

# Summer Camp Update – April 2021

## Join Us for Our Monthly Summer Camp Update Meetings

Each month we will host an update meeting for leaders and parents on our summer camp programs. Our goal with these updates is to keep you up to date on this year's summer camp programs. Meetings will be no more than 90 minutes and will allow time for Q&A.

As always, the safety of all our members, volunteers, and employees is the Mayflower Council's top priority. As such, we are taking a careful and informed approach in evaluating how to run summer camp this year. Since the end of last camp season, we have been continually monitoring the ever-changing situation, consulting with health experts, government officials and other camp professionals. There are still many unknowns but our intention is to be sure you always have the latest information.

We hope you'll join us and stay up to date on summer camp programs for this summer.

The link to join our meeting will be sent to the email address provided after you complete your registration.
