

Our Scouting Journey

My Scouting journey started with my father who was born during the Great Depression. He joined Cub Scouts only to drop out when his family could no longer afford to pay his dues. His dream was to give his family the opportunity to participate in Scouting that he never had. I joined Scouting as a Cub and continued as a Boy Scout eventually earning the rank of Eagle Scout. The first merit badge I earned was Canoeing. Little did I know that several years later I would put that learning to use in rescuing a group of 8th Grade girls on a school field trip who swamped their canoe and without life jackets started the long swim back to shore. I remembered the T-Rescue technique and with the help of a few friends got everyone safely back into their canoe. My Scout training helped prepare me for the unexpected and enabled me to effectively address what might have been a life-threatening crisis.

Having benefitted from the selfless service of leaders who influenced and supported me, I resolved as an adult to give back to the Scouting program and became an Assistant Scoutmaster and later Scoutmaster of a troop in California. Almost ten years ago my family and I moved to Massachusetts and my son began his own journey in Scouting. Now he has earned his Eagle and is beginning to prepare for college. For the past four years I have been able to serve on the Council Executive Board and in January assumed the role as Mayflower Council President. I have seen the amazing impact that Scouting can have on people – both youth and adults alike. The values and life skills Scouting provides to those that participate and volunteer are unparalleled in any other organization.

It has been said that the only two things in life that are certain are death and taxes. I might add a third – change. In 2017 we successfully merged the legacy Knox Trail and Old Colony councils into the Mayflower Council as well as our two

Order of the Arrow lodges into Tantamous Lodge. We hired our new Scout Executive, Bryan Feather, and consolidated our support staff, executive board, officers and council committees. In 2018 we will complete redistricting and introduce girls into our Cub Scout program. While change can be difficult, it is essential for continual growth and improvement. As the Mayflower Council leadership we are committed to growing membership, providing an amazing program to our youth and training our leaders. We appreciate all that you do! Scouting has so much to offer and we don't want anyone to miss out. I hope that each of us will reflect on our own personal Scouting journey and how we can help to create a new legacy as the Mayflower Council. Whether you are a youth or an adult, please invite someone you know to participate in Scouting and you will change their life for the better forever. Let's enjoy the Scouting journey!

Yours in Scouting,

Michael Rotar
Mayflower Council President

Youth Protection

Over the past two years, the BSA has worked with experts in the field of child abuse, child sexual abuse and maltreatment to develop new training and resources that will further strengthen our ability to protect youth. These changes include:

- Fully updated and revised Youth Protection Training developed with leaders in the field of child abuse prevention and includes insights from experts, survivors and the latest strategies for recognizing and preventing

major forms of abuse. This is the designated Youth Protection training for all adults.

- Expanded youth protection content across all our communications channels will inform and engage our volunteers and parents.
- An expanded National ScoutsFirst Helpline to aid volunteers and families in addressing potentially dangerous situations.
- The BSA also provides unlimited counseling and support for healing to anyone who has ever been abused in Scouting.
- Youth protection training for youth members will be available in 2019.

In addition to updated training and resources, the BSA announced new policies to ensure compliance with mandatory training requirements. These policies have been in place in the NCAC for a number of years. These policies include:

- As of January 1, 2018, no new leader can be registered without first completing youth protection training.
- As of January 1, 2018, no council, regional or national leader will be allowed to renew their registration if they are not current on their youth protection training.
- As of September 1, 2017, no unit may re-charter without all leaders being current on their youth protection training. Registrars no longer have the ability to approve charters without full compliance.

****Of Special Note****

By *October 1, 2018*, all new and currently registered leaders will be required to complete the updated training. The enhanced and updated content will allow leaders and councils to comply with all current legal requirements. While this may

be inconvenient for some, it reflects the BSA's commitment to the safety of all youth.

For camps this summer across the BSA:

Adults accompanying units on activities who are present at the activity for 72 hours or more, must be registered and take Youth Protection Training. The 72 hours need not be consecutive. If your unit desires to set a more strict policy, like ALL adults going to camp must be registered and have current YPT, that is certainly permitted.

This training is now available on my.Scouting at <https://my.scouting.org/>

Introducing ScoutsFirst Helpline

ScoutsFirst is a new national tool to help with questions, concerns and reporting. The ScoutsFirst Helpline also makes it easier for volunteers and families to address dangerous situations. If a leader or parent has a question about a situation, or something they've seen or if they want to report a possible incident, they can contact the Helpline for assistance. In cases of abuse, they should also notify the local authorities. **ScoutsFirst Helpline (844)-Scouts1 or (844)726-8871.**

ScoutsFirst for Counseling and Support. The Boy Scouts of America is committed to providing ongoing support to victims and their families, including counseling. We want to help victims heal, on their own terms, with a professional counselor of their choice. Through the ScoutsFirst Helpline, the Boy Scouts of America offers assistance with counseling to

any youth member, former youth member, or the family of any youth member who suffered abuse during their time in Scouting. To reach the ScoutsFirst Helpline, call **(844)-Scouts1** or **(844)726-8871**, or email **scouts1st@scouting.org**. Support is available 24-hours a day, seven days a week.

Coming Soon:

In-person youth protection training available June 2018.

Spanish-language resources will be available later in August 2018.

Youth protection training for youth members will be available in 2019. More details will be shared as they become available.

District Realignment is Here

You've probably heard about the Mayflower Council's district realignment plan in some way or another over the past few months. We are excited to report that on January 24, 2018, the Council's Voting Members unanimously approved the plan set forth by the District Operations Committee. The new realignment structure will allow the council to serve more youth within our communities and help us create the best possible Scouting experience for our families and volunteers. The new district realignment structure will permit the more effective assignment of Scouting professionals to support volunteers in the delivery of the Scouting program. To learn more, please visit our Council Districts page.

Council Service Center Adverse Weather Policy

With our first major snow of the 2017-2018 winter the council would like to remind our community about our adverse weather policy. The council follows the lead of the Canton &

Marlborough school systems when setting it's adverse weather policy. If Marlborough Public Schools close, so does the Marlborough Service Center and if the Canton Public Schools close, so does the Canton Service Center. If the Marlborough or Canton Public Schools announce a delay (1 hour delay for example) the respective council service center delays it's opening by the same time. We encourage everyone to follow the weather and school closure reports of our media partner WCVB Channel 5 in order to stay informed and up to date on school closings and weather alerts.

Scoutbook Youth Advancement Sync

Calling all unit leaders—the Scoutbook Youth Advancement sync is officially underway!

All Scouting units with active Scoutbook subscriptions have recently been invited to complete the Scoutbook Youth Advancement Sync with ScoutNet. The Scoutbook Unit Admins have been notified and given instructions on how to activate this

sync by December 31, 2017.

This sync will allow units to approve advancement in Scoutbook, which can then automatically sync with the BSA national database. **Scoutbook users will no longer need to access Internet Advancement to track and report their unit advancement.**

Scout Shop staff should know that the Advancement Report from Scoutbook and the Advancement Report from Internet Advancement are both certified and should be accepted. The bottom of the Advancement Report from Scoutbook looks like this:

Starting January 1, 2018, units with active Scoutbook subscriptions will only be able to approve advancements for Scouts who are in the advancement sync. If you have not activated your unit and/or Scouts within your unit, you will not be able to approve advancements for that Scout(s).

Note that as a unit activates the sync, the unit can un-approve Scouts who have not yet been registered (entered into ScoutNet or My.Scouting) and continue the sync for the rest of the unit. Once registration is complete for the outstanding Scouts, the unit can then approve them and they will then be included.

Check out the user guide for more.

If you have any questions about the Scoutbook Youth Advancement Sync or if your Scouting unit has not received the sync instructions, please email Scoutbooksync@gmail.com.

New Member Coordinator Position

Introducing the New Member Coordinator Position

Sustaining strong membership in a unit depends on having new members join the unit and engaging youth and their families in a welcoming manner that makes them want to stay. The role of the New Member Coordinator is to insure that both keys to success take place.

If you are interested in serving as a New Member Coordinator, now is the time! The Boy Scouts of America (BSA) is offering a “free” logo imprinted shirt or cap as an incentive to the first 2500 registered and trained New Member Coordinators (NMC) and the first 500 District-level Scouters.

Youth Protection Training

Update

As of September 1, 2017, Youth Protection Training is required for all adult leaders at the time of registration. Paper applications from new leaders must be accompanied by a Youth Protection Training completion certificate, which must be filed with the application.

Because completion of YPT is now required for all leaders at the time of registration, unit leaders must obtain copies of the completion certificates from the leaders who register online before approving their application.

With the upcoming renewal cycle, the Internet Rechartering system will be updated so that units cannot submit the registration renewal of any adult who does not have current YPT as of the effective date of the renewal. Completion of YPT as part of the online registration system will be required in a future update. Additionally, council registrars will no longer be able to override the registration system to register any leader whose Youth Protection Training is not current.

Effective for the 2018 BSA summer camp season, any adult accompanying a Boy Scout troop to a residence camp or other Scouting activity lasting 72 hours or more must be registered as a leader, including completion of a CBC and YPT, even if they are the parent of a youth on the trip.

Please Note: Although YPT is strongly encouraged for adults attending any overnight activity, at this time, the requirement applies only to individual adults staying three or more nights at a resident camp.
