

Camp Squanto Alumni Association

2025 Membership Information

Dear Alumni,

The Camp Squanto Alumni Association is hoping that you will continue to support Camp Squanto and begin or renew your membership for 2025. Your support will help bring the Association's 2025 projected camp projects to fulfillment. The Casoni Museum, a center for the Alumni Association and a tremendous addition to both the camp and council programs, is a member of the *American Alliance of Museums*, Washington D.C.

The [International Scouting Collectors Association Journal](#) is a magazine goes all over the world to collectors of Scouting items and is the organization that runs all of trading and collecting at National Jamborees, International Jamborees and NOAC. In December of 2023 the featured article was on the Casoni Museum at Camp Squanto. Here's a link to the magazine ... the article starts on page 6:

https://scouttrader.org/members_only/journal/dec_23.pdf

This year, 2025, is the hundredth anniversary of Camp Squanto. Exciting things will be happening. Check our Facebook page (<https://www.facebook.com/CampSquantoAlumni>) on a regular basis. Plans include alumni visitations, special programs, a dinner and a museum addition.

Thank you for your continued support of Camp Squanto. As always, 100% of the money we raise is used to support Camp Squanto.

Yours in Scouting,

Peter H. Glass
