HALLOWEEN CUB FUN DAY

Don't be a scaredy cat, celebrate Halloween with us!

Open to All Mayflower Council Cub Packs

The schedule will be open for scouts to come and go when its convenient for them. Anytime between 10-4. This should allow any scouts that have sports on Saturday morning to come down to camp after their games.

This will be a great activity for new scouts and their families too!

There are lots of activities planned with a Halloween theme with a cub scout twist - pumpkin chunkin with toilet tissue, eyeball hunt, pumpkin mini-golf, eyeball pong, feed the monster bean bag toss, pin the bones on the skeleton and mummy bowling and more. There will also be a scavenger hunt and what is Halloween without candy...candy...candy!
