Museum of Science Overnights

Ever wonder what happens to the Museum at night? The Overnight Program allows Cub Scouts and their adult chaperones to discover science in an entertaining, educational, and interactive way through hands-on science activities, a Theater of Electricity Lightning! show, science demonstrations, an Omni film, time to explore the Museum, and much more. Plus, where else do you have a chance to sleep under a dinosaur or a giant grasshopper?

Dates for 2019 – 2020

Decide on a date as soon as possible. Spaces fill up quickly.

- **Saturday, November 16, 2019** – Check Availability & Register
