Volunteering

Behind every trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent Scout is a long line of committed volunteers who share those same traits. Volunteering has always been the very bedrock of the Scouting program.

Volunteering is the key that unlocks the confidence kids need to stand on their own two feet. But it also opens the door for adults to share inspiring experiences with their own child, make friendships that will last a lifetime, and put a bunch of good kids on the path to a great life. Ask any of our volunteers and they’ll tell you, volunteering with Scouting is as rewarding to them as it is meaningful to the kids.
