USAF SERE TRAINING SURVEY

Date TBD

For Additional Information please visit: <https://forms.gle/UVykUXw7h63RWxXA9>

USAF SERE (Survival, Evasion, Resistance and Escape) Training For Scouts - We have been approached by a USAF Recruiter regarding a Scout version of their SERE Training they would like to offer. The program would be geared toward Scouts and Venturers 14 years old and above (Venturers up to 20). In order to move forward, we would like to see what the interest level would be from our Scouts. There would be a cost to cover meals Scouts would prepare.

They offer several options, but we are considering an Arctic Survival program during a Freezeout. Please rank which your scouts would be interested in.

New Charter Renewal Process

- **New System will be Simpler to Use:**
 - No address codes are necessary

- “Sandbox” will be available
 - Allows practice use without altering charter data
- System will go “live” Oct. 15
- Units should ensure rosters (my.scouting) accurate BEFORE Oct. 15

- “Betty Bot” – help on my.scouting.org:

Betty Bot is a new addition to my.scouting.org and she can make it simpler and easier to do three things all volunteers need to do from time to time:

Reset your password, Check the status of your YPT training,

Review a summary of your training history

Once you’ve logged on to my.scouting.org, look for a blue circle with a flag in the lower right corner of your screen. Click on it, and you’ll meet Betty.

Betty is in beta...that means she’s still learning how best to help us; but when we ask, like all good Scouts she’ll do her best to serve.
