New Event Registration & Calendar Platform

Our council has begun transitioning to a new online event registration platform named Black Pug, which is used by almost half of all Boy Scout councils nationwide. The previous system, Doubleknot, was a major step forward when we adopted it nearly 16 years ago. After careful, thoughtful and detailed evaluation we believe the Black Pug platform will be an improvement, addressing multiple issues brought up by our members and volunteers and improving your experience when signing up for camps and other activities and accessing the council calendar.

The transition to Black Pug has already begun. Many of our recent events and summer camp sign-ups have been utilizing the new platform. Black Pug will soon become the new platform for the council calendar providing many of the most requested features including calendar subscription links and RSS feeds. We anticipate the full integration of Black Pug into the council website to be completed by June 1.

Individuals and units will have until July 31 to archive any data on the Doubleknot system they wish to retain and we will be sunsetting Doubleknot in Mayflower Council in early August.

We are excited to be sharing this new event registration system with you and we thank you for your patience as we make this transition. We look forward to serving you better. If you have any questions or need assistance with Black Pug please contact Lisa Olson our Black Pug subject matter expert.
