

Cranberry Harbors Annual Mtg/Recognition Event

All Charter Organization Representatives and District Members-At-Large will receive an invitation to join the Cranberry Harbors District elections where we will vote on our slate of new Cranberry Harbors District operation committees chairs. This is an official meeting for our stakeholders and charter partners to have a say in who will guide and set leadership for our district.

Join us for an event of recognizing the amazing, hard working, dedicated Scouters of Cranberry Harbors District!

Registration opens on April 4 and will close on May 18.
