

**In order for our new patch to meet national standards, all patches must meet the following requirements:**

- The patch must contain a Boy Scouts of America corporate identifier, specifically the letters “BSA” (without any periods), the words “Boy Scouts of America” or a solid BSA fleur-de-lis.
- The BSA Universal Emblem or any BSA logo shown on the patch must not be covered or partially covered by any text or other design.
- The name “Mayflower Council” must appear prominently on the patch and the council name may not be abbreviated or altered in any way.
- The patch may contain the state name of “Massachusetts” but cannot contain the names of individuals cities, town or areas.
- Patch may not contain and third-party trademarks, including movie and comic book characters.
- Patch must have a solid colored border on its outside edge.
- Be designed using this template
