

# Guidance Regarding COVID-19 for Scouting Events

The Mayflower Council is excited to provide to our units the Reopening Scouting information and documentation needed for any Mayflower Council unit to re-engage in unit meetings, activities, outings and/or service. There are some new required procedures before re-engagement can occur. Below is a 4 guidebooks for all units and registered members/families to follow prior to re-engaging at any level of participation. These documents and required forms are necessary for the protection of our members (including our youth members), volunteer leaders and chartered partners, and the Mayflower Council and the BSA. The purpose of these precautionary procedures and steps is to mitigate certain risks and liabilities that unit leaders and others may be exposed to in connection with the reopening of Scouting in Mayflower Council while facilitating the ability to provide a first-class program to the youth we serve.

Please read and abide by these guidelines before re-engaging. If you have questions or concerns please contact us by email.

**April 5, 2021 COVID-19 Council Operations Update**

Effective today, April 5, the Mayflower Council is amending our recommendation for carpooling to and from Scouting events to be as follows:

The Mayflower Council still believes that transportation to and from activities should be made within family units and carpooling should be discouraged.

Should a unit decide to permit carpooling to and from Scouting activities, the following best practices are recommended, based on guidelines from the CDC and Commonwealth of Massachusetts:

- Youth protection guidelines must always be followed.
- Any youth who will be traveling in a vehicle with multiple individuals must have their parent's/guardian's written permission. Any adult who will be traveling in a vehicle with multiple individuals – including the driver – must give their consent.
- Each passenger in the vehicle must wear a mask covering their nose and mouth at all times while inside the vehicle. Cover coughs and sneezes. When outside of the vehicle, individuals should maintain a distance of at least 6 feet from one another.
- To increase air circulation, it is best to open windows or set the air ventilation/air conditioning on non-recirculation mode.
- Occupants should refrain from eating or drinking while in the vehicle to ensure mask use at all times. Plan to

eat and drink outside of the vehicle when you are not near other people.

- Occupants should stay in the same group/vehicle for all portions of the trip, including return trip.
- For trips longer than 1 hour, every effort should be made to leave open seats between second (and third) row passengers.
- Use proper hand hygiene. Hands should be washed before and after the trip. Hand sanitizer should be used where proper hand washing is not possible.
- High touch areas inside and outside of the vehicle (door handles, seat belts, etc.) should be disinfected before and after each trip.
- Unit leaders should maintain a list of passengers in each vehicle for at least 30 days after a trip, to facilitate contact tracing.

## January 22, 2021 Update

Yesterday, Commonwealth of Massachusetts Governor Charlie Baker announced that the stay at home order would expire on Monday, January 25 at 5am. Therefore, effective Monday, January 25, 2021, the Mayflower Council will be reopening our three camps to overnight outdoor camping. Camp Resolute and Nobscot Scout Reservation will be open for weekday and weekend overnight camping and Camp Squanto will be open for weekend overnight camping. Our camps will also continue to be available for day use and cabins will remain unavailable for the foreseeable future.

The number of units that we can accommodate at our camps for overnight camping will be reduced in order to comply with the 25% capacity restrictions imposed by the Commonwealth thru at least February 8, 2021. Occupancy of each campsite remains limited to a maximum of 12 occupants per campsite.

The following size limits for gatherings remain in effect: indoor gatherings are limited to 10 people and outdoor gatherings are limited to 25 people.

November 3, 2020 Update Rick Riopelle 2020-11-03T18:40:33-05:00

## November 3, 2020 Update

Dear Scouting Family,

Yesterday, Commonwealth of Massachusetts Governor Charlie Baker announced COVID-19 Executive Order #54 which states that, effective Friday, November 6th, there will be a stay at home advisory for the hours between 10pm and 5am. Governor Baker also implemented additional limitations on gatherings in outdoor venues.

Therefore, effective Friday, November 6, 2020, the Mayflower Council will be closing our three camps to overnight camping until further notice. Our camp will remain available for day use and cabins will remain unavailable for the foreseeable future. Units with current overnight reservations will be contacted to determine if your unit would prefer to transition their reservation to "day only," or simply cancel.

The order also reduced the size limit for gatherings at private residences: indoor gatherings at private residences are limited to 10 people and outdoor gatherings at private residences are limited to 25 people. The limit on gatherings held in public spaces and at event venues remains the same. It also requires that all gatherings (regardless of size or location) must end and disperse by 9:30 PM.

All previously announced COVID-19 restrictions continue to be in effect. For the most up to date council guidance refer to [www.mayflowerbsa.org/covid-19](http://www.mayflowerbsa.org/covid-19).

The new COVID-19 restrictions continue to make delivery of a quality outdoor Scouting program difficult. These restrictions have us facing a complicated environment for Scouting. We are challenged with recruitment, training, cancelled events, finding appropriate places to meet and parents who are concerned about their children being around others. Additionally, school is not normal, home is not normal and we

are restricted from friends and activities as we navigate this uncertain landscape. We can, however, still give youth an amazing program.

To help keep Scouting going our council has created the virtual Yeti Cubs program that sends a weekly email to every Cub Scout family to help keep their child on track with Cub Scout advancement, monthly virtual pack meetings, virtual merit badge classes, and quarterly virtual campfires. Our training team has also offered a wildly popular best practices for conducting virtual meetings; and will be offering an updated version soon. We continue to develop COVID-19 friendly methods to bring Scouting to our membership.

In all that is currently going on in the world, it would be easy to throw up our hands and declare it just too tough. However, our youth need leadership. Our youth need you. Keep calm and continue Scouting! Thanks for all you do, no matter how tough.

Yours in Scouting,

Scouts BSA Summer Resident Camp Cancelled

June 11, 2020 UpdateRick Riopelle2020-08-23T19:30:49-04:00

## **June 11, 2020 Update**

Dear Scouting Family,

The Mayflower Council leadership is committed to resuming Scouting's in-person meetings and activities as our Commonwealth, local authorities and the Council's COVID-19 Task Force deem it safe to do so. At this time, our Commonwealth remains in Stage Two of the Reopening Massachusetts four phase plan issued by Governor Baker.

On Monday, June 15th the Mayflower Council's district and council activities, as well as Scout unit meetings and activities, are permitted to resume in-person, with limitations. Many of you have been looking forward to being able to gather together again to work on advancement, go camping, and complete service projects; but we also want to ensure these activities are being done as safely as possible.

In order to mitigate the health risk of spreading COVID-19 to our volunteers, staff, and Scouts, the Mayflower Council is providing the following guidelines. These recommendations are designed to mitigate risk, but all participants need to be aware that any activity puts them at some risk of exposure. Please remember that some who are exposed to COVID-19 could be asymptomatic. If a person becomes infected, they may become asymptomatic carriers and could infect other people unknowingly.

- **Before resuming any meetings or activities, check with your charter organization to ensure they approve.** Some charter organizations are not opening their facilities for meetings or have imposed additional restrictions on group meetings and activities. Rules or guidance from your charter organization must be followed. Please respect their wishes.
- **Currently Camp Squanto & Adventure Day Camp at Camp Resolute will be open solely for programs hosted by the Mayflower Council in June, July & August.** We intend to open Camp Resolute and Nobscot Scout Reservation for tent camping later in the month and will share additional information on our website as soon as it is

available.

- Individuals at higher risk of severe illness (older adults and people of any age who have serious underlying medical conditions) should consult their physician prior to participation in any group activities.
- All participants should review their current health prior to participating in any activity. Individuals with temperatures higher than 100.4 and other symptoms of COVID-19 should not participate.
- All units must keep a detailed roster of participants for all meetings and activities, so they are prepared in the event that contact tracing is required.
- All individuals who believe they may have been exposed to COVID-19 must quarantine for 14-days prior to participation in any Scouting activity.
- Outdoor meetings are highly encouraged.
- All persons should remain at least six feet apart to the greatest extent possible, both inside and outside.
- **Group meeting size must be limited to no more than 10 people** (8 youth and 2 adults). While we realize there are a number of troops and packs with more than 10 youth, this number is set by the Commonwealth to allow for appropriate social distancing and efficient contact tracing in the event of potential exposure. Activities done in small groups (den meetings and patrol meetings) are preferable.
- We encourage you to postpone any large meetings or activities and continue virtual gatherings where possible, utilizing conference calls or online video conferencing.
- Transportation to and from activities should be made within family units. Carpooling should be discouraged.
- Each Scout and adult are required to wear a face covering.
- Handwashing and sanitation of shared supplies must be done between use.
- Sleeping arrangements on camping trips should be limited

to one person per tent, unless they are family.

- Families/siblings do not need to maintain social distancing for transportation, sleeping, or meetings.
- Six foot distancing should be maintained when practical during hikes, bike rides, and other follow the leader activities.
- All local, state, and federal safety guidelines should be followed. Please review guidelines for not only your unit's meeting location, but the location of any camping/activity destination.
- Ensure all Boy Scouts of America Youth Protection guidelines are adhered to.
- It is recommended that these guidelines be shared with each member of your unit and posted during all meetings and activities. Units should obtain written permission from parents stating that they have reviewed these guidelines and consent to having their child participate in Scouting activities. Keep these permissions with the unit health forms.

Finally, as Scouts, it is important that we demonstrate the principles of the Scout Law now more than ever before. As restrictions begin to lift, individuals within your Scout unit may have varying levels of comfort or anxiety. It is our responsibility to be kind while being helpful and friendly and demonstrate empathy and respect to everyone, even if they have beliefs different than ours. As we move forward let's be cheerful and brave while showing obedience to the rules, regulations and guidance of our Commonwealth, Mayflower Council, and chartered organizations.

Take care and be well,

May 25 Council Update Rick Riopelle 2020-08-23T19:30:37-04:00

## May 25 Council Update

Dear Scouting Family:

We hope that you are safe and healthy during this challenging time. Over the past several months, your Council leadership has been carefully monitoring the impact COVID-19 has had on our communities and on our Scouting program. While we are hopeful that restrictions will soon be adjusted to allow for some version of face-to-face Scouting meetings and outdoor activities, we are not quite there at this time. State guidelines still limit group size to no more than 10 people and camping, parks and select sports are planned to reopen in Phase 2. **For the safety of our Scouts, Scouters and community, we are extending the suspension of all face-to-face meetings, events, activities, trips and our property closures through June 15th, which is consistent with the phased reopening of the Commonwealth of Massachusetts.**

Council leadership will revisit our restrictions again when information on Phase 2 is released by Governor Baker. At that time, we will provide information on approved activities that will best protect our Scouting family while continuing to follow the guidance of our local, state, and national authorities.

We are excited about the future and look forward to re-engaging in weekly unit meetings and the outdoor programs that we all know and love. These programs may look a little different, as we work to mitigate risk, but we are confident in the Scouting spirit and the tremendous value our program provides to the young people we serve.

We look forward to seeing you on the Scouting trail soon!

April 24 Council Update Rick Riopelle2020-08-23T19:36:19-04:00

## **April 24 Council Update**

Dear Scouting Family:

We hope that you remain safe and well during these unusual times. Like you, we are carefully monitoring the impact COVID-19 has on our communities and the guidance from our public officials, especially mandatory closure dates. **For the safety of our Scouts, Scouters and community, we are extending our closures through May 31.**

This means all in-person Scouting activities of any type remain prohibited through May 31. We have previously communicated that our guidance supersedes all other Scouting guidance, including that from the National Council Boy Scouts of America. Should any guidance from your chartered organization or your local health department be more

restrictive, please also follow those restrictions.

We are inspired by our Scouting families for their determination to continue Scouting during these challenging times. Whether it is virtual meetings and activities or making cheerful cards for the elderly in nursing homes, Scouting continues to thrive across the communities in our council. Our Scouting at Home page has support for all our programs. These activities will help Scouts earn our new Scouting at Home Award patch, which you can learn more about here. We'd love to hear any ideas or resources you have, please share them with us at [scoutingathome@mayflowerbsa.org](mailto:scoutingathome@mayflowerbsa.org) or on our Facebook page.

We are hosting a plethora of virtual meetings, events and activities to keep our Scouts active. For our Scouts BSA members we have launched virtual merit badges, beginning in May we will offer our Cub Scouts weekly den meetings, for our entire Scouting family we're hosting our second virtual campfire as well as a Camping At Home Challenge, and we're excited about the National Camp-in on May 2.

Our teams at Camp Resolute, Adventure Day Camp and Camp Squanto are excited to welcome you this summer and we anticipate a fantastic experience. **There is no risk for families and units of losing money by signing up for Mayflower Camps now.** In the event that camp does not open or has a shortened season due to COVID-19 and your troop or campers are unable to attend during your scheduled time, all camp fees paid will be refunded. Read more about summer camp here.

We are all learning new ways to do Scouting and are succeeding. In many ways, this crisis has brought all of us closer together even from a distance. For over a century, Scouting has been all about being prepared. In a sense, we have been preparing for times like these for over 110 years. Our Scout motto of "Be Prepared" tells us that we are ready for this challenge.

Thank you for all that you do for Scouting.

Message from our camp directors

March 26 Council Update Rick Riopelle2020-08-23T19:27:35-04:00

## **March 26 Council Update**

We hope this letter finds you and your family well during these unprecedented times. Everyone has spent the last several days and weeks learning about COVID-19 (coronavirus) and how it's affecting our community. Families are adjusting to stay-at-home advisories and coping with school closures.

The Mayflower Council priority is to keep our Scouts, volunteers, staff, and their families safe as well as demonstrate good citizenship in our communities by considering the needs of those around us.

As the threat of COVID-19 increases, most states, local governments, and school districts have either issued or extended stay-at-home advisories. **As a result, we are extending the stoppage of all Council, district and unit face-to-face Scout activities, face-to-face meetings, as well as Camps and Council Service Center closures through April 30.** As a reminder:

- **All face-to-face Scouting activities are canceled effective immediately through April 30.** This includes unit meetings (including patrol and den meetings), campouts, activities, trips, Pinewood Derbies, Blue and Gold Dinners, in-person fundraisers, service projects, Court of Honors (including for Eagle Scouts), etc. Please continue to work with your Scouts via digital and electronic methods whenever possible.
- **All face-to-face council-level and district-level events and meetings are canceled through April 30.** This includes Roundtable, training events and committee meetings. Please use all digital and electronic means available to conduct your meetings.
- **All Council Camps are closed through April 30.**
- **The Council Service Centers are closed through April 30.** Our staff will be working remotely and respond to all calls, emails and postal mail.

This is most certainly a fluid situation. We will continue to align with best practices and policies set forth by state and local governments, municipalities, and schools. In the future, restrictions may be reduced or lifted within areas of the council thereby restoring Scout activities, face-to-face meetings, and the reopening of council service centers and camps in that area. Should changes to closures be warranted, we will promptly communicate with you.

We have been working to identify and encourage opportunities for Scouts to continue meeting with their units virtually, learn new skills, earn merit badges and advancements, and – most importantly – to do their part in giving back to their communities. We wanted to share with you some resources we've gathered that you might find helpful while planning activities at home for your families and staying up-to-date with Scouting during this pandemic. [Click here](#) for our most current list of resources.

Together, we can help flatten the curve of this rapidly

spreading virus and keep everyone safe. Stay positive, have faith, and know the health and well-being of our Scouts, volunteers, staff, and their families are our number one priority!

Take care and be well,

March 12 Council Update Rick Riopelle 2020-08-23T19:27:20-04:00

## **March 12 Council Update**

As we informed you in our email on March 9th, we have been monitoring the situation regarding the COVID-19 "Coronavirus". Since then, the situation has worsened: the World Health Organization has upgraded the virus to pandemic level and Governor Charlie Baker has declared a state of emergency. Therefore, **effective immediately, we are suspending all council and district in-person group meetings, trainings, activities, events, etc. through April 7.** We ask districts and committees to conduct their work virtually where possible to help carry on the important work of service to our youth.

**We recommend that individual units suspend in-person meetings and activities, and to leverage technology to deliver the program to our youth during this time.** While the majority of youth are at low risk from this illness, limiting group exposure can help to slow the spread of COVID-19 to at-risk members of our community. Community service comes in many forms. This course of action ensures that we do our part to

protect others in our community-at-large and is in keeping with the values embodied in the Scout Oath and Law.

We encourage you to take standard precautions outlined by the CDC, including hand washing, covering coughs and sneezes, and staying home if you are ill. Please visit this page for additional information: [www.cdc.gov/coronavirus/2019-ncov/index.html](http://www.cdc.gov/coronavirus/2019-ncov/index.html)

As always, we will continue to monitor the situation and keep you informed.

## **Unit-Level Activities**

The Mayflower Council recommends that individual units

minimize in-person meetings and activities, and to leverage technology to deliver the program to our youth during this time. All units should comply with their charter organization's policy on meetings and gatherings regarding unit-level activities. Our Scout's safety should be our number one priority. Please utilize guidance provided by your local authorities, school districts, and chartering organizations in determining whether to cancel or postpone your events.

## **BSA Policies to Prevent the Spread of Illness**

The Boy Scouts of America continues to have policies and procedures in place that help protect participants from contracting an illness at large Scouting events. These include

the Annual Health and Medical Record and the Pre-Event Medical Screening Checklist.

## Everyday Preventive Measures

Even with those important policies in place, it is critical that we all take these everyday preventive actions to help prevent the spread of respiratory diseases:

- **Stay home when you feel sick.**
- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth, and wash your hands before and after doing so.
- **Cover your cough or sneeze with a tissue, then throw the tissue in the trash. If you don't have a tissue, cough or sneeze into your upper sleeve/elbow, not your hands.**
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Do not share personal items such as cups, water bottles, eating utensils, etc.
- Avoid shaking hands.
- **Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.** If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.

If you have a fever, cough, or other symptoms associated with COVID-19, or if you believe you may have been exposed to COVID-19, you should isolate and not attend any Scouting events. People who think they may have been exposed to COVID-19 should contact their healthcare provider immediately.
