MAYFLOWER BSA CAMP OVERVIEW

RESIDENT CAMP OVERVIEW

Resident Camp is a fun week-long overnight camping experience for Scouts BSA and Venturers that provides those who attend an exciting program of education, adventure and purpose. It is an excellent environment to promote character, citizenship, and fitness as well as meet other Scouts, earn merit badges or take advantage of advancement opportunities.

Resident Camp is offered at two of Mayflower Council camping facilities: Camp Resolute in Bolton, MA and Camp Squanto in Plymouth, MA. Both camps are staffed by National Camp School Certified Directors and trained instructors. Each location offers Troop Camping for units that enjoy attending as a group and Provisional Camping for youth who choose to attend as individuals. Both locations have Specialty Camp opportunities for youth who want a program tailored to specific interests, such as National Youth Leadership Training (NYLT). However, because each property has its own unique features and benefits, some specialty camps are only offered at one location or the other.

So please join us this summer for an adventure of a lifetime. Whether you enjoy paddling a canoe across a crystal-clear pond, listening to bugle sounds as Old Glory climbs to the top of the flagpole, reelin' in a bass, landing a bulls-eye at the archery range, eating a delicious dutch oven dessert, stretching for the next rock on the climbing wall, laughing around the campfire, or taking a leisurely stroll along our hiking trails, there is much to enjoy when camping with Mayflower Council, especially when surrounded by our vibrant staff and the great outdoors.

Unit Camping: Attending summer camp as a Troop is a great experience for Scouts BSA and leaders alike, because it ensures participants learn and grow as a group. Unit camping is open to Troops in or outside of Mayflower Council.

Provisional Camping: A regular summer camping experience for an individual Scout who is unable to attend camp with their troop, or for those who wish to attend an extra week of camp.

Specialty Camps: A week long resident camp focusing on a particular area; Venturing, Trail to Eagle, BSA Lifeguard and NYLT.

Adventure Day Camp : Do you have any Scouts who may not be ready to stay overnight? Check out the ADC at Camp Resolute. Scouts in grades 6-8 may "crossover" to the resident side to work on merit badges.

Don't forget the great camping Nobscot Scout Reservation offers year-round.

To take National Youth Leadership Training, the camper must be 14 years old or 13 years old and completed 8th grade by the beginning of the course. See website for other restrictions.

The exciting, action-packed (NYLT) course centers around the concepts of what a leader must BE, what he or she must KNOW, and what he or she must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership. NYLT is foremost a training program. While participants will use their scout craft and camping skills, the emphasis is on leadership and management training.

CIT (Camp Squanto & Camp Resolute)

CIT is for members 14 and 15 years old.
Includes one week of NYLT plus up to three additional weeks

Youth will participate in a Counselor-in-Training program designed to give them leadership skills. CIT's will also have the opportunity to work on one Merit Badge per week if they so choose. Applications will be made available on the mayflowerbsa.org website under CIT.

The BSA Lifeguard is an intensive program that will involve the participant for most of the week. Participants will learn multiple rescue techniques including rescue from a watercraft, swimming extension rescue, active drowning rescue, passive drowning rescue, and submerged victim rescue. Participants will be required to pass a written exam.

Trail to Eagle (Camp Resolute) August 4–9

Campers must be 13 years old by June 1, 2019

Want to earn more Eagle badges? Attend Trail to Eagle Camp, a 5 night camping program! We offer 14 Eagle required badges. Many of our counselors are adult volunteers with specific backgrounds and interests in their respective merit badges.

You can earn up to five Eagle required merit badges during this week. We also offer non-Eagle badges and some fun time during the afternoon including shooting sports, aquatic activities and climbing. Camp Resolute provides a perfect setting for this program.

Prerequisites and age restrictions apply.

Troop & Provisional Camping

Youth attending provisional camp will be placed in a Provisional Troop, which is made up of campers from across Mayflower and other BSA Councils. The troop is supervised by full time staff whose only job is to ensure that the Youth's week at camp is the best it can be.

A.MAYFLOWER COUNCIL BSA SUMMER CAMP GUIDELINES

The Camps administrative staffs work year-round to ensure the program provided during your week at camp is the best experience possible. Questions about summer camp can be directed to Rick Poirier at the Mayflower Council Office, 508-217-4613, or Richard.poirier@mayflowerbsa.org.

PLEASE READ CAREFULLY. These rules and regulations are implemented to assure proper conduct at our Council camps, to keep Mayflower Camps in good condition, and to insure the safety of all that use the facilities. We appreciate your decision to camp with us and we hope you have a great time. The Mayflower Council BSA follows the Guide to Safe Scouting, a copy of which can be located at scouting.org.

1.THE PURPOSE OF SUMMER CAMP

The purpose of good Scouting and Scout camping is to train boys and girls in good character, vital citizenship, and personal fitness. The objectives of the Camp Staff and of the camp program are to serve the needs of the troop and the boys and girls. In outdoor Scouting activities, simple skills of camp craft, woodcraft, aquatics, personal fitness, and living in a democratic society are at a premium. They are important because:

- Learning skills and advancing bring self-confidence.
- Solving immediate camping problems brings self-reliance.
- Vigorous outdoor exercise promotes personal fitness.
- Knowing what to do and doing it promote personal initiative.
- Making group decisions and implementing them develop cooperation.
- Facing certain hardships with buddies makes life-long friends.
- Experiencing nature develops outdoor appreciation and spiritual awareness.

At Mayflower Camps, we intend to reproduce and strengthen the processes by which a troop ideally operates when it is in its home community. We do not intend to replace the Scoutmaster, the Troop Leader's Council, or the Leadership Corps but, rather, to work with them and through them in determining the needs of individual troops and of the Scouts in them.

Camp will be more than out-of-doors; it will bring an intense and vital training session for the troops that come and for the boys and girls they bring. It is a vital part of the Scouting program and will endeavor to build Scouts and troops by supplying them with the challenges, opportunities, and rewards of Scouting, in an intensive and reinforcing way. This, in turn, assists the Scouts and troops to continue to determine their own program and effectively operate through their own leadership.

Rules for acceptance and participation in all sessions of this camp are the same for everyone, without regard to race, color, or national origin.

2. CONTACT INFORMATION

3. SCOUTMASTER/SENIOR PATROL LEADER PRE-CAMP PLANNING MEETING

Kick Off Meeting:

Camp Resolute: Monday, January 28, 2019

Camp Squanto: Monday, March 26, 2019

Pre-Camp Meeting:

Camp Resolute: The Wednesday Evening before you leave for camp.

Camp Squanto: The Monday evening before you leave for camp.

This planning meeting is for you, the Scoutmaster, and for your Senior Patrol Leader to get an overview of camp in 2019 and to give your assistance in your program planning before you arrive in camp. Also, any last minute administrative instructions and details will be given to you at this time.

The Scoutmaster and Senior Patrol Leader should attend the meeting the week before your camp arrival date. It is vital that all troops have at least one representative for this planning session.

During the planning session expect:

- An explanation and discussion of camp and troop administrative policies including the Merit Badge enrollment method
- An explanation and discussion of troop program and advancement opportunities available at camp
- A Round Robin with area Directors to schedule your troop program for the coming week. Area Directors have the responsibility of insuring equal afternoon program opportunities for each troop. They reserve the right to restrict your scheduling until all units have visited them.
- An update on program changes

4. CAMP ARRIVAL & FIRST DAY

Arrival at Camp:

Camp Resolute: Troops should arrive on Sunday by 1 pm and plan to depart Friday evening around 8 pm. One vehicle may go to their site, but must be back in the parking lot by noon.

Camp Squanto: Troops should arrive on Sunday between 1 and 2 pm and plan to depart Saturday morning about 10 am.

Once at Camp:

- Unit Leaders may arrive earlier than 1:00 pm for the purpose of setting up their campsite. Staff members are not available to assist Unit Leaders prior to 1:00 pm on Sunday.
- Units will be allowed in camp at 1:00 pm. Units should assemble in the parking lot where the Unit's Site Host will greet them.
- When everyone is together, the troop, accompanied by their Site Host may proceed to their site. Your site host will have prepared your site for your arrival, accounted for the existence and condition of necessary equipment, and will assist you through the rest of the check-in process/orientation according to a pre-assigned itinerary.
- We advise campers and parents to eat before arriving at camp. For those who choose not to, our trading post offers snacks and refreshments.
- All groups are responsible for any and all damage done to camp property by the group during their stay.

Camp Orientation:

Orientation sessions have been set up so that once your unit checks into camp your Scouts will be able to learn the rules of the camp. Your Site Host will bring you on a tour of the camp with brief sessions to go over some rules. Scouts should be prepared to take the swim test after the orientations are complete, if the unit has not submitted a pre-camp swim test classification sheet.

Swim Tests:

At the start of the camp week, we are required by the Boy Scouts of America to test every camper for swimming ability. We do keep records on those tests for campers returning for multiple weeks. We encourage all campers to test to the highest ability they are comfortable with and we do provide instructional swimming during the week. Campers **MUST** pass the swimmer's test and attend a waterfront safety orientation to use the water amusements. Campers may take a swim test prior to camp IF done in a similar body of water and done by a preapproved instructor.

Troop Meeting:

Upon returning to your campsite we suggest you hold a troop meeting to discuss items which you feel are of importance to your campers. The camp strongly recommends that you include these issues in your meeting.

- Sunday's schedule.
- Daily schedule and routine.
- Campsite cleaning duties.
- Health and safety rules.
- Importance of a clean camp.
- Use of the buddy system at all times.
- Dining hall procedures, manners, and food serving.
- Your personal expectations of your unit's members.

- Emergency procedures
- Early morning, siesta, and lights out are “quiet time” in camp
- Encourage your Scouts to talk with the camp staff to get to know them or if they have any concerns
- The Scout Law is the law of the Camp
- The availability of the provisional troop camping for Scouts who want to stay at camp after your troop’s scheduled stay or come back for another week.

Vehicles:

- All vehicles must be kept in the main parking lot, no vehicles are allowed at the campsites. Anyone with special medical disabilities which may require a vehicle for transport are required to notify the Camp Director in writing one week prior to arrival. (Camp Squanto may have camp trucks to help transport unit gear to their sites, when the entire unit is present.)
- All groups are restricted to their assigned site/building those assigned by the Camp. No one should be in another troop’s site without permission.
- Adults from your group should check your site regularly for cleanliness, possible damage or other concerns.
- Do not move equipment of any kind into or out of any site/building. Should you require assistance, please request the help of the Camp staff.
- It is expected that all facilities used will be cleaned before departure.

Paperwork:

- Unit leaders should have all completed and signed medical forms with them.
- A roster to be verified and signed off at camp.
- Please pay any balance owed prior to arriving at camp.
- Leaders should have signed shooting sports/photo release authorization forms for all Scouts.
- Be aware and be prepared to discuss special accommodation request with the Camp Director/Health Officer.
- Don’t forget to secure your site for 2020! This can be done online prior to arrival at camp.

Visiting:

Parents and friends are welcome during check-in on Sundays. They may tour the camps and take advantage of our Trading Post and family picnic areas. All visitors are required to sign in at the Camp Administration Building and will receive a “visitor badge” that must be worn while in camp.

Camp Resolute: Friday evening parents and visitors are invited to the camp after 2:00 pm, but should plan to arrive no later than 5:30 pm. to share in the Friday evening activities with their camper. They may register and pay online or at the trading post (by Thursday) for the family BBQ held each Friday evening.

Camp Squanto: Some troops offer an opportunity Wednesday evening for parent night. Dinner is not available that night, but picnic areas will be made available. Troops should communicate to their troop parents regarding visiting time.

Pets:

Please remind parents and leaders that they cannot bring pets to visit or stay at our camps. This is especially important during check in and check out because of the number of visitors we have in camp.

5. LEADERSHIP

- All adults are expected to conduct themselves in accordance with the SCOUT OATH and LAW.
- A minimum of two registered adult leaders 21 years of age or older, are required to accompany each troop. National BSA policy requires that male and female campers have segregated sleeping arrangements. Female troops must have at least 1 registered adult female leader 21 years old or older.
- All units are required to meet standards of the Guide to Safe Scouting in regard to age/supervision/guidelines for Scout BSA camping. Go to scouting.org for more information. Groups arriving with only one leader will not be permitted to remain in camp.
- Please review these rules and regulations with all the members in your group. **All leaders** must have the BSA approved training required, including Youth Protection Training, a CORI and SORI report done by the Mayflower Council. CORI reports are only done by authorized personnel as outlined by the State of Massachusetts.
- The Free Leader fee schedule is as follows:

1 – 8	campers	One free leader
9 – 16	campers	Two free leaders
17 - 24	campers	Three free leaders
25 - 32	campers	Four free leaders
33 - 40	campers	Five free leaders
41 - 48	campers	Six free leaders

The fee for all leaders beyond this schedule is \$100.00 per week. This helps to cover food and other expenses.

Youth Protection Policy:

All adults attending a Mayflower BSA Camp MUST have an up to date Youth Protection Training certificate. Mayflower BSA has a responsibility to provide a safe and healthy environment for all who camp there. Camp leaders and staff must be alert to several types of possible abuse: physical, emotional, sexual, and neglect.

If you suspect abuse of any kind, follow the BSA Youth Protection Policy. The Camp Director must be notified and given a report of any incidence of child abuse. The report must include as much supporting information as possible. The report is to be kept confidential. Tell only those who have a need to know. Above all, protect the dignity and privacy of the victim. Please refer to the BSA Safe Scouting Guide for additional information on this matter.

Discipline:

Campers attending our Camps are expected to maintain appropriate behavior at all times. Respect for all members of the camp community and camp facilities is expected at all times. All discipline shall have as its intent the modification of behavior to within acceptable parameters. Discipline shall be limited to counseling, close supervision/monitoring, and restriction from selected activities. At no time will discipline be administered by a staff member under 18 years of age unless the actions in question pose a safety hazard to the offender or another individual. Then action appropriate to remedy the situation may be employed. Discipline shall be constructive or educational in nature, and may include such measures as diversion, separation from problem situations, talking with the camper about the situation, or praise for appropriate behavior.

Prohibited Discipline:

- Corporal punishment, including spanking, is prohibited.
- No camper shall be subjected to cruel or severe punishment, humiliation, or verbal abuse.
- No camper shall be denied food or shelter as a form of punishment.
- No child shall be punished for soiling, wetting or not using the toilet.

Possession and/or use of any of these items will result in dismissal from Camp. A report may also be filed with the local police and fire officials.

Technology:

Campers and Leaders should be ready for a technology-free week. Cell phone use is at the discretion of the individual scoutmaster. The camp business phones may be used in emergencies to contact parents with the permission of the Troop Scoutmaster. The camps are not equipped to allow for personal internet use, please plan accordingly.

Homesickness:

One of the possible problems for Scouts attending camp is homesickness. Ask parents to help leaders but talking up the positive experience they will have rather than how much they will be missed. Explain how they will meet new friends, have an adventure and accomplish new things. Calling home may increase homesickness, leaders should know their campers and use their discretion.

Food Service:

Everyone at camp is served wholesome, well-balanced cafeteria style meals in the dining hall. The dining hall and cafeteria system are explained at camp. Menus are approved by qualified dietitians. It is important the Camp Director/Health Officer know of any food restrictions. Notification should be made through the Special Accommodations form located on our website.

Special Accommodations:

A leader must meet with the Camp Director and Health Officer if someone in their group has made a special accommodation request. Mayflower BSA website has a link for the special accommodation request form. This may include dietary requests, physical accommodations or electrical needs for medical reasons. Mayflower BSA attempts to meet reasonable accommodation requests, but there is no guarantee our facilities can accommodate all requests. All accommodation requests should also be noted on the individuals medical form.

Camp Store:

Our camp stores are open most of the day except meals. You will find a wide variety of items including T-shirts, patches, mugs, merit badge pamphlets, craft kits, candy, snacks, and soda.

Troop Pictures:

Your troop will have its picture taken by the Camp Photographer during your week at camp. The estimated cost per troop picture is \$12-14.00 (times and costs may vary by camp and photographer).

Rainy Day Activities:

Be prepared for the worst. Please make sure that your Campers have adequate rain gear and warm clothes. Encourage them to bring cards, checkers, and other small games. Don't hesitate to bring your troop tarps.

Uniforms:

Each Scout should plan to have at least one complete summer uniform in camp. Uniforms are encouraged to be worn for the morning meals and are required for the evening meals, flag ceremonies, formal retreats and Troop photos. Comfortable clothes, appropriate footwear and a bathing suit (trunks for boys and one piece for girls) should also be available for daily use and activities

Buddy System:

The National Boy Scouts of American require that all campers utilize the "buddy system". This requires that two or more campers stay together at all times, while at any of the Mayflower BSA camps. No camper should be wandering alone.

Religious Services:

A Scout is Reverent. All Scouts and leaders are encouraged to attend.

Camp Resolute: Vespers are held in the chapel unless otherwise specified. A Scout's own service is held on Tuesday evenings at 6:45 pm.

Camp Squanto: Vespers will be held weekly at 5:15 PM at the pine grove on Wednesday. The camp memorial services will be held on Thursdays in the Memorial area. At that time, we honor those Scouts, and volunteers who have passed away.

Colors and Retreat:

Please refer to camp schedules for timing of these ceremonies. Be sure to bring your troop flag in order that Campers may participate. No other flags should be flown with your troop's flag. Check each camp for times.

Taps:

Taps is each night at 10:00 PM. Campers are expected to be in their sites and quiet at this time. A Scout that requires leaving the site for an emergency trip to the Health Lodge must be accompanied by an adult or camp staff member.

Refunds:

Refunds will be issued through May 30, 2019. After June 1, 2019, refunds will be issued for medical reasons only. There is a non-refundable administration fee of \$50 for each registered program or session applied to all cancelations, regardless of date. All summer camp refund requests must be made no later than August 20, 2019 using the online form located on our website. No summer camp refund requests will be processed after August 20, 2019. Campsite Deposits are non-refundable.

Camperships:

The Mayflower Council operates a campership fund to provide financial assistance to deserving campers who would otherwise not be able to afford attendance at its camps. As good stewards of the money generously donated to this fund by concerned individuals, foundations and others, the Mayflower Council acts in complete confidence and exercises careful judgement when awarding camperships. In order to give as many camperships as possible, it is the policy of the Mayflower Council not to give 100% camperships and to only give camperships for one week at camp. Each family is expected to share part of the expense of camp. The amount granted is made on the basis of need and availability of funds. To apply for a campership, a family must submit the application on our website no later than June 1, 2019. The committee will be meeting to distribute available funds on a rolling basis beginning in early spring. The earlier an application is submitted, the better chance the applicant has of receiving assistance. There is no guarantee of campership awards and applications will not be accepted after June 1, 2019.

Barefoot Walking:

Being barefoot in camp is dangerous and therefore is not allowed. Scouts may only be without their shoes in the immediate waterfront area, camp showers and in their own tents.

Clothes Lines:

Please string clotheslines out of the way of foot traffic and hang something on them to indicate where they are. Tent outriggers are not to be used as clotheslines.

Garbage:

Do not leave garbage in fire pits, or latrines. Do not bury any garbage or leave food scraps outside. Groups must take all garbage to available dumpsters identified by the camp staff. Tin, glass, or other harmful items must be disposed of in the dumpsters before leaving camp.

6. ADVANCEMENT

Merit Badge Program:

Every merit badge counselor in camp has gone through a week of training in his/her area. They are using the National Camp School Syllabus, or their own syllabus approved for use by the Assistant Camp Director Program and Camp Director. Occasionally, you as a leader may be of assistance to the merit badge counselor if it is in your area of expertise. We invite you to help (we're never one to refuse help!). Please see the Area Director of the merit badge if you feel you may be of assistance and are willing to lend a helping hand.

Each Scout will be challenged to pass their merit badges during their week at camp, however, we cannot guarantee that a Scout will complete the requirements. If you have a question as to why a Scout is not being signed off on a requirement, please see the Merit Badge Counselor. If you are not satisfied, please see the Area Director or Program Director and we will meet and discuss the requirements. You will be notified of the resulting decision by the counselor at their earliest convenience. Any questions about the merit badge or its instruction should go through the following channels: Merit Badge counselor, Area Director, and Assistant Camp Director Program.

MB Registration:

Unit leaders are responsible for registering their Scouts for merit badge classes through the Council's registration system. At Camp you may make changes in your troop's program, based on availability. Please make all changes with the Area Directors. Don't hesitate to make changes if you feel they are in the best interest of your Scouts.

Merit Badge Completion Records:

All advancement will be in accordance with BSA National Standards. No substitutions are allowed and those not completing all the requirements will be given a partial. Staff members will not sign off on anything directly, but they will submit completion records to the Camp Administration. Electronic completion records are available for the troop leaders at the end of camp. Please look them over and submit them to your advancement chair. **These are your troop's completion records; no physical blue cards will be distributed.**

Merit Badge Caps:

Several merit badges have limits on the number of Scouts that can take them at one time. For the most part these caps are based on physical requirements of the badge or limitations of our staff. We do this to make sure that each Scout is getting the most out of their merit badge time. Class size will only be adjusted after review of the Camp Administration.

Pre-requisites:

Many merit badges cannot be done in just one week. Some require work either before or after camp. Please be sure to have the camper check over the list of pre-requisites once they have selected their badges. It is very unlikely that if a camper does not do the pre-reqs, that they will be able to earn the merit badge during camp.

7. CAMPER SAFETY

The security and safety of the youth in our charge is an extremely heavy responsibility. We must ensure that they are protected from unauthorized and unwarranted exposures, at the same time providing the freedom that is so essential to their maturing process. With this as our goal the following procedures apply:

- At no time will youth be allowed alone beyond reasonable jurisdiction of staff members. When going from one area to another they shall travel in groups of no less than two.
- All activities beyond parameters of the main camp will be furnished with means of communication to the Administration Building.
- Campers will be released only to those individual(s) listed on the registration form or the Scoutmaster who will ensure responsibility for them.

Intrusion of unauthorized person(s):

Any Scout, leader, or staff member suspecting intrusion of an unauthorized person should report immediately to their leader or staff member of the area they are currently in. Leaders and staff should give a brief salutation, if possible, and direct them to sign-in at the administration office. Campers should not approach the individual under any circumstance. If the leader or staff are uneasy about approaching the individual or are given an inappropriate response, please notify the Camp Director or his/her designee immediately. The Camp Director shall assess the situation and ask the person to leave camp or notify authorities if appropriate.

Camper Release:

Unit leaders are asked to inform the Camp Director in advance of any Scout who intends to leave camp during the week. A Release of Scout Form MUST Be filled out.

The safety of our campers is a shared responsibility. Please ensure the Camp Director is informed of any situation which could result in a Scout being released to someone other than an authorized adult. Child custody disputes are especially sensitive and should be relayed to the Camp Director.

Before a Scout can leave camp, the adult escort must be identified by the unit leader. If the escort is not the Scout's parent, a letter from the parent authorizing release of the Scout is required. The adult taking a Scout out of camp must first sign-in at the Administration Building and be identified as an authorized person. When identity or authorization to pick up a Scout cannot be determined, the camper's family will be called to get authorization to release their child to the person at camp.

Verification of "No Show":

In the event of a no-show at check-in, the following process shall be followed:

- The unit leader should verify why the Scout did not arrive at camp and inform the camp director.
- The Camp Director or Business Manager will call the Scout's family to verify the reason(s) of his/her absence from camp.
- A note on the troop's roster will be made stating: Who the camp spoke with; The date; and The name of the camper.
- If you know a Scout will not be going to camp, please bring a note from the parent whenever possible.

Sign In and Out of Camp:

Adult leaders arriving or departing from camp during the week are required to sign in and sign out using the in/out book in the camp office. During regular office hours the book will be located inside the Camp Administration Building. Should an emergency situation occur, camp administration must know who is

in camp at any time. Leaders leaving camp should make sure that proper coverage is provided during their absence.

Visitors in Camp:

All visitors to camp must sign-in and sign-out at the Administration Building. Please remind all visitors to sign in immediately upon their arrival at camp and before proceeding to campsites or program areas. All visitors must clearly display the appropriate visitor pass.

8. EMERGENCIES AT CAMP

In case an emergency should arise with your group while in camp, Stay Calm, Act Quickly but Safely and notify the Camp Director/Staff IMMEDIATELY. Emergency Plans will be reviewed in detail with each leader upon arrival. An emergency report must be filed with the Camp Staff before you depart Camp. In the event of a home emergency and a parent wishes to contact his/her Scout at camp, they may do so by contacting the camp office. All Massachusetts General Law for Children's Camps and the policies of the BSA are in force whether listed within this guide or not. You may reference the Guide to Safe Scouting for answers to many common questions.

PLEASE REVIEW THE EMERGENCY PROCEDURES WITH THE CAMP UPON ARRIVAL AS THESE MAY CHANGE

Emergency:

In the event of an emergency, a siren will sound. Report any emergencies to the Camp Director, Staff and/or Health Officer immediately.

Fire:

Send two runners immediately to the camp office with the following information:

- The location of the fire
- The type of fire
- The severity of the fire
- What type, if any, personal injury has occurred.

Lost Swimmer:

The waterfront will be cleared immediately. Some adults may be requested to assist. At the sound of the LBD (Lost Bathers Drill) alarm, all Scouts, and unit leaders will report to their campsite where attendance will be taken by the unit leader. The unit leader will notify the camp office immediately, by runner or cell phone, of any missing personnel. The camp office will continue the LBD alarm until such time as the missing swimmer is located.

Lost Camper:

The unit leader will report any suspected lost camper to the camp office. The camp staff will then institute the appropriate search procedures.

Extreme Heat:

In the case of extreme heat, the camp administration will declare a heat alert and program activities will be adjusted accordingly. Unit leaders and Scouts are reminded to watch for symptoms of heat exhaustion and sunstroke. Watch especially for Scouts wearing inappropriate clothing and/or not taking in adequate amounts of fluid.

Lightning or Severe Storms:

The waterfront will be cleared immediately. All watercraft will return to shore. Scouts will report to their campsites unless otherwise instructed by a staff member. Avoid open fields. Any other needed instructions will be issued by the camp office.

Natural Disaster (Earthquake, Flood, Etc.):

In the event of a natural disaster all Scouts and adults should remain in the activity area they are in or go to the nearest campsite and await instructions from a staff member. If this is the area that is affected, then all personnel should move to the nearest safe area and await instructions.

Wildlife:

Campers, staff and visitors are cautioned to avoid contact with wildlife at the Camps at all times. Any injury caused by contact with wildlife must be reported to the Camp Health Officer as soon as possible. The Camp Health Officer will notify the Camp Office and the necessary local authorities as required.

Chemical Spill:

In the event of a chemical or hazardous waste spill, a person should be stationed to keep all campers or visitors away from the spill and the camp office must be notified by runners or cell phone.

Camper Injury:

All serious medical emergencies will be treated at the local hospital and parents/guardians will immediately be notified by the Camp Director or his representative of all details as they become available. In order to reduce miscommunication of information, we do ask that leaders carrying cellular phones do not notify parents of accidents without authorization from the Camp Director or his designee. It is of great importance that each camp leader understands this and passes this information along, not only to the parents, but also to the Scouts as well. In the event of a major accident or death, the Camp Administration is to be notified immediately by reporting the accident to the camp office by runner or cell phone.

9. COUNSELOR IN TRAINING PROGRAM (CIT)

The CIT program is a training program to introduce Scouts to the responsibility of being a member of the summer camp staff. The training consists of a rotational assignment throughout camps offering each Scout a chance to experience the daily responsibilities of each program area in camp. CIT's will rotate through most of the program areas including: aquatics, activities, handicraft, sports, ranges, provisional, and first year camper. While in each area CIT's assist in all program functions of that area, which includes assisting in merit badges classes and with afternoon activities. This experience will help each Scout gain not only teaching and leadership experience, but also self-confidence. CIT's who have already completed NYLT are encouraged to plan four weeks of program rotation. CIT weeks can be completed at Camp Resolute and/or Camp Squanto. Weekly evaluations will take place as well as weekly reviews with the CIT Director.

CIT Candidates must:

- Be 14 or 15 years Prior to the start of camp AND a registered member of the Scouts BSA or Venturing.

- Fill out an application (on our website) and be interviewed. Interviews begin during February school vacation. CIT Candidates cannot register until after an interview and the candidate is informed of acceptance into the program.
- If working papers are requested, please call Rick Poirier at the Council Office (508-217-4618)
- Attend part of Staff Training Week which is usually the week before camp starts.
- Attend NYLT (If you have not already).
- Register and pay \$525 (\$500 if registration is paid by 5/15/19). This fee includes staff training, NYLT (if needed), and three additional weeks (four if you do not need NYLT). A week with your troop does not count as a CIT week.
- Plan their own advancement and Merit badge work with the CIT Director each week. CIT's may work on ONE merit badge per week.
- All CIT's are required to have the official BSA uniform and will be provided two CIT tee shirts to wear while in camp. Your personal conduct at camp must uphold the ideals of the Boy Scout Oath and Law.

10. SAFETY & SANITATION

Showers:

A Scout is Clean! Unit leaders are asked to ensure that your Scouts take frequent showers for personal hygiene and out of respect for others. For the same reasons, plus to teach by example, leaders should follow the same practice. Help us conserve water by limiting the length of showers. We also recommend that campers and leaders wash their hands before each meal. Troops must provide supervision for their campers when they are utilizing the campers' shower house without intruding on the camper's privacy. Troops are asked to help us keep the shower house clean by participating in a rotating schedule of cleaning.

Camp Resolute: Scout showers are located on the left fork near Smoky Pines campsite and on the right fork near the Sassamon campsite and should only be used by Scouts between reveille and taps.

Adult showers are opposite the Dining Hall. These showers are for adult leaders and camp staff only. Scouts are not permitted to use them.

Camp Squanto: The Camper shower house (for under 18 years old only) and Adult shower house (with separate male and female units as well as handicapped access units) is available each day from 6:00 AM to 10:00 PM.

Latrines:

Troops are responsible for the daily cleaning of their latrine and sink. Latrine cleaning supplies and toilet paper are available from the Quartermaster Store or ask staff for help.

Laundry:

Laundry services are available at laundromats outside of camp for emergency needs.

11. OUTDOOR FIRE POLICY

The purpose of the Outdoor Fire Policy stated below is to limit the size of all outdoor fires used in conjunction with BSA related program elements on properties owned and operated by the Mayflower Council, Boy Scouts of America. The Camp Director has the right to restrict the use of fires on the property for whatever reason deemed appropriate.

The rationale for this policy is summarized as follows;

- To protect the health and safety of all Scouts, Scouters and visitors participating in programs requiring the use of a fire or fires on the aforementioned properties.
- To reduce the risk of damage to the property as well as the properties of our abutting neighbors and the associated liability resulting from such damage.
- To conform to state fire regulations as they pertain to outdoor fires.
- To conform to all EPA and OSHA regulations as pertaining to outdoor burning and incineration of materials that may be considered hazardous.

Fire Lay:

No fire lay in excess of 6' in diameter and 5' in height will be permitted on properties owned and operated by the Mayflower Council, BSA.

Combustibles:

All combustibles used in construction of any fire lay for use with Scouting related program element will be natural and clean. Combustibles that have been contaminated by paint, solvents, creosote or other preservative chemicals may not be used.

Fire Starters/Accelerates:

In accordance with BSA policy, the use of liquid or chemical fuels to start or accelerate any fire is prohibited.

12. FUEL STORAGE

Flammable liquids must be stored in our storage facility when not being used. Propane containers which are not connected to a stove or lantern must be in our storage facility. Liquid fuel containers must be stored in our storage facility. All fuel devices, lanterns, stoves, etc., must be operated by adults or under adult supervision.

Fires, Cooking, Liquid Fuels & Lanterns

- Use of compressed, or liquid gas stoves or lanterns is permitted with knowledgeable adult supervision, in facilities only when and where permitted, and in accordance with the Guide to Safe Scouting. No tank 10 pounds or larger may be brought into any building. (Mass state fire code).
- NO burning flames or lanterns in tents or lean-tos. Only use flashlights for illumination.
- Fires [properly supervised] are allowed in Cabins with Wood Stoves. NO charcoal or coal is to be burned in wood stoves.
- NO standing trees are to be cut. No fire wood is to be brought onto any camp property. Fire Wood is available at camps for an optional donation.
- Fires must be supervised at all times and when leaving the site, make sure all fires are "dead out".
- Self-contained cooking fires must be put in fire facilities provided by Camp. Altering, redesigning, relocating or adding any fire pit in camp is NOT allowed.
- Fuel, matches, etc., should be handled by adults only.
- Adequate fire control (water, sand, etc.). Should be present at all times.

13. OUTDOOR SAFETY

With the safety of campers, leaders and staff in mind, a few areas have been identified as concerns in terms of wildlife in camp. A number of measures can be taken to prevent both injury and disease that may result in contact with wildlife in camp.

Awareness:

Scouts and their leaders should be aware of the potential hazards that exposure to wild animals and insects may bring. Prevention and awareness is the key to a safe camp experience.

Wild Animals:

Wild Animals such as skunks, raccoons and foxes potentially represent possibility of either injury or rabies. In the event of direct contact, particularly a scratch or bite, the Health Officer should be notified immediately. The best possible plan involves prevention of exposure to reduce risk. Preventative measures include:

- Hike only on designated trails.
- Maintain a clean campsite.
- Store food and smellables properly.
- Maintain a distance from animals that may be encountered.
- Avoid feeding of animals (intentional or not).
- Avoid direct contact with animals, including new offspring.
- Any sightings that are recurring should be reported to the unit leadership and administration. This is especially of true nocturnal animals, sighted during the day, which seem to be exhibiting any behavior that may be deemed unusual.

Insects:

Insects also present the possibility of personal injury but also disease: mosquitoes and ticks present the largest threat. Measures of prevention include regular application of insect repellent and the appropriate clothing being worn on hikes and activities in heavily wooded areas. Both tick and mosquito bites have the potential of transmitting disease to people. While prevention is preferable, insect bites may be unavoidable in certain situations. Any questionable amounts of mosquito bites and embedded ticks should be referred to the Health Officer.

IMPORTANT:

At the request of the Department of Public Health our website has fact sheets on Meningococcal disease along with CDC EEE info, CDC Tick info and CDC Camping Health & Safety. Campers attending a resident camp are not considered to be at an increased risk. The United States Centers for Disease Control, Massachusetts Department of Public Health and the Mayflower Council encourage everyone to be safe outdoors. Diseases associated with ticks and mosquitoes are growing threats in Massachusetts. When outdoors, please take necessary precautions as suggested by the Centers for Disease Control

14. WATERFRONT POLICIES

Orientation:

All staff, campers and leaders must attend a waterfront orientation at the waterfront at the beginning of camp where the waterfront staff presents the rules and policies of the waterfront, including what to do during an emergency in camp.

Swim Tests:

All campers are given a swim test as part of camp check in to check their swimming ability. There are three swimming levels on the waterfront. At the end of each test the swimmer is given a tag that indicates their level. The tag has their name, campsite, scout unit number, and the week they are attending camp. The **Non-swimmer** ability group is the lowest level. The test is conducted by having a guard supervise the camper walking in the area indicated non-swimmer to wet their ankles and legs. The **Beginners** test starts by have a supervised swimmer jump into water that is over their head, level off and then swim 25 ft., turn around in the water and swim back to their starting position. The next and highest level is **Swimmer**. The tester is supervised jumping into water that is over their head, leveling off, they will then swim 100 yds. 75 yds. will be swam using a strong front stroke such as, the front crawl, breast stroke, side stroke, and the trudgen. Strokes such as the doggy paddle and butterfly are not accepted. The tester will then swim the remaining 25yds on the back using the elementary backstroke, which is the only stroke acceptable for this part of the test. The tester will then float on their back for 30 seconds. .

Using the waterfront:

All individuals wishing to enter the waterfront must present their tag in order to enter the waterfront. All individuals must have at least one buddy with them. No one is allowed to enter any area, non-swimmers, beginners, or swimmers without a tag and a buddy. Staff however can partner camper with a current swimmer, as long as the board is changed to indicate the buddy switch has been made and both parties understand that they are now buddies. Swimmers may also not leave the waterfront swimming area without their tag and buddy. All tags when not in use are stored on the waterfront Out Board.

Flotation Device:

Non-swimmers are required to wear a properly sized PFD which is checked for proper fit by the waterfront staff. Waterfront staff are trained on proper fit and tightness by lifting and snugging the straps. Non swimmers are allowed to bring their own PFDs to wear if they are deemed safe by the waterfront staff. The camper owned PFDs are labeled and hung in an area where only that individual will use it. Any PFD rejected by the waterfront staff may be substituted with a camp PFD.

AT **NO TIME** should anyone be in the water or on the docks alone and without permission.

Fishing:

Fishing is permitted in designated areas only.

Christian's Law:

In accordance with Massachusetts Law, our Camps screen campers for swim levels on the first day of camp and provides Coast Guard approved lifejackets for non-swimmers.

You must inform the camp if you require your camper to wear a lifejacket during swimming activities. If parents wish to send along their own lifejackets they need to conform with the law as stated below.

Note: Campers are screened in our pond and don't wear a lifejacket during the screening.

(a) MGL c 111 Section 127A1/2. (a) The department of public health shall adopt rules or regulations requiring municipal and recreational programs and camps for minor children under its jurisdiction to have a system in place to have Coast Guard approved personal flotation devices of Type I, II or III available to non-swimmers and at-risk swimmers who will be present in a swimming or diving area, excluding swimming pools, wading pools and other artificial bodies of water.

(b) A determination shall be made of each minor's swimming ability at the first swimming session at municipal and recreational programs and camps in order to identify and classify non-swimmers and at-risk swimmers. Minors attending a municipal or recreational program or camp shall then be confined to swimming areas consistent with the limits of their swimming skills or to swimming areas requiring lesser skills than those for which they have been classified.

(c) No municipal or recreational program or camp for minor children shall refuse, decline or otherwise prohibit a parent, guardian or person with custody of a minor from providing a Coast Guard approved personal flotation device of Type I, II or III to such municipal or recreational program or camp to be used by the minor for the duration of the minor's attendance at such camp.

15. HEALTH & MEDICAL

Our primary concern is the safety and well-being of every camper. Mayflower BSA camps follow all safety and risk management guidelines set by the Boy Scouts of America, as well as, the local, state and boards of health. As required by MA DPH 105 CMR 430:190 (C) and (D), our camps must comply with regulations of the Massachusetts Department of Public Health and be licensed by the local boards of health. Leaders and parents may request copies of background check, health care and discipline policies, as well as procedures for filing grievances. Both Camp Resolute and Camp Squanto are certified by the BSA National Camp Accreditation Program.

Camp Resolute is also accredited by the American Camp Association, a national camp organization that sets high standards for both the health and safety of campers and staff, and the delivery of quality programs. American Camp Association (ACA) accreditation means that Camp Resolute undergoes a thorough annual review of its operation—more than 250 standards from staff qualifications and training to emergency management. ACA collaborates with experts from the American Academy of Pediatrics, the American Red Cross and other youth service agencies to assure that current practices reflect the most up-to-date, research-based standards in camp operation.

Medical Forms

Every adult and Scout in camp MUST have a completely filled out and signed BSA medical form on file in the Health Lodge in order to stay at Camp.

All campers are required to have a physical examination within 12 months prior to arriving at camp. All BSA medical forms must be completed and signed by a physician each year (including immunization update) and brought to camp on your first day. In addition, the immunization record for each camper, youth or adult, must include the following vaccines: Hepatitis B for all children born after December 31, 1992 (3 doses are required); Diphtheria, Tetanus Toxoids and Pertussis (at least 4 doses); MMR (2 doses or proof of laboratory evidence of immunity) and Polio (3 to 4 doses depending on the type). Your physician **MUST** sign the BSA medical form – no signed attachments will be accepted. Make certain that both the parent's signature and physician's signature sections are filled out and a copy of the health insurance card is attached to the form. Medical forms are available on our website.

All medical forms must be retained by camp and will not be returned, so please make any copies you might need for other activities. Units with Christian Scientist members will need to provide a special medical form, (available on our website), pertaining to their faith's medical policies.

Medications:

State regulations cover the storage and dispensing of medications. All medication must come to camp in the original containers and be stored by the health officer in locked compartments in the camp health lodge. Exceptions to storage by the health officer are authorized for medications for treatment of allergies and asthma. Questions about these medications should be raised with the camp prior to the child's arrival. To ensure a smooth transition, we recommend that your child continue the medications he needs during the school year at summer camp.

If the medication is prescription, it must have a pharmacy label showing the prescription number, patient's name, date filled, physician's name, name of medication and directions for use. This information must also be on the camp medical form. Any camper coming to camp with a prescription Epi-pen or inhaler must bring two of either, one for the health lodge and one for the unit. The health officer dispenses medication according to the directions. If a camper refuses to take prescribed medications, this refusal is documented in the health log and the parent/guardian is notified. Campers should not keep any medication, over the counter or prescription, themselves unless approved by the Health Officer.

Health Care Consultant:

The health care consultant (HCC) is a licensed physician. The HCC assists in the development of the camp's health care policy; develops and signs written orders for the Health Officer; and is available for consultation at all times. The health care consultant is not present at camp.

Health Officer:

A Health Officer, who is at least 18 years of age and is present at the camp at all times. The Health Officer shall be a Massachusetts licensed physician, physician assistant, nurse practitioner, registered nurse, EMT or licensed practical nurse. The Health Care Consultant authorizes the Health Officer to be in charge of health matters at camp on a day-to-day basis and to dispense medications. A Health Officer staffs the camps health lodges and a local physician is on call.

Health Care Policy:

Complete health care policy for our Camps is available to a parent or guardian upon request to Mayflower Council BSA, 2 Mount Royal Ave Suite 100, Marlborough MA 01752.

Care of Mildly Ill Campers:

Each camper or staff member is responsible for reporting any signs of illness to the health officer (HO), who assesses each situation. The HO may administer over-the-counter medications he/she believes are warranted if they are authorized by the HCC standing orders and the parent/guardian. If the HO determines the camper should be sent home or seen by the Health Care Consultant, he/she informs the Camp Director and arrangements are made. In both situations, the parent/guardian is contacted as soon as possible.

Care of More Serious Illness or Injury at Camp:

Parents/guardians will be notified as soon as possible should a camper be taken to the doctor's office/hospital for an injury or health condition and if medication has been prescribed by the camp's Health Care Consultant. The Health Officer or Camp Director will notify parents/guardians of any persistent conditions or ailments. Parents/guardians should notify their doctor and health care provider of any health condition or accident/injury occurring at camp for follow-up visits and billing purposes.

15. ORDER OF THE ARROW TANTAMOUS LODGE 233

The 15 nights must include one, but no more than one, long-term camp consisting of at least five consecutive nights of overnight camping, approved and under the auspices and standards of the Boy Scouts of America. Only five nights of the long-term camp may be credited toward the 15-night camping requirement; the balance of the camping (10 nights) must be overnight, weekend, or other short-term camps of, at most, three nights each. Ship nights may be counted as camping for Sea Scouts.
- At the time of their election, youth must be under the age of 21, and hold one of the following ranks corresponding to the type unit in which they are being considered for election: Scouts BSA First Class rank, the Venturing Discovery Award, or the Sea Scout Ordinary rank or higher, and following approval by the Scoutmaster, Crew Adviser or Sea Scout Skipper, be elected by the youth members of their unit.
- Adults (age 21 or older) who meet the camping requirements may be selected following nomination to and approval by the lodge adult selection committee.

Candidates for youth membership shall be elected by other youth members in accordance with policies set forth by the National Order of the Arrow Committee.

Scouts with special needs

The Order of the Arrow is committed to including Scouts and Scouters who have special needs because of a disability. In the case of special-needs troops, our election teams will follow the same procedures, keeping in mind that any Scout who is classified as a youth member of a troop, regardless of age, will be considered a youth (voting) member. All other membership requirements remain the same.

When inducting a Scout or Scouter with a special need as with any candidate, Tantamous Lodge will accommodate for any individual's limitations, and plan accordingly. Accessibility to ceremonial circles, sleeping sites, and appropriate work projects will be taken into consideration to ensure a meaningful induction.

Adult leaders in a the Order of the Arrow

Each year, upon holding a troop or team election for youth candidates that result in at least one youth candidate being elected, the unit committee may nominate adults to the lodge adult selection committee, composed of lodge adviser, the chairman of the council camping committee, and the lodge staff adviser.

The number of adults nominated can be no more than one-third of the number of youth candidates elected, rounded up where the number of youth candidates is not a multiple of three. In addition to the one-third limit, the unit committee may nominate the currently-serving unit leader (but not assistant leaders), as long as he or

she has served as unit leader for at least the previous 12 months. Recommendations of the adult selection committee, with the approval of the Scout Executive, serving as Supreme Chief of the fire, will be candidates for induction, provided the following conditions are fulfilled:

- Selection of the adult is based on the ability to perform the necessary functions to help the Order fulfill its purpose, and not for recognition of service, including current or prior achievement and positions.
- Have experienced 15 nights of camping while registered with a troop, crew, or ship within the two years immediately prior to the election. The 15 nights must include one, but no more than one, long-term camp consisting of at least five consecutive nights of overnight camping, approved and under the auspices and standards of the Boy Scouts of America. Only five nights of the long-term camp may be credited toward the 15-night camping requirement; the balance of the camping (10 nights) must be overnight, weekend, or other short-term camps of, at most, three nights each. Ship nights may be counted as camping for Sea Scouts.

Getting Ready for Summer Camp

There is no fixed quota on how many boys and girls get elected. Rather, any boy who receives 50% of those ballots turned in is elected.

BALLOTING IS SECRET AND IS NOT ANNOUNCED IMMEDIATELY.

Elections will occur at camp every Wednesday at 1 PM in your campsite. You can speak with the administration of the summer camp to arrange an election.

17. George W. P. Magee Theme Night

Held Weekly at each camp

Camp Resolute: Monday Evening Aquatics Meet. This year Resolute's theme will be celebrating its 100th birthday.

Camp Squanto: Tuesday Evenings troops are encouraged to create entrances designed to reflect the yearly theme and Scouts are encouraged to dress the part. The 2019 theme is Hawaiian Island.

A Brief History:

From the very beginning of the movement, George W. P. Magee saw Scouting as an invaluable program for positively shaping and impacting the lives of young people in Massachusetts communities. He found it so important that he established a Trust Fund upon his death to support the building and maintenance of summer camps in the Massachusetts Councils, such as Mayflower Council's Camp Squanto and Camp Resolute.

It was George Magee's desire that the Councils who receive this Fund would celebrate his birthday, which is August 6th. Mayflower Council has committed to not only celebrating during his birthday week, but during every week of summer camp.

BSA Resident Camp at Camp Resolute is fun and adventure with a purpose. It is an excellent place to promote character, citizenship, and fitness in the Scouts who attend. Camp Resolute provides an opportunity for all members of Scouts BSA and Venturers to enjoy the outdoors in the MetroWest. The camp is fully accredited and is staffed by National Camp School Certified Directors and trained instructors.

All members of Scouts BSA are welcome to attend Camp Resolute. Our program is designed to provide challenge and fun for Scouts of all ages. Adults are also welcome to take part as participants in the C.O.P.E or Mountain Biking programs or to offer their skills in helping to teach in any program area. Our camp is open to all registered youth members of the Boy Scouts of America without regard to race, color, creed or financial status.

Radio Communication:

Key camp staff use two-way radio communication to avoid disturbing the camp on the PA. If you happen to come across the Staff Radio code, please change your signal.

Daily Morning Meetings:

Keeping you informed, listening to your comments. Each morning at 10 am in the chapel, various members of Camp Leadership will hold an informal meeting with Unit Leaders. It is strongly recommended that at least one adult leader from each unit attend. The purpose of these meetings is to communicate important information and to address the immediate needs of our campers, leaders, and program. We ask that you bring reasonable items of concern to our attention at these meetings. We cannot solve issues of which we are unaware. Note; the SPL meeting's purpose will be to exchange information between the troop and the camp. Patrol leader's councils, and direct meetings with the adult leadership will transfer this information back to the troop, developing the Scout's leadership.

Senior Patrol Leaders' Council:

Stay informed! Each unit's SPL is a part of the camp SPL's Council, which meets daily at 1 pm on the back porch. At this meeting, camp-wide events are organized and other concerns will be addressed. SPLs should listen carefully to members of their Troop prior to attending the SPL's Council meeting in order to share their troop's experiences. They should pay particular attention to how merit badge classes are going. The SPL should also listen for any additional activities their unit may want and report these as well. The SPL is the spokesperson for their unit's activities.

Leaders' Coffee and Tea:

We'll keep you going! The coffee is always hot and fresh for you and your adult leaders at the Dining Hall. Feel free to enjoy it anytime.

Keeping the Whole Camp Clean:

We're known for a clean camp. A Scout is clean and it is expected that they keep their site and the whole camp neat and clean. Your troop is expected to do the Resolute Good Turn daily towards keeping the camp clean. Scoutmasters are urged to remind Scouts that they are responsible for keeping Camp Resolute the cleanliest camp around!

Off-Limits Areas:

The following areas are considered to be off limits to Scouts and Leaders during the following times:

- Bolton Beach at all times.
- Staff sites including Magee Village at all times.
- Aquatics areas when closed.
- Project C.O.P.E. when closed.
- Kitchen at all times - please contact Steward with needs.
- Rifle, shotgun and archery ranges when closed.

Retreat Ceremonies :

We will gather Monday - Thursday at 5:15 pm for a formal flag lowering ceremony. The Camp Resolute Formal Parade and Retreat Ceremony will be held at 5:45 pm Sunday and at 6:45 pm on Friday at the Parade Field. We ask that all units arrive on time so that we can start promptly and arrive at the dining hall at 5:30 pm for dinner. On parade nights troops are encouraged to bring their troop and American flags. Please help us to make the parade something of which to be proud by encouraging your Scouts to participate in full dress uniform.

Quartermaster Store:

The Quartermaster Store is located under the kitchen next to the training room. Office hours will be posted. Toilet paper, latex gloves and latrine disinfectant are available there. **Warning:** Be very careful when handling the disinfectant. If you spill it on your skin or clothes, flush with water and report to the

Health Lodge. Do not pure down latrine, If you pour disinfectant down the latrine openings it causes the latrine odor to become stronger. A limited supply of tools for activities/training at your campsite and for service projects are available. Please sign these tools out and return them when finished, other units may have need of them. Please arrange to have all tools returned to the Quartermaster Store by Friday at noon. Tools that are not returned to the Quartermaster Store will be assumed lost and billed to the borrowing unit.

Good Turns:

Each day units are asked to clean up various areas of camp. We ask that your Unit does its good turn right after breakfast. In addition, units are assigned an area of camp to police and maintain for the week. This Commissioner assigned area should be policed in the morning. Both of these assignments will be reflected in the score of the daily inspection as applicable for each unit. A list of good turns will be provided at camp.

Campsite Daily Duties:

It is recommended that units develop a duty roster that distributes the following tasks fairly among the entire unit:

- Fire Warden: Makes sure that the rake, shovel and broom are hung properly. The site's fire pit should be neat, and the firewood neatly stacked.
- Latrine: Pick up trash, sweep floor, wash seats with brush and disinfectant, clean sink with disinfectant, rinse seats, sink and floor. Hang tools and hose when done. **DO NOT POUR DISINFECTANT INTO THE LATRINE!**
- Waiters: One waiter should be assigned per table for lunch & dinner daily. They must arrive 15 minutes before the meal.
- Campsite: Stow unit gear and police site for litter.
- Tents: Sweep all tent floors every day. Tent flaps should be rolled inward unless told otherwise at announcements. Personal gear should be stowed, and trunks/suitcases locked. All gear not stowed (shoes, moccasins, etc.) should be aligned under the bunk. The bunks should be neatly made. Nothing should be hung on the tent frame. Tent lines should be taught. If a unit is using a tent for Troop equipment storage, all contents must be safely and neatly stored at all times.

Dining Hall:

An uncommonly good eatery! In the Dining Hall: Breakfast and lunch will be served buffet style. Dinner is served family style. Unit leaders are responsible for portion control and the good manners of their unit's table(s). One adult leader is required at each table your unit occupies. Hats are not to be worn in the Dining Hall. Adults and older Scouts should set the example for younger members by participating in songs and activities after meals and urging their unit to join in.

Grace:

Breakfast

Gracious giver of all good,
Thee we thank for rest and food. Grant that all we do or say
In thy service be this day.

Lunch

Father for this noonday meal,
We would speak the praise we feel. Health and strength we have from thee, Help us, Lord, to faithful
be.

Dinner

Tireless guardian on our way, Thou has kept us well this day. While we thank thee,
we request care continued, pardon, rest.

Visitor and Guest Meals:

Guests and visitors may eat with their unit. Meal tickets can be purchased at the Trading Post. Meal costs for visitors and guests are: Breakfast \$4.00; Lunch \$7.00; Dinner \$7.00. All visitors must check in with the office and wear a Visitor name tag.

Trading Post:

Camp Resolute runs a well-maintained “general store” called a Trading Post. For sale are items from the exclusive Resolute Line of custom camp merchandise such as: T-shirts, hats, mugs, and patches. In addition, we stock handicraft supplies, Scout supplies, merit badge pamphlets, toilet articles, stamps, post cards, candy, ice cold Pepsi, Blue Bunny Ice Cream, refreshing slush, and other goodies. The amount of money your Scouts bring to camp is an individual matter between the Scout and his parents.

Campsite Inspections:

Campsites are inspected daily by the Camp Commissioner. These inspections are primarily to assure site safety, sanitation and equipment care. You will be provided with a copy of the inspection form that you may wish to post on your bulletin board so that your campers will know what is expected of their unit. Please make sure that you have assigned the necessary pre-inspection duties to your campers. Troops that use duty rosters have less trouble getting Scouts to do their fair share!

Scout Leader Cook-Off:

Unit leaders start leafing through your recipe books today! On Tuesday unit leaders will gather with their ingredients to begin cooking the top culinary Dutch oven meal at Camp Resolute Unit leaders are responsible for bringing all of the ingredients and need to produce a minimum of 5 sample size portions for the judges. If you have a favorite Dutch oven bring it along with you, however, we do have some if you need to borrow ours. Cooking must conclude by 4:00. A select group of Camp Resolute staff members will serve as judges for this competition.

Order of Taunkacoo:

At the end of the week, the Scouts in your unit should elect one honor camper through a private ballot managed by the Unit Leader. Unit Honor Campers are usually those Scouts that best exemplify the Scout Oath and Law. Unit Leaders, notify the Administration by lunch on Friday who your honor camper is, while keeping it a secret from the rest of the unit. Recipients will be honored at the Friday evening campfire.

Leader’s Lounge:

As a special treat for the leaders in camp the Administration Building features several comfy chairs for leaders to use to relax and “get away from it all.” Complimentary beverages and wireless internet access is also provided as well as plugs to charge computer and cell phone batteries.

Friendship Campfires:

To promote friendship and Scouting fellowship, unit leaders are encouraged to host a Friendship Campfire in their campsites. It's easy! It's fun! And your Scouts will take home a special memory from camp. Here's what you do...

- Determine that your Scouts are interested in hosting a campfire.
- Invite a troop to your site for a campfire
- Plan a short program to have fun and promote fellowship.
- Feel free to invite staff to your campfire, they like to perform.

Inter-troop & Staff Challenges:

The staff is raring to get into gear for the season. They have been working out in the off-season getting ready. Want to show that unit from out of town a thing or two? Talk to the Assistant Camp Director Program and, challenge them! Note about staff challenges - We ABSOLUTELY LOVE challenges! It's what the staff lives for! When a challenge is offered we often find it hard to decline, yet we must also make it work with the program. Because of the depth of Resolute Program, we may ask for a postponement to a time more convenient to the staff. Happy Challenging!

Resolute Recruits:

The Resolute Recruits program seeks to give First-year Scouts a boost in their scouting skills and put them on the track towards First Class. Skills from a range of areas will be taught by a common instructor to help maximize the progress of your scouts.

Purpose

The purpose of the first-year camper program is to give first year campers the foundation of Scouting skills and to teach them things they will remember for the rest of their lives.

Procedure

Scouts will meet at Scoutcraft to learn Scout skills and have fun in a safe environment, and from there will travel to the different program areas as needed. Here they will be able to work on Scout skills like Totin' Chip, Firem'n Chit, and many fun camp games. We will visit different program areas throughout the week so the campers can be exposed to different aspects of camp and learn things they may not be able to if they go to these areas alone. There will be active involvement in the program by the staff members of the areas in which we visit.

Skills to be Learned

- Totin' Chip
- Firem'n Chit
- Basic knots
- Fire building
- Hiking
- Basic first aid
- Having fun at camp
- Many more in each program areas.

How the day will run

Morning

The first year Scouts will be encouraged to take merit badges from a designated list of merit badges that have been selected as adequate merit badges for first year Scouts. This will give the first year Scout the opportunity to gain 3 merit badges during his/her stay at camp, and also by encouraging

them to partake in these merit badges from the list, they will develop a strong foundation for their Scouting career and also their Trail to Eagle.

Suggested merit badges include:

- First Aid
- Swimming
- Sports
- Nature
- Woodcarving
- Leatherwork

Afternoon

During the period (3:00-4:00) Scouts will meet with the Resolute Recruits instructor and learn the valuable skills of the day. Each scout in attendance will have a tracking sheet that will be presented to the Troop Leader at the end of the week. Books will not be signed off directly by the instructor during the week. The daily schedule will be posted and given to troops upon their arrival.

Camp Resolute Alumni Association:

The purpose of the Camp Resolute Alumni Association (CRAA), as part of the Mayflower Council, is to establish a social and professional network of past and current staff and adult leadership from all areas of the Camp, as well as friends of the camp, to support current camp staff, assist camp and council leadership with capital programs on the Camp, and to support promotion of E. Paul Robsham Jr. Scout Reservation – Camp Resolute and the Adventure Day Camp. The Camp Resolute Alumni Association (CRAA) was founded in 2009 and is open to staff, leaders, and campers 18 years of age and older. The CRAA is credited with providing WiFi to the dining hall, picnic tables, the camp map at the gate, LCD projector in the dining hall, waterfront lighting, flagpole illumination and GaGa ball pits. The CRAA has also pledged funds to future construction and signage projects at camp.

Requirements:

Four (4) hours conservation work determined by the Nature Director. This work cannot count towards another badge, award or towards advancement service project.

Explain how the conservation work you do will:

- HELP control erosion
- CONTRIBUTE to the management of the forest
- INCREASE the number of wildlife in the area.
- Discuss a Scout's commitment to ecology and conservation.
- Review the Outdoor Code. Tell what you could do in your community to work towards the goals.
- Discuss a national ECOLOGY PROBLEM and give possible SUGGESTIONS.

Flight To Eagle:

Specialty program designed for younger and first year campers that focus on rank advancement (Tenderfoot, Second Class, and First Class), scouting skills, and character building, while emphasizing citizenship, teamwork, leadership, and fun.

The purpose of this program is designed for the first-year camper or new Scout to start the journey of the Eagle Trail and work on the rank requirements for Tenderfoot, Second Class and First Class while at camp.

The ranks of Scouting are not awarded by the camp, this is the function of the unit leader. At the Saturday awards ceremony, we would award the Scouts who have completed the week's program with a Flight to Eagle patch. This allows us to recognize the Scout while at the same time leaving the right to declare whether the Scout has earned the rank or not to the Scoutmaster.

Monday-Friday 9 am to Noon

During this time scouts participate in activities that meet some of the Tenderfoot, Second Class, and First-class requirements. They also work on Scout skills with the emphasis on having FUN! Each Scout will be encouraged to work on a handicraft merit badge.

Orientation is held at 6:45 pm Sunday night at the Dining Hall Bell Tower

PROCEDURES FOR INTRUSION OF AN UNAUTHORIZED PERSON AT CAMP SQUANTO

Periodic review of security concerns of the site

Leaders will be instructed to “stop in” their campsites throughout the day on a regular basis

The Camp Staff will be trained in all of the following procedures and are encouraged to walk around camp during program hours to look for intruders.

Taps is at 10:00 pm daily. Under the direction of the “Patrol Staff”, staff will walk through all camp areas looking for anyone or anything out of the ordinary. This will also be done in the parking lot.

Staff taps are at 11:00 pm. Staff can also assist in watching for anything out of the ordinary. The Directors are equipped with phones to call the Administration Building/Camp Director at any time.

Training for staff and campers when appropriate, about steps to take in such instances.

The following steps will be shared with the staff during staff training week, with the leaders during the leader meetings, and Senior Patrol Leaders during their meetings.

All visitors must report to the Administration Building to sign in and sign out. This book will be monitored by the Camp Director or his/her designee.

If an unauthorized person is suspected, notify the closest program area. Most major program areas are equipped with a phone and should contact the Administration Building/Camp Director and stand by to give or receive further instructions from the Camp Director or his/her designee.

Once the Camp Director is notified of the situation, he/she will proceed to the area with the Program Director or another adult to question the destination of the individual in question.

If the person in question flees, an “Incident Report of an Unauthorized Person” form should be completed as soon as possible.

Program areas should continue, unless the situation warrants the sounding of the camp alarm. If an alarm sounds, All Scouters, Scouts, and staff are instructed to report to their campsite and do a roll call.

The Scout Executive is notified of the situation. An assessment is made to the severity of the Problem and call the Plymouth Police, if needed.

Leaders will be instructed to train their Scouts on the above procedures. Most importantly, stress to the Scouts NOT to approach the person and to find an adult immediately. The Buddy System should be strictly enforced at all times.

The staff will participate in an Emergency Drill during staff week. In addition, they will conduct a scenario of an unauthorized person entering camp.

An emergency phone list will be kept by the telephones in the Administration Building, Health Lodge and the Welcome Lodge.

We have a letter from the Plymouth Police on file for service. They usually call the Administration Building if there are problems or concerns in the area. It has been very helpful to have a working relationship with the Police Department.

Lastly, no one should speak to the media. An official media spokesperson will be designated by the Scout Executive.

Scouts, leaders, parents, and visitors WILL NOT PARTICIPATE in many camp activities including (but not limited to) swimming, boating, climbing, COPE, and sports, and may not remain in camp longer than 72 hours without a completed medical form.

Read the medical form carefully. The next page highlights areas that are commonly incomplete. All portions of the form must be completed for ALL summer camp programs. Please take note of the following changes:

PART A:

This page contains an important risk advisory, informed consent, and release. Please read this advisory carefully. The participant and parents (if participant is under 18) must sign to acknowledge agreement with the information on this page.

This page also includes space to list adults who are authorized (or prohibited) to take this participant to/from events.

Part B contains the participant's contact and insurance information and generic health history. Page 2 of this section contains information about medication and allergies. Please complete these sections carefully and accurately. The parents and health care professional must sign to authorize all medication.

PART C:

Part C is the annual physical. This page should be completed and signed by the health care professional conducting the physical examination. Physicals are required within 12 months of an event lasting longer than 72 hours.

COMMON MISTAKES:

- Incomplete medication information (Part B)
- Missing medical insurance card (Part B)
- Missing immunization record (Part B)
- Missing physician signature (Part B & C)

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.

List participant restrictions, if any: None

I understand that, if any information I/we have provided is found to be inaccurate, it may limit and/or eliminate the opportunity for participation in any event or activity. Personal Health and the Annual Health and Medical Record

Find the current Annual Health and Medical Record by using this QR code or by visiting <http://www.scouting.org/HealthandSafety/ahmr.aspx>.

The Scouting adventure, camping trips, high-adventure excursions, and having fun are important to everyone in Scouting—and so are your safety and well-being. Completing the Annual Health and Medical Record is the first step in making sure you have a great Scouting experience. **So what do you need?**

All Scouting Events. All participants in all Scouting activities complete Part A and Part B. Give the completed forms to your unit leader. This applies to all activities, day camps, local tours, and weekend camping trips less than 72 hours. Update at least annually.

Part A is an informed consent, release agreement, and authorization that needs to be signed by every participant (or a parent and/or legal guardian for all youth under 18).

Part B is general information and a health history.

Going to Camp? A pre-participation physical is needed for resident, tour, or trek camps or for a Scouting event of more than 72 hours, such as Wood Badge and NYLT. The exam needs to be completed by a certified and licensed physician (MD, DO), nurse practitioner, or physician assistant. If your camp has provided you with any supplemental risk information, or if your plans include attending one of the four national high-adventure bases, share the venue's risk advisory with your medical provider when you are having your physical exam.

Part C is your pre-participation physical certification.

Planning a High-Adventure Trip? Each of the four national high-adventure bases has provided a supplemental risk advisory that explains in greater detail some of the risks inherent in that program. All high-adventure participants **must** read and share this information with their medical providers during their pre-participation physicals. Additional information regarding high-adventure activities may be obtained directly from the venue or your local council.

Prescription Medication. Taking prescription medication is the responsibility of the individual taking the medication and/or that individual's parent or guardian. A leader, after obtaining all the necessary information, can agree to accept the responsibility of making sure a youth takes the necessary medication at the appropriate time, but the BSA does not mandate or necessarily encourage the leader to do so. Standards and policies regarding administration of medication may be in place at BSA camps. If state laws are more limiting than camp policies, they must be followed. The AHMR also allows for a parent or guardian to authorize the administration of nonprescription medication to a youth by a camp health officer or unit leader, including any noted exceptions.

Risk Factors. Scouting activities can be physically and mentally demanding. Listed below are some of the risk factors that have been known to become issues during outdoor adventures.

- Excessive body weight (obesity)
- Cardiac or cardiovascular disease
- Hypertension (high blood pressure)
- Diabetes mellitus
- Seizures
- Asthma
- Sleep apnea
- Allergies or anaphylaxis
- Musculoskeletal injuries
- Psychological and emotional difficulties

More in-depth information about risk factors can be found by using this QR code or by visiting http://www.scouting.org/HealthandSafety/risk_factors.aspx

Questions?

Q. Why does the BSA require all participants to have an Annual Health and Medical Record?

A. The AHMR serves many purposes. Completing a health history promotes health awareness, collects necessary data, and provides medical professionals critical information needed to treat a patient in the event of an illness or injury. It also provides emergency contact information.

Poor health and/or lack of awareness of risk factors have led to disabling injuries, illnesses, and even fatalities. Because we care about our participants' health and safety, the Boy Scouts of America has produced and required the use of standardized health and medical information since at least the 1930s.

The medical record is used to prepare for high-adventure activities and increased physical activity. In some cases, it is used to review participants' readiness for gatherings like the national Scout jamboree and other specialized activities.

Because many states regulate the camping industry, this Annual Health and Medical Record also serves as a tool that enables councils to operate day and resident camps and adhere to state and BSA requirements. The Boy Scouts of America Annual Health and Medical Record provides a standardized mechanism that can be used by members in all 50 states.

REQUEST FOR EXEMPTION FROM MEDICAL CARE AND TREATMENT

I request the exemption from all medical treatment for me and/or my child en route to, from, and during the attendance to Camp _____, operated by the _____ Council, Boy Scouts of America. I understand that a medical evaluation and screening by a licensed health-care practitioner is necessary to reduce the possibility of exposing other camp participants to a communicable disease.

In consideration of these exemptions, I understand that I accept complete responsibility for the health of me and/or my child, and I hereby release and agree to hold harmless the Boy Scouts of America and any of its officers, agents, and representatives from any liability that might arise during Scouting activities by virtue of this exemption. It is further understood that, should an emergency arise, (name) _____, (telephone) _____, will be notified immediately. In the event that this contact cannot be located immediately, the Boy Scouts of America authorities may take such temporary measures as they deem necessary.

Outdoor Fire Policy

The purpose of the Outdoor Fire Policy stated below is to limit the size of all outdoor fires used in conjunction with BSA related program elements on properties owned and operated by the Mayflower Council, Boy Scouts of America.

The rationale for this policy is summarized as follows;

- To protect the health and safety of all Scouts, Scouters and visitors participating in programs requiring the use of a fire or fires on the Mayflower Council properties.
- To reduce the risk of damage to the property as well as the properties of our abutting neighbors and the associated liability resulting from such damage.
- To conform to state fire regulations as they pertain to outdoor fires.
- To conform to all EPA and OSHA regulations as pertaining to outdoor burning and incineration of materials that may be considered hazardous.

Fire Lay

- No fire lay in excess of 6' in diameter and 5' in height will be permitted on properties owned and operated by the Mayflower Council, BSA without the express written permission of the Council Camping Committee and the appropriate property superintendent (Facilities Manager/Ranger/Camp Master).
- The Facilities Manager/Ranger/Camp Master will have the right to restrict the use of fires on the property for whatever reason deemed appropriate.

Combustibles

All combustibles used in construction of any fire lay for use with Scouting related program element will be natural and clean. Combustibles that have been contaminated by paint, solvents, creosote or other preservative chemicals may not be used.

Fire Starters/Accelerates

In accordance with BSA policy, ***the use of liquid or chemical fuels to start or accelerate any fire is prohibited.***

6.FIREWOOD

To protect the trees at Camp Resolute, Camp Squanto and Nobscot Scout Reservation firewood cannot be brought into any Mayflower BSA camps.

Pest alert: Asian Longhorned Beetle detected in Massachusetts. The Asian longhorned beetle (*Anoplophora glabripennis*, "ALB"), a pest of hardwood trees including maple, birch and horse chestnut, was recently discovered in Worcester, Massachusetts. An astute resident of the Greendale section of Worcester reported the sighting, and it was confirmed by entomologists from USDA APHIS-PPQ in 2008.

The Asian Longhorn Beetle is an invasive species native to China. It was first discovered in the U.S. in New York in 1996 and has also been found in Chicago and New Jersey. The beetles cause damage by tunneling within the trunks and branches of trees, disrupting the sap flow and weakening and eventually killing them.

This pest attacks a wide variety of hardwood trees, particularly maples, and is considered a serious threat to the nursery, lumber, wood products, maple syrup, and tourism industries in our state. If it became established over a large area, it could also significantly disrupt the forest ecosystem.

Firewood may be infested with the Asian longhorned beetle. Moving infested firewood spreads this insect to new locations. Once in a new area, ALB can become established and kill trees.
