Is It Scouting?

What is an official Scouting activity? An official Scouting activity is consistent with the values, charter and bylaws, rules and regulations, operations manuals, and applicable literature of the Boy Scouts of America.

So, what is the program of the BSA? Collectively, it is all the books, literature, training, materials, policies, and guidelines provided by the BSA. The program is not something you create and call Scouting but something that can be found in the resources provided by the BSA. It develops leadership, character, and physical and mental fitness when executed properly

To report service hours to JTE, follow the instructions below. Every person and hour counts. Please be sure to use our link to report food collected directly to the council as we do not have access to that data through JTE, only your hours reported roll up to the council score.
