

JULY 25-AUG 8, 2020 PHILMONT TREK

**Get Ready For A Backpacking Adventure That Will Be
The Highlight Of Your Scouting Career!**

We'll be hiking at least 50 miles along rugged, rocky trails in the mountains of New Mexico. Along the way, we will participate in programs that combine the best of the old West—horseback riding, burro packing, gold panning, chuck wagon dinners, and interpretive history—with exciting challenges for today—rock climbing, burro racing, mountain biking, and rifle shooting—in an unbeatable recipe for fast-moving, outdoor fun. It is truly a wonderful experience and something that won't ever be forgotten.

Scouts must be at least 14 years old as of July 25, 2020.

Estimated cost: \$2700/person. Financial assistance may be available.

2019–2020 Training Opportunities

Through training, you'll gain skills, ideas, and resources to help you bring the Scouting program to life. Training is critical for new leaders, and staying up to date on the latest techniques and program elements is also an important part of "lifelong learning" for experienced leaders. Many training courses are available online now, making them accessible at your convenience. But there's still no substitute for a live training course where you can try hands-on skills, ask questions, meet fellow leaders, and exchange ideas. Our volunteer training team offers live training courses throughout the year at various locations around our council. Please join us—and help us give every Scout the trained leaders they deserve!

Key:  = online  = in-person

COURSE DETAILS AND REGISTRATION

- Visit www.mayflowerbsa.org/training to get more details (times, directions, what to bring) and register. Most in-person courses require pre-registration. Registration will open when locations and times are finalized.
- Courses are occasionally added. Subscribe to our council's weekly e-newsletter, attend monthly district roundtables, and check the council website for the latest opportunities.
- Online training: <https://my.scouting.org>.

<<date>>

Dear <<Manager Name>>,

I am writing to you on behalf <<Unit Name>> of the Mayflower Council, Boy Scouts of America. I am currently planning our annual popcorn fundraiser, which begins <<start date>> and concludes on <<end date>>.

Our popcorn fundraiser is extremely important to Boy Scouts of America as it generates the financial support our council, and our individual units, need to maintain our program and provide services in the community. Store-front sales are key to the success of this important fundraiser. <<**We appreciate your support in previous years and hope you will welcome us back again this year.>>**

<<Unit Name>> is requesting permission to fundraise at your store on the weekends starting <<start date>> and ending on <<end date>>. We typically sell on Friday evening, and throughout the day on Saturday and Sunday. We would like to setup a table outside one door, or multiple doors if that is acceptable. We will ensure we do not interfere with the flow of your customer traffic, and we will leave our area and the front of the store cleaner than when we found it.

I look forward to your response via email or phone.

Thank you,

<<Your Name>>

- Scouts shall be friendly and courteous, even when a customer ignores them and/or does not want to buy popcorn.
 - Scouts will not be overly aggressive, and call out to, badger, or follow customers to their vehicles.
- There will not be more than four volunteers at the store at any given time, and at least one volunteer must be an adult.
