+++++

### EAGLE PROJECT EXECUTION

+++++

As you work on your project here are a few things to keep in mind:

As stated in the Guide to Advancement (Section 9.0.2.14 )Eagle Scout projects are BSA activities, and considered a part of the Troop's program. They are subject to all requirements of Scout Activities as set forth by BSA.

Eagle Candidates should work with their Scoutmaster to be certain 2 Registered Leaders are in attendance in all phases of work as the project proceeds.

Troop Leadership and Eagle Candidates should read, become familiar with and follow COVID precautions as set forth in the Mayflower Council COVID-19 Reopening Eagle Scout Project Guidelines. A link to this document can be found below.
