WELCOME TO SCOUTING!

For over 110 years, families like yours have enjoyed the many amazing experiences our program has to offer, and we are truly excited as you begin your Scouting adventure.

As you well know, your child will grow up very quickly, and there are many activities available to them. One of the great things about Scouting is that we encourage parents to jump in and be an active part of the program. That is a big part of why Scouting has been so successful for over a century. Scouting is run by volunteers, most of whom are serving to ensure a great program for their children and their friends, and they continue to do so because they are making great memories with their child that will last a lifetime!

It is not a requirement that parents become registered leaders for their children to participate, but it is highly encouraged. There are many ways for parents to help a Pack deliver awesome experiences for their Cubs. Not all of them are out front running program. Help behind the scenes is welcome too. After all, many hands make light work. If for no other reason, we encourage you to consider volunteering in some capacity, because we know that when a parent becomes involved at any capacity, their child gets more out of Cub Scouting.

Again, thank you for joining us on the path of Scouting and for what you will do to help your children and their friends along that trail.

WHAT IS SCOUTING?

YOUR CHILD, SCOUTING, AND YOU

As a parent, you want your child to grow up to be a self-reliant, dependable and a caring person. Scouting has these same goals in mind for boys and girls.

Scouting teaches first aid, swimming, outdoor skills, hiking, camping, and many other skills—life skills boys and girls will take with them into adulthood. Knot tying may seem a quaint and outdated skill in this computer age, but such hands-on experience helps boys and girls realize their own potential for learning and mastering new skills, that builds pride and the confidence to handle challenges that cross their path. Scouting builds young men and women who are competent to handle the tough questions in life.

PACK FACTS

YOUR CHILD IS A MEMBER OF A DEN

- A den has 4 to 8 boys and girls each and meets once a week
- The den is led by a trained Den Leader (usually a parent), is assisted by an Assistant Den Leader and a Den Chief (an older Scout)
- Den meetings have games, crafts, stunts, songs, ceremonies, and lots of fun

YOUR CHILD IS A MEMBER OF A PACK

- A pack is made up of several dens and meets once a month
- The monthly pack meeting is led by the Cubmaster
- The pack meeting is the culmination of the month's den meetings and activities
- Pack meetings have games, skits, stunts, songs, ceremonies, and presentations of badges that the Cub Scouts earned that month

THE PACK IS RUN BY THE PACK COMMITTEE

- The pack committee is made up of a group of qualified adults appointed by the chartered organization to administer the program of the pack. Usually the committee members, as well as other pack leaders, are parents of boys and girls in the pack
- The committee meets once a month and is led by the committee chair
- The committee plans den and pack meetings around the monthly theme
- The committee selects leaders, performs record keeping, manages pack finances, orders badges, maintains pack equipment, helps train leaders, and recognizes leaders

THE PACK IS OWNED BY THE CHARTERED ORGANIZATION

- Chartered organizations include schools, parent-school associations, religious organizations, service clubs, and other groups interested in youth
- The chartered organization approves leaders, provides a meeting place, and operates packs within the guidelines and policies of the chartered organization and the Boy Scouts of America.

WHAT DO CUB SCOUTS DO?

Boys and girls in grades K-5 work toward specific rank advancements. All ranks are designed to be age and grade specific. The responsibility of a child's advancement in Cub Scouting lies with the family. Some advancement requirements are completed at den meetings, but most are done at home with the family.

With the exception of Lions, regardless of grade or age, all boys and girls who join Cub Scouts start by earning the Bobcat badge. After receiving the Bobcat badge, they work on the requirements based on their grade level.

Boys and girls may join Cub Scouts at any point during the year. In some cases they may not be able to complete all of the requirements for advancement but they can still participate in all of the fun activities and growth opportunities.

TIGER MOTTO - SEARCH, DISCOVER, SHARE

Tiger is a 1-year program for first-graders. Each youth participates with a parent (or another adult family member) in family-oriented adventures. These include things from family camping to preparing for emergencies. The time you and your child spend as a Tiger is meant to be fun, a chance to get to know one another better, and do things with your family as well as other members of the Tiger den whom you see at meetings.

CUB SCOUT MOTTO - DO YOUR BEST

In a society where your child is often taught that winning is everything, Cub Scouting teaches each child to "do their best" and be helpful to others as expressed in the Scout Oath and Law. Cub Scouting is a home and neighborhood-centered program designed to support family life for boys and girls in second through fifth grades. Each Cub Scout learns to respect their home, country, God, and other people. The program also helps boys and girls to:

- Learn new physical skills through sports, crafts, and games
- Learn how to get along with others through group activities
- Reinforce mental skills such as writing and calculating
- Develop personal independence

A Cub Scout den provides your son or daughter with a group of children of the same age in which they can earn awards and recognition. In the den, he or she will also gain a sense of personal achievement for the new skills learned.

CUB SCOUT RANKS

In June of the year they are entering kindergarten, or when they start kindergarten, boys and girls are eligible to join Cub Scouts. On the advancement trail, a Cub Scout progresses from rank to rank, learning new skills as along the way. Each of the ranks and awards in Cub Scouting has its own requirements. As a Cub Scout advances through the ranks, the requirements get more challenging to match the new skills and abilities learned appropriate to age development. For more information on advancement, visit <https://www.scouting.org/programs/cub-scouts/>.

LION - KINDERGARTEN

- Children sign up with their parent/guardian
- Dens consist of 4-8 boys and girls each
- A Den Leader guides the process
- In most cases the Den get together twice each month (once as a meeting and once as an outing)
- Each adult partner takes a turn working with the Den Leader to plan and lead an age-appropriate Den meeting/activity

The Lion program is designed especially for kindergarten-aged youth. It is a great experience for both the child and the parent. The Lion badge is earned when the Lion Cub completes all 5 required adventures. Once that has been completed, 7 additional elective adventures are available for Dens to choose and customize the experience their Cubs receive.

BOBCAT

- Learn and say the Cub Scout motto, Scout Oath, and Scout Law and tell what they mean
- Show the Cub Scout sign, salute, and handshake and tell what they mean; and
- With your parent or guardian complete the exercises in the pamphlet "How to Protect Your Children from Child Abuse: A Parent's Guide"

For all Dens but Lions, Cub Scouts must earn the Bobcat badge before advancing to the rank of Tiger, Wolf, Bear, Webelos or Arrow of Light. A Cub Scout must complete the Bobcat requirements listed above.

TIGER - FIRST GRADE

- Children sign up with their parent/guardian
- Boys and girls become part of Tiger dens having 4-8 boys and girls and their partners
- One adult partner will be the Tiger Den Leader
- Tiger dens meet regularly (usually weekly)
- Take part in a monthly pack meeting
- Each adult partner takes a turn working with the Den Leader to plan and lead an age-appropriate den meeting/activity

To earn the Tiger badge a Cub Scout must complete six required adventures with his/her Den or family and one elective adventure of the Den's or family's choosing. As each adventure is completed, the Cub Scout receives the appropriate adventure belt loop to wear. When the six required adventures and one elective adventure are completed, the Cub Scout can receive the Tiger badge. After earning the Tiger, a Tiger Scout can work on the remaining 12 Tiger electives until he/she finishes first grade (or turns 8 years old).

WOLF - SECOND GRADE

- Wolf Scout dens consist of 4-8 boys and girls each
- Each den meets regularly (usually weekly)
- Dens also participate in monthly pack meetings
- One parent is the Den Leader and conducts meetings on his or her schedule
- The Den Leader is assisted by one or more assistant leaders (parents of the other children)
- Den meetings consist of age-appropriate ceremonies, games, crafts, songs and skills

The Wolf rank is for children who have finished first grade (or who are 8 years old). To earn the Wolf badge, 6 required adventures and 1 one elective adventure must be completed. The parent/guardian and Den Leader approves each requirement by signing the Scout's book and the Scout receives an adventure loop for each adventure. After earning the Wolf badge, a Wolf Scout can work on the remaining 12 Wolf electives until finishing second grade (or turns 9 years old).

BEAR - THIRD GRADE

- Bear Scout dens consist of 4-8 boys and girls each
- Each den meets regularly (usually weekly)
- Dens also participate in monthly pack meetings
- One parent is the Den Leader and conducts meetings on his or her schedule
- The Den Leader is assisted by one or more assistant leaders (parents of the other children)
- Den meetings consist of age-appropriate ceremonies, games, crafts, songs and skills

The Bear rank is for Scouts who have finished second grade (or who are 9 years old). To earn the Bear badge, a Scout must complete 6 required adventures and 1 elective adventure. The parent/guardian and Den Leader approves each requirement by signing the Scout's book, and the Scout receives an adventure loop for each adventure. After earning the Bear badge, a Bear Scout can work on the remaining 12 Bear electives until finishing third grade (or turns 10 years old).

WEBELOS & ARROW OF LIGHT - FOURTH & FIFTH GRADE

- Webelos and Arrow of Light are programs designed to prepare boys and girls to transition into the older Scout program
- Each den consists of 4-8 boys or girls each
- Each den meets regularly (usually weekly) and participates in monthly pack meetings
- A parent of one of the children is the Den Leader and conducts meetings on his or her schedule
- The Den Leader is assisted by one or more assistant leaders (parents of the other children)
- Meetings consist of age-appropriate ceremonies, games, crafts, songs and skills

Webelos Dens are for children who have completed third grade (or reached age 10). Webelos Scouts get to work on the 5 required Webelos adventures and choose 2 of the 18 elective adventures that are shared by the Webelos and Arrow of Light ranks. When the Scout has done the requirements for an adventure, the Webelos Den Leader, rather than a parent, approves most of the adventure. For each adventure a Webelos completes, he/she receives a pin to wear on the Webelos colors or on his/her hat. After completing 7 adventures, including 5 required adventures and 2 elective adventures, a Scout can receive the Webelos badge. After earning the Webelos badge, a Webelos Scout can work on the remaining 18 shared Webelos and Arrow of Light electives until finishing fourth grade (or turns 11 years old). Scouts must complete 4 required adventures and 3 elective adventures to earn Cub Scouting's highest rank - the Arrow of Light.

ARROW OF LIGHT - FIFTH GRADE

The highest rank in Cub Scouting is the Arrow of Light. Earning this rank prepares a Webelos Scout to become a Scout. Scouts must complete four required adventures and three elective adventures to earn the Arrow of Light rank. For each adventure completed, he/she receives a pin to wear on the Webelos colors or on his/her hat.

The Arrow of Light badge is the only Cub Scout badge that can be worn on the Scout uniform when a boy or girl graduates into a Troop. Adult leaders who earned the Arrow of Light rank when they were young may also show their achievement by wearing a special square knot on their adult uniform.

Pack Budget

The pack prepares an annual budget to fund their “ideal year” of Scouting which includes for most packs: den and pack activities, awards and advancements, recognition, summer camp. Packs fund the annual budget in a variety of ways including by selling popcorn or charging dues.

The Council Popcorn Sale

Each year the Mayflower Council conducts its annual popcorn fundraiser to benefit the Scouting programs of our Units and the Council. More than 70% of the sale proceeds are returned to the local Scouting program. A number of packs sell popcorn as their only fundraiser of the year and are able to pay for all of their activities from the proceeds.

Most packs participate in the Council sponsored popcorn sale which offsets or eliminates pack dues for Scout families and also helps youth raise enough money for their summertime camp experiences. For information about the popcorn sale, call (508) 872-6551 or email popcorn@mayflowerbsa.org.

SCOUT LIFE MAGAZINE

A monthly magazine for children and adults. Scout Life has interesting features on Scouting, sports, hobbies, magic, science, and U.S. history. There are also jokes, comics, and short stories. The magazine is \$15.00/year for Scouts. There are special Tiger Cub and Cub Scout editions based on your child’s age. Scout Life helps to encourage your child to read and to introduce your son or daughter to the fun and adventure available in Scouting.

A Scout Life subscription is half the newsstand price for Scouts.

THE ROLE OF THE COUNCIL & THE DISTRICT

The purpose of the Council is to guide and support its Districts for the achievement of the movement’s purpose. The Mayflower Council encompasses 62 cities and towns in Eastern Massachussetts that are grouped into 5 districts. The purpose of the District is to organize and support successful Cub Scout packs and Scouts BSA troops by working through chartered organizations. The end result of effective district support is continued growth in membership and the delivery of a quality program to all members.

DISTRICTS ARE RESPONSIBLE FOR CARRYING OUT FOUR (4) PRIMARY FUNCTIONS:

- Membership
- Finance
- Program
 - Cub Scout Activities
 - Camping
 - Activities and Civic Service
 - Training
 - Advancement and Recognition
- Unit Service

The Council employs a team of Scouting professionals to help guide and assist our volunteers plan and execute our local programs.

The District Committee is the organization by which Scouting programs and services are carried to the chartered organization, their units, and youth. It serves as a sounding board for the needs of chartered organizations and units. The District Committee also participates in the building and raising of the council budget to finance the program of Scouting.

We encourage new leaders to attend one of the many “in-person” trainings available during the year, but training can also be completed online by going to my.scouting.org. (Note: you must create a user account to take a course and receive the certification).

HOW IS SCOUTING FINANCED?

When you register your child into the Scouting program there is a national registration and insurance fee. This fee allows your child to be part of the Scouting program and goes straight to our national office to help provide many of the services that our leaders receive (training courses, and insurance, etc.).

Providing a Scouting program within the Mayflower Council takes an annual budget of approximately \$3.6 million, which **must be raised each year** from the generous support of friends, families, corporations and foundations. The Mayflower Council budget includes things like subsidization of the summer camp program, maintenance and upkeep of the land and property at our three camping facilities, support staff, newsletters, training courses for leaders, and much, much more. The funds needed to support Scouting programs in the Mayflower Council comes from a variety of areas including:

Friends of Scouting Campaign (FOS) / Direct Support: Each year, our Council conducts an annual campaign to solicit contributions from families and members of the community. It offers families the opportunity to help invest in the future of our Scouting youth.

Popcorn Fundraiser: The annual popcorn fundraiser is for ALL units that want to earn enough money to support their Scouting adventures for the entire year! The annual sale runs from September thru November for show n sell and take orders but, you can participate in the online sales year-round!

Special Events: Each year, the Council conducts a number of special event fundraisers to help raise money to support our Scouting program. Events include: Investment in Character Golf Classic, Westborough Good Scout Dinner and Distinguished Citizen Award Dinner.

COMPARATIVE COSTS OF SCOUTING

For most families, Cub Scouting will cost a total of \$20 - \$30/month. Compared to the cost of uniforms, lessons and fees for seasonal youth activities such as hockey, football, little league, basketball, and soccer, the costs of Scouting on a per month basis is a value that is hard to beat. In addition, the family values, citizenship and leadership skills that Scouting instills in youth, make it (dollar-for-dollar) an exceptional investment.

Cub Scouting—there is no better family-oriented program for youth!

ADVENTURE DAY CAMP

Adventure Day Camp at Camp Resolute, located in Bolton, Mass is the home for our Cub Scout day camp program. Adventure Day Camp is open to registered Cub Scouts at the Tiger level and up, as well as non-registered youth going into a minimum of 1st grade in the fall. Bus service to and from select locations in the metro west and early drop-off and late pick-up options are available for an additional cost.

PACK ORGANIZATION CHART

BE AN ADVOCATE FOR SCOUTING!

As a parent of a newly registered Cub Scout, you clearly understand the fun, excitement, and learning opportunities that Scouting provides for your son and/or daughter.

WHY NOT SHARE THOSE SAME EXPERIENCES AND OPPORTUNITIES WITH ALL OF THE CHILDREN IN YOUR CHILD’S GRADE?

You can do just that by being a Parent Advocate for Scouting and inviting others to join Cub Scouts.

PARENT ADVOCATE

Research shows that families join Scouting because they felt personally invited.

- Share stories on social media of the great experiences your son or daughter is having in Cub Scouts.
- Invite friends and family to come to a meeting or activity to see first-hand what Cub Scouts has to offer.
- Serve as your pack’s representative for the boys and girls in your child’s grade/class.
- Consider serving as your pack’s **New Member Coordinator** to help onboard new families and ensure that they feel welcome.

More than **50%** of families whose children are **not in Cub Scouts** were **never asked to join.**

NEW MEMBER COORDINATOR (NMC) POSITION

The New Member Coordinator

- is a **FUN** and engaging role for parents;
- welcomes everyone to your pack and build relationships with new members and their families;
- uses a team approach by encouraging more than one NMC in a unit, allowing them to tailor their work to individual interests/expertise, as well as to recognize the particular needs of the unit;
- is supported by key unit leadership; and
- though a shirt and hat are available with the Welcome logo, a uniform is not required for New Member Coordinators — **JUST A SMILE AND A WILLINGNESS** to make sure all new families feel welcome and start out on their Scouting trail on the right foot.
