

Message from Cranberry Harbors Advancement Committee:
Re: Eagle Proposals and Paperwork

Hello Cranberry Harbors Leaders,

Please do not send anything to eagleproposal@mayflowerbsa.org. We stopped having Council process the Project Proposals in early 2018.

Nothing for the Project Proposal needs to go to or be approved by Council. Only send it to the District email address; cranberryharborsadvancement@mayflowerbsa.org.

Please only send the Eagle Scout Rank Application and a copy of the contact sheet to eaglescoutapplicationsubmission@mayflowerbsa.org for verification of rank and Merit Badge dates. Council has been overwhelmed with too much documentation that they have nothing to do with.

Please send the scan of the Eagle Scout Rank Service Project Workbook with signatures, any pictures, notes, maps, receipts, the Letter of Ambition and Life's Purpose and a picture of the Merit Badge sash to the District email address at cranberryharborsadvancement@mayflowerbsa.org.

Please see the Eagle Scout Helpful Links we have put in the MayflowerBSA.org website under Program then Youth Advancement for further questions. The latest Eagle Scout Rank Advancement form is there. It has been updated for Citizenship in Society.

We will continue to hold the Boards of Review virtually on Google Meet until such time as we have a commitment for a location to hold the live Boards of Review.

Thank You for your attention to this,
David Winters
Cranberry Harbors District Advancement Chairman
