

“To Help Other People
at All Times”

-Boy Scout Oath

Hunger. It's a way of life for an increasing number of families. Many face hopeless decisions around paying for medicine, heat or food. Groups providing assistance struggle with increasing requests and shrinking resources. The Boy Scouts of America answer this call by collecting food and supporting community agencies that fight hunger.

Help us provide food and hope to our neighbors.

Scouts will be collecting non-perishable food items in your area **next Saturday.**

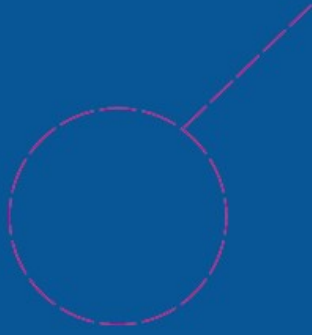

Please place non-perishable goods in a recycled bag or box, attach this door-hanger, and place in view of the street **by 9am next Saturday.**

Your gift will make a difference. Thank You!

To learn more about Scouting in your area please visit:

www.beascout.org
