Scouting for Food

A Cub Scout promises to “give goodwill”, a Scout BSA promises “to help other people at all times.”, and a Venturer promises “to help others”. There is no better way to show your Scouting Spirit than by participating in the annual Scouting for Food drive! Now is the time to show your community the Scouting values of being loyal, helpful, kind and cheerful.

Scouting for Food is when you and over 10,000+ other Scouts throughout the Mayflower Council, BSA help make a difference to fight hunger.

This council-wide service project begins typically is held late October as Scouts distribute door hangers in their neighborhoods to announce the upcoming food drive. Scouts return the following Saturday, in November to pick up and deliver donations to their local food banks and pantries.

How can you help make a difference? Talk to your Scoutmaster, Cubmaster or den leader today and let them know you want to help make a difference in your community.
