Changes Coming in My.Scouting

A new Position Manager tool, found on the Organization Manager page of My.Scouting, will be rolled out in the next few days. This new tool updates and replaces the current Organization Security Manager and gives any currently chartered unit the ability to change leader registrations without having to fill out applications and take them to the council service center.

Position Manager will allow Chartered Organization Representatives and their designees to change any leader positions, except the Chartered Organization Representative, with the drag of the mouse. It will require an overnight sync, and then the new leadership position will be updated in the unit.

The assignment of functional assignments like key 3 delegates and membership chair can be done in Position Manager, too. The below job aid will illustrate the new tool and its features.
