

CAMP SQUANTO SHORT-TERM CAMPING RULES AND REGULATIONS

PLEASE READ CAREFULLY. These rules and regulations are implemented to assure proper conduct at our Council camp, to keep Camp Squanto in good condition, and to insure the safety of all that use the Camp. We appreciate your decision to camp with us, and we hope you have a great time.

1. All groups must CHECK IN and CHECK OUT with the Campmaster or Ranger--whomever is on duty during your weekend. Any special instructions will be communicated to you at this time.
2. In case an emergency should arise with your group while in camp, you must notify the Campmaster/Ranger IMMEDIATELY. That person will assist you in making whatever arrangements are deemed necessary. An emergency report must be filed with the Ranger before you depart on Sunday.
3. Everyone will conduct themselves in accordance with the SCOUT OATH and LAW.
4. All groups are restricted to their assigned site/building. An adult from your group must supervise all activities throughout the camp. NO YOUTH are to WANDER ALONE.
5. Unassigned buildings are OFF LIMITS and there's no climbing onto roofs of any buildings. DO NOT move equipment of any kind into or out of any site/building. Should require assistance, please request the help of the Campmaster/Ranger. Platforms are for summer camp use ONLY! Picnic tables may be used, but NO PICNIC TABLES MAY BE MOVED without permission.
6. Self-contained cooking fires must be put in half barrels, which are provided by Camp. You need to ask the Campmaster/Ranger for permission to have a half-barrel campfire. Fuel, matches, etc., should be handled by adults only. Adequate fire control (water, sand, etc) should be present at all times.
7. No trenching or digging of holes. No carving of building or trees. An adult must supervise axe and hatchet use.
8. Fishing is permitted but ONLY in NON-SWIMMING areas.
9. Water may be obtained, during off-season camping, in designated areas assigned by the Campmaster/Ranger.
10. Rubbish disposal bins are located at the rear of the Dining Hall. Tin, glass, or other harmful items must be disposed of in the rubbish bins before leaving camp. Please do not discard any food scraps outside—USE DUMPSTER.
11. Swimming is prohibited unless prior arrangements have been made with the Ranger. A group is required to abide by the 8-point Safe Swim Defense Plan with one (1) leader holding current certification of which a copy is on file with their camp application.
12. Fireworks are not allowed. Alcohol and drugs of any kind are not permitted in camp. Prescription medication must be in the custody of an adult leader or the Camp Nurse. Starting in 1995 Camp Squanto became a SMOKE-FREE FACILITY. There's no smoking in the buildings, in front of the Scouts or anywhere on the property.
13. Everyone is requested to park his or her vehicles in the designated parking lot. No vehicles will be allowed in camp unless prior approval has been arranged with the Campmaster or Ranger.
14. In winter, ABSOLUTELY NO ONE IS ALLOWED ON THE ICE COVERED POND! Violations of the above regulations could result in requesting your group to leave camp IMMEDIATELY!

PLEASE NOTE: You're required to certify that you have read, understand, and will abide by these rules and regulations on your application form. Thank you.
