

Metacomet Stay-at-Home Cub Scout Activity Ideas

Online/Virtual Meetings

- One Den was setting up a service called Jitsi to host virtual Den Meetings
- Virtual Rank Advancement Ceremony – – Many packs Blue and Gold dinners were cancelled. Cubmaster could host Webinar and recognize the Cub Scouts that earned ranks etc. Thought was that recognizing sooner rather than later would be more significant to the Scout.
- MidAmerica Council conducts virtual “den” meetings that are open to everyone. These meetings are based on completing a Cub Scout Adventure and earning a coveted belt loop. Meetings are open to all and are based on Cub Scout Year. For example, Monday is Tigers, Tuesday Wolves, Wednesday Bears, Thursday Webelos. Meetings require pre-registration but are free to join. The schedule is updated frequently

Virtual Tours & Fun “Trips” For Example many organizations are hosting live or recorded activities. Den leaders could pick one, encourage Scouts to complete it with their family and have a web meeting to discuss what they saw learned. Other organizations have live Webcams allowing Scouts to see what’s happening without leaving home. Organizations offering programs like this include:

Other Virtual Ideas and Activities

- Career Day – Parents would discuss their career either via recorded video or live webinar.
- Virtual Project or Collection Fair – – Have Scouts share their collections or something they have been working on. Gives Scouts ability to present something important

to them to their friends. This adds enough structure and variety to a webinar to keep Scouts engaged

- Virtual camping trip where each scout camped in their backyard and they met online around a virtual camp fire and did scout songs and skits (done by the scout or scouts if more than one in the family, or the scouts family).
- Team scavenger hunt using “Goose Chase” application.

- Purchase or collect components of and deliver “Genius Kits” to have a project. Dens can do together via video conference. The kit would include needed components for a specific activity.

- Rocket Day – – Purchase or have families rocket kits. Scouts to assemble rocket at home Launch Day, ask Scouts to arrive as Dens at staggered arrival times to keep group size down. Ask parents to pre-pack Rocket parachutes & have prepacked engines that can simply be inserted into rocket. Set up so each Scout can launch 3-4 times and be on their way before next Den comes.
- Plan outdoor hikes on local conservation property.
- Down-town scavenger hunt. Post clues in local business store windows. Scouts and their families would search for clues and take pictures in front of the business. Businesses would benefit from increased traffic; unit would get to post pack logo in store window over a weekend.
- Bike Safety / Bike Rodeo – Set up outdoor bike course in School or Church parking lot. Ask local Police to come and speak about how to bike safely. Try to get a local bike shop to teach basic maintenance to the Scouts.
