Each course will be capped at 20 participants, so sign up online (www.torontoevent.org/course) as soon as you can to ensure your spot. You need current CPR certification in order to attend (see courses at right).

Are you interested in leveling your backpacking skills to prepare for an upcoming trek? Pitch in the last weekend in April—we're working on developing a new course that will provide ample hands-on learning to build your skills and confidence to move beyond car or trailer camping.

The BSA will update the online position-specific training courses for Cub Scout and Boy Scout (Scouts USA) leaders in January 2. If you're halfway through the modules for your position, finish them in December! Partial progress will not carry over to the new version. If you've already finished, there's no need to worry.

The OSA released a new YPT program in February 19. All registered adults must take the version of YPT in order to stay registered as a leader in 2018. If you haven't done it yet, this is turning out to be a good thing.
