

# Mayflower Council Feb. 2025 Roundtable

Slides from our February Mayflower Council Roundtable are posted below, along with supplemental data from the session, including the Winter Safety Moment, “Normal Friends Activities” sheets (including Winter NFA’s, Talking to Friends about Scouting, Five Steps for an open house, and Parent engagement to boost membership), Supplemental Training Information, and Building the Unit Leader Team. During the breakout session, there was discussion on using parent talent surveys to help build better Unit Leader Teams. Parent survey forms (from BSA National) for Packs, Troops and Crews are also posted – I could not find one for Ships. Please feel free to modify these forms as you see fit for your unit’s use. Our next roundtable will be at the Furnace Brook Middle School in Marshfield (and broadcast on the Council’s zoom platform) on Wed. Mar. 12. I hope to see you there.
