submits their annual charter renewal packet. District and council volunteers, including merit badge counselors, should submit the authorization to your district executive, mail it to the Marlborough Service Center, 2 Mount Royal Avenue – Suite 100, Marlborough, MA 01752 or you may email it to membership@mayflowerbsa.org.

11. What about unit renewals that have already been processed or will not recharter until after January 1?

- For unit renewals that have already been posted because the unit renewal date was prior to the email notification or the unit renewal date is after January 1, authorization forms still need to be collected as soon as possible. All new authorization forms should be received by December 31, 2019.

12. The authorization form states the BSA can share my background with other entities. Which entities are those?

- Background checks are conducted by the National Council of the Boy Scouts of America and shared with local councils for the purpose of conducting Scouting business. Local councils are separate organizations from the National Council of the Boy

Scouts of America.

13. Can the council require the forms be collected at the unit level and not sent to the council service center?

- Yes. The council can require the forms be collected at the unit level or by a designated unit representative.
- We want to clarify what is needed from you, and how this will be handled in our Mayflower Council:
 - **Every registered leader needs to review, sign, and turn in** the “Additional Disclosures & Background Check Authorization” form in order to renew their membership for next year.
 - **If your primary registration is with a unit**, please give the form with your original signature to your unit leader, or the leader responsible for completing your unit’s annual charter renewal, who will submit it with the recharter paperwork.
 - **If your primary registration is NOT with a unit**, please give the form with your original signature to your district executive, mail it to the Marlborough Service Center, 2 Mount Royal Avenue – Suite 100, Marlborough, MA 01752 or you may email it to membership@mayflowerbsa.org.

Membership Fee Frequently

Asked Questions

National Council, Boy Scouts of America Fee Increase FAQ

Q: Why are the fees increasing now?

A: While costs increase every year, the Boy Scouts of America has worked to keep the annual membership fee as low as possible to make Scouting available to as many young people as possible by subsidizing core costs, including liability insurance we must carry to cover all official Scouting activities. As the organization's financial situation has shifted, it is no longer possible to subsidize at the level we have in the past, especially as the cost of insurance has increased dramatically.

Q: Does this apply to youth members and volunteers?

A: Yes, the new fees apply for youth and adult members. Effective January 1, 2020, the new fees are:

- \$60 for youth members in Cub Scouts, Scouts BSA, Venturing and Sea Scouts,
- \$36 for youth members in Exploring, and
- \$36 for adult members (includes cost of background check and Scouting Magazine)
- \$60 for unit charter fees

Q: Is Scouting still a good value?

A: Absolutely! While most extracurricular activities are seasonal, Scouting is a year-round program that remains one of the most valuable investments we can make to support young men and women today so they can become the leaders we will turn to tomorrow. For most of our youth members, the new registration fee amounts to \$5 a month, which is an enormous value when you consider that many seasonal extracurricular activities often start at \$100 for programs that last a few weeks.

Q: Does the fee increase apply to council-paid memberships?

A: No. The cost for council-paid membership, sometimes known

as Scouting in Every Neighborhood, will continue to be \$24 for each youth member.

Q: What will the money be used for?

A: Every dollar of membership fees will go to cover the cost of essential services, including liability insurance for members participating in approved Scouting activities, background checks for adult leaders, program development and training resources, continuously updated youth protection and youth safety training, improved IT/digital experiences and services to our councils nationwide.

Q: Is this increase being implemented to cover the cost of the additional background checks?

A: No, the cost of background checks is not the prompting the fee increase.

Q: Why is this being announced now?

A: We recognize the timing of this fee increase creates challenges as units have already begun collecting fees for their 2020 registration renewal process, and we would not make this difficult decision if it were not absolutely necessary. Unfortunately, the cost of liability insurance we must carry to cover all Scouting activities has increased dramatically over the past several months, and the organization is no longer able to offset the cost of insurance. We are committed to supporting you through this process and are making necessary adjustments to the online rechartering system to ensure units can carry out the recharter process.

Q: Does this increase cover financial challenges the organization is facing?

A: The increase was prompted because the cost of liability insurance we must carry to cover all Scouting activities has increased dramatically over the past several months, and the organization is no longer able to offset the cost of insurance. The national membership fee also enables us program development and

training resources, continuously updated youth protection and youth safety training, improved IT/digital experiences and services to our councils nationwide.

Q: When will this increase take effect?

A: The new membership fees will take effect starting January 1, 2020 for the 2020-21 program year.

Q: Is financial assistance available?

A: We are committed to ensuring that all youth can experience the character-building benefits of Scouting regardless of their financial situation. In addition to the many existing council and unit membership assistance funds, we have established the donor-funded Growing Future Leaders Fund to provide financial support to those who need it.

Q: My council currently requires members to pay a council fee that offsets insurance costs. Does this change mean that fee is no longer necessary?

A: No, the liability insurance that we need to carry for all Scouting activities at the national level is different from local fees that are collected to address local needs, which can include expenses such as local property and accident insurance, as well as unique local programming costs.

Q: In addition to the national membership fee, my council has implemented a program fee. Is that allowed?

A: Councils currently charging a program fee must ensure that their fee is consistent with new rules for these fees within one year. Councils can choose to charge a local program fee, up to but no more than the national membership fee – up to \$60 for youth members in Cub Scouts, Scouts BSA, Venturing and Sea Scouts; up to \$36 for youth members in Exploring and up to \$36 for adult members. The local program fee can include local insurance costs (i.e., accident, property, etc.), as well as cost to administer unique local programming efforts.

Q: What happens if my council's program fee is more than the

national membership fee?

A: Councils that are currently charging a program fee more than the national membership fee have one year to adjust their fees in order to be in compliance with the new rules.

Q: What measures has the national organization taken to offset the financial challenges?

A: In addition to ongoing efforts to streamline and simplify the organization, the national organization has taken a number of steps in addressing its financial challenges, including the recent elimination of more than 35 positions at the National Service Center and ongoing consolidation of departments for the most effective utilization of resources in support of Scouting.

Q: Will the national membership fee continue to increase?

A: Although no decision about future increases have been made, the cost of operating our organization and services increases every year. Should it be necessary to increase fees in the future, the National Executive Board of the Boy Scouts of America has agreed to evaluate the needs and make such decisions, whenever possible, at the National Annual Meeting in May or early in the summer so that they can be announced with as much lead time as possible to allow for councils and units to be able to plan accordingly.

Mayflower Council Registration Fee Increase FAQ

Q: Is this fee increase applicable to units rechartering in December?

A: Yes, all Mayflower Council units are subject to the National registration fees. Unit charters are valid from January 1 – December 31 annually.

Q: Is the council activity fee increasing?

A: The Mayflower Council Executive Board has decided there will be no increase in the program activity fee. It will

remain at \$30 per youth member. Lions, Venturers 18 – 21 and adults are exempt from the program activity fee.

Q: Can you provide total fees by program for youth & adults in Mayflower Council?

A: Total fees for Scouts and leaders in Mayflower Council will be as follows:

Lions & Venturers 18 – 21:

\$60 National registration fee

\$12 Boys' Life Magazine (optional)

Cub Scouts, Scouts BSA, Sea Scouts & Venturers

\$60 National registration fee

\$30 Council program activity fee

\$12 Boys' Life Magazine (optional)

Adults & Exploring Participants

\$36 National registration fee

\$12 Boys' Life Magazine (optional)

Unit Charter Fee

(Unit Liability Insurance Fee)

\$60 per unit

Q: Will the council waive the program activity fee in 2020?

A: Because local councils do not receive any funding from National, the registration fee increase will not directly benefit the Mayflower Council. Local costs for insurance and providing program to our participants have not gone down nor are offset in any way by the increase in National registration fees. As a result, the Mayflower Council \$30 activity fee will continue in 2020; unchanged from 2019.

Q: Is there a discounted membership fee for families with multiple children?

A: The registration fees are set by the National Council of the Boy Scouts of America. The National Council has not

informed the council of any plan to offer a membership fee discount for families with multiple children in the program.

Q: Will the Mayflower Council be able to assist families who cannot afford the council program activity fee because of the National registration fee increase?

A: The Mayflower Council is committed to ensure that no family is turned away due to financial constraints. The Mayflower Council has created the program fee waiver program to provide financial assistance to deserving Scouts who would otherwise not be able to afford participating in Scouting. The Mayflower Council, in administering funds provided by concerned individuals, foundations, and others, will act as good stewards by offering careful judgment in providing program fee waivers and will act in complete confidence. Visit bit.ly/programfeewaiver to begin the application process.

Q: Do adults need to pay the council program activity fee?

A: No, the council program activity fee only applies to youth members with the following exceptions, Lions and Venturers 18 – 21 years old.

New National Registration Fee Announced

Scouting Family,

For more than 100 years, Scouting has helped build future leaders by combining educational activities and lifelong values with fun and adventure in the outdoors. At Boy Scouts

of America, we are dedicated to developing leaders of character by preparing young men and women for life by instilling in them the values of the Scout Oath and Scout Law. The timeless ideals of the Scout Law, such as being trustworthy, helpful, kind and brave, make up the foundation young people need to address and overcome challenges in their lives and the issues facing their generation.

Here in Mayflower Council, Scouting serves more than 11,000 youth in 62 cities and towns. Now as we continue the Scouting mission, it is important that we keep pace with an ever-changing world. While costs to the organization have increased every year, the Boy Scouts of America has worked to keep the annual membership fee as low as possible by subsidizing core costs, including liability insurance we must carry to cover all official Scouting activities. Unfortunately, it is no longer possible to subsidize at the level we have in the past, especially as the cost of insurance has increased dramatically. We kept the cost low to make Scouting available to as many young people as possible but keeping the cost artificially low for many years now magnifies the impact of changes.

To ensure we have the resources to fulfill the promise of Scouting despite increasing operating costs, the National Executive Board of the Boy Scouts of America has made the difficult but necessary decision to increase the annual membership fee effective January 1, 2020 to:

- \$60 for youth members in Cub Scouts, Scouts BSA, Venturing and Sea Scouts,
- \$36 for youth members in Exploring, and
- \$36 for adult members
- \$60 for unit charter fees

Every dollar of the national membership fee will go toward the cost of essential services, including liability insurance for those participating in approved Scouting activities, program

resources, safety standards, youth protection and personal safety training, and services to councils nationwide to sustain Scouting. The National organization will also continue to develop and improve resources that support our volunteers and youth members such as online registration, Member Care and Scoutbook, which now includes the Den Leader experience to ensure the safe and consistent delivery of Cub Scouting; as well as improvements aimed at simplifying the annual renewal process. In Mayflower Council, we will continue to bring Scouting to our communities and families through quality programs, delivered through our units, districts, and council volunteers and professional staff.

Across the country and in our own community, we know that Scouting remains one of the most valuable investments we can make to support young men and women today so they can become the leaders we will turn to tomorrow. From once-in-a-lifetime adventures to merit badges that spark interests and future careers; from campouts under the stars to service projects that leave a lasting impact on our communities; Scouting's year-round program expands horizons and provides young people with a safe and welcoming place to learn, grow, and thrive.

That is why we are committed to ensuring that all youth can experience the character-building benefits of Scouting regardless of their financial situation. In addition to our existing council and unit membership assistance, we have established a national Growing Future Leaders Fund, which is funded entirely through donations, to provide additional financial support to those who need it.

Thank you for your continued role in empowering a generation of future leaders of character through Scouting programs.

Finding A Merit Badge Counselor

The Mayflower Council is utilizing the power of Scoutbook to enhance the functionality of our merit badge counselor list.

HOW DO I ACCESS THE LIST

Go to Scoutbook.com and login to your account. If you have the proper rights, you will see it towards the bottom of your troop's page in Scoutbook (MB Counselor List on your dashboard). This list is available to adults who are indicated in Scoutbook as adult leaders and committee members in your troop.

If you do not see it, go to My Dashboard > Administration > My Account > My Positions and make sure there is a green shield next to your troop leadership position. If it is missing, one of your unit admins will need to approve your position.

FREQUENTLY ASKED QUESTIONS

Who will be on the list?

Registered and council-approved merit badge counselors in the Mayflower Council.

Who will see the list?

Adult leaders in troops who are on Scoutbook will see all the merit badge counselors who have indicated to Mayflower Council that they are willing to counsel within your unit or ones who have indicated they are willing to counsel more broadly.

What does it mean for me?

When adult leaders (including committee members) search for merit badge counselors in Scoutbook, you can be confident that the listed counselors are qualified to counsel on the merit

badge, have been approved by the Mayflower Council advancement personnel, and have stated a willingness to work with your unit or units across the council.

Why can't parents see the list?

The merit badge process directs the Scout to the Scoutmaster for a recommended merit badge counselor. That is why the Scoutmaster has access to the list and the Scout and parents do not. It keeps the Scoutmaster in the process. The merit badge process is as follows:

1. The Scout develops an interest in a merit badge and may begin working on the requirements.
2. The Scout discusses his interest in the merit badge with his unit leader (i.e., Scoutmaster).
3. The unit leader signs a blue card and provides the Scout with at least one counselor contact.
4. The Scout contacts the counselor.
5. The counselor considers any work toward requirements completed prior to the initial discussion with the unit leader.
6. The Scout, his buddy, and the counselor meet (often several times).
7. The Scout finishes the requirements.
8. The counselor approves completion.
9. The Scout returns the signed blue card to his unit leader, who signs the applicant record section of the blue card.
10. The unit leader gives the Scout the applicant record.
11. The unit reports the merit badge to the council.
12. The Scout receives his merit badge.

How often will the Scoutbook list be refreshed?

We will be refreshing the list by the seventh of each month.

What do I do if a Scout earns a merit badge at summer camp or with a merit badge counselor not on the list?

If the Scout earned a merit badge from a registered and

approved merit badge counselor, then a troop adult who has the authorization inside Scoutbook to mark merit badges or merit badge requirements as completed or approved will still be able to do so.

Can troop leaders and troop advancement coordinators sign a Scout off on a merit badge? are not authorized to sign a Scout off on a merit badge if they are not also a registered and approved merit badge counselor for that badge.

Troop leaders and troop advancement coordinators are only authorized to sign a Scout off on a merit badge if they are also a registered and approved merit badge counselor for that badge. However, you can record it in Scoutbook as completed and approved after the merit badge counselor has signed off (even if he/she does so outside of Scoutbook) after verifying that the Scout has a signed blue card from a registered and approved merit badge counselor.

Where can units who do not utilize Scoutbook go to find a list of registered and approved merit badge counselors?

Units should activate the Scoutbook account for their troop in order for leaders to be able to see the current list of merit badge counselors. [Click here](#) to find out how to get your unit started with Scoutbook.

Youth Protection Update

The Boy Scouts of America (BSA) and Mayflower Council are committed first and foremost to keeping youth safe. Part of that commitment includes continually updating our youth protection policies to help ensure we are always on the forefront of youth safety.

As you know, one of the BSA's many barriers to abuse is a

mandatory criminal background check during the adult volunteer application process. **The BSA will now also perform periodic rechecks of criminal backgrounds to support the continued safety of youth in our programs.**

In order to conduct these background checks, we need a couple things from all registered leaders. Please complete the process listed below at your earliest convenience to help us continue to provide the safest environment possible for our Scouts and leaders. **Please note that these steps must be completed before your 2020 membership renewal and unit rechartering can be processed.**

1. Review the Background Check Disclosure.
2. Then, review the additional disclosures on the "Additional Disclosures & Background Check Authorization" form, then complete and sign it using an ink/wet signature. Note: Digital signatures from third-party providers are acceptable. Email confirmations, permissions or typed names on the form are not acceptable substitutes for wet signatures.
3. Turn in the signed "Additional Disclosures & Background Check Authorization" form promptly depending on your registration.
 - **If your primary registration is with a unit,** please give the form with your original signature to your unit leader who will submit it with the recharter paperwork.
 - **If your primary registration is NOT with a unit,** please give the form with your original signature to your district executive, mail it to the Marlborough Service Center, 2 Mount Royal Avenue – Suite 100, Marlborough, MA 01752 or you may email it to membership@mayflowerbsa.org.

If you choose to decline the background check, or if you do not complete and return the Additional Disclosures & Background Check Authorization form, your personal

registration for 2020 will not be processed; this may delay the processing of your unit's rechartering paperwork. **Please note we need a signed authorization form from every registered adult leader.**

Thank you for making this investment of time to help protect our Scouts. We are truly grateful for your continued commitment to keeping youth safe and for helping them learn, grow, and thrive through Scouting programs.

BSA Background Check Update – Additional Info

- **Every registered leader needs to review, sign, and turn in** the "Additional Disclosures & Background Check Authorization" form in order to renew their membership for next year.
- **If your primary registration is with a unit**, please give the form with your original signature to your unit leader who will submit it with the recharter paperwork.

An Update on Scouting Registration Fees

As a valued member of our Mayflower Council Scouting family, we know we owe it to you to be transparent and communicate information we receive promptly.

Late Tuesday afternoon, the National Council informed us that registration fees for the Scouting program will increase effective January 1, 2020. This change is primarily due to increasing liability insurance costs associated with delivering a quality program across the country.

While we do not know the exact amount, the National Council committed to having the amount finalized in the next six weeks, once the National Board reviews the recommendations from a task force of volunteers and professionals assigned to review this matter. Unfortunately, this change will impact registration fees to be collected at rechartering.

We sincerely apologize for the timing and the inability to convey the amount of the new registration fee at this time, but felt compelled to quickly communicate what we learned as soon as we learned it. We recognize the timing of this fee increase creates challenges as units have already begun collecting fees for their 2020 registration renewal process.

Thank you for all you do to support and deliver Scouting to the youth of the Mayflower Council.

Upcoming Overnight Training Events Cancelled

Important message from the Mayflower Council Training Team

Because of the ongoing concern over the Eastern Equine Encephalitis (EEE) virus, the Council Training Team will NOT be running the Introduction to Outdoor Leader Skills (IOLS) course that was scheduled for September 27-28 at Camp Resolute or the Basic Adult Leaders Outdoor Orientation (BALOO) course that was scheduled for October 5-6 at Camp Squanto.

Overnight camping and outdoor activities are an integral part of the required curriculum for both of these training courses, and after considering the long-range weather forecast, the Eastern Equine Encephalitis (EEE) risk map, and feedback from many sources, we determined that we're not comfortable with the risk that these activities pose. Mayflower Council

Eastern Equine Encephalitis (EEE) Virus Information post.

For now, we're keeping the October 19-20 Introduction to Outdoor Leader Skills (IOLS) course in Wrentham open, as there's a better chance of a mosquito-killing frost before 10/19.

We will re-evaluate the risk as we get closer to the course dates.

Course directors will notify registered participants for the September Introduction to Outdoor Leader Skills (IOLS) and October Basic Adult Leader Outdoor Orientation (BAL00) courses and provide options for rescheduling.

We will add capacity to the October 19-20 Introduction to Outdoor Leader Skills (IOLS) course and look for a later date for Basic Adult Leader Outdoor Orientation (BAL00). We will also offer these courses again in the spring. Paid participants (those from out of council) can receive full refunds. We apologize for the inconvenience but appreciate your understanding as we seek to take reasonable precautions to keep all members of our Scouting family safe.

Please contact Lisa Olson if you would like to reschedule your September Introduction to Outdoor Leader Skills (IOLS) to the October 19th date.
