Get Ready for the Experience of a Lifetime

WHO WE ARE

We would like to invite you to join us this summer for an adventure of a lifetime. Whether you enjoy paddling a canoe across a crystal-clear pond, listening to bugle sounds as Old Glory climbs to the top of the flagpole, reelin' in a bass, a bulls-eye at the archery range, a delicious Dutch oven dessert, stretching for the next rock on the climbing wall, soaring spirits around the campfire, or a leisurely stroll along our hiking trails, our summer camp programs have something for you. The key to the success of Mayflower Council Camps is dedication to each camper. Flexibility is our word to live by and we deliver the finest program available for your youth.

Accredited Camps

Our camps are supervised by Boy Scouts of America National Camping School trained directors. Health officers are on duty while camp is in session. Both Camps are accredited by and operate under the safety and program standards of the Boy Scouts of America. Camp Resolute is also accredited by the American Camp Association.

Camp Resolute and Camp Squanto comply with the regulations of the Massachusetts Department of Public Health and are licensed by the Bolton and Plymouth Boards of Health.

SCOUTS BSA

Traditional Resident Camp

Join us at one (or both) of our two premier properties for a week of fun-filled Scouting adventure. Camp Resolute, located on 325 acres just a minute's drive off exit 70 I-495, and Camp Squanto, 675 acres tucked into the back corner of the Myles Standish State Forest, are the places where Scouting opportunities abound. These programs are open to all registered members in a Scouts BSA program.

HERE ARE JUST A COUPLE OF THINGS IN STORE FOR YOU IN 2022!

Aquatics

Improve your swimming skills or learn to kayak, canoe, row or sail. Challenge yourself by earning your Mile Swim award or becoming a certified BSA Lifeguard.

Shooting Sports

Shoot a rifle or shotgun. Take aim at archery. Whether you are a curious new-comer to the world of shooting sports or you are on your way to becoming a junior Olympian, we have the shooting sports program for you.

Scoutcraft

Master outdoor living skills. Cook in a Dutch oven. Build a tower or monkey bridge. Work on your

compass skills or low-impact camping skills.

Handicraft

Exercise your creative streak. Weave a basket for mom's keys, or make a customized wallet for dad. Carve yourself a neckerchief slide or try Indian beading. This area gives you the opportunity to make something to remember your experience for years to come.

COPE/Climbing

Conquer your fear of heights or challenge yourself to try something new on the high ropes course or climbing tower. Take the time to build your unit strengths at the team-building low elements.

Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster. NYLT integrates the best of modern leadership theory with the traditional strengths of the Scouting experience. Through activities, presentations, challenges, discussions, and audio-visual support, NYLT participants will be engaged in a unified approach to leadership that will give them the skill and confidence to lead well. Through a wide range of activities, games, and adventures, participants will work and play together as they put into action the best Scouting has to offer

Qualifications to attend:

- Must be a registered member of a Scouting unit.
- Scouts BSA members (male and female) must be at least 13. They must have completed Introduction to Leadership Skills for Troops.
- Venturers and Sea Scouts (male and female) must be at least 14, or 13 and have completed eighth grade, and fall within the maximum age allowance for their program. Both camps recruit and hire only the best talent for roles from program area instructors all the way up to Reservation Directors and Program Directors. Staff applications for 2022 are available now for both camps – the minimum age of employment is 16. The goal is to hire senior management in late fall, area directors in early winter, and general staff in early spring. Summer salaries are based on experience, training requirements, age, and job expectations. For certain senior positions, camp staff members will be required to attend National Camping School and successfully obtain a certification. The Mayflower Council will cover the course fee of these required training courses.

What do we expect from our summer program staff members? Typically, Camp Resolute and Camp Squanto summer program staff have work and/or volunteer experience in Scouting, teaching, and/or youth programming (previous experience in Scouting is not required). Regardless of your previous work and/or volunteer experience, successful employment at Camp Resolute and Camp Squanto requires certain personal attributes, including:

- Friendliness/Open Mindedness
- Patience
- Creativity
