  - Get your PLC engaged
  - Council sponsored activities
  - Plan / participate in a community service project
  - Plan and participate in a day trip “Hiking, Biking ect.”

# THING YOU SHOULD AND CAN DO

## Engage the PLC

- It is more important now than ever to have your PLC involved in the planning process
- On the Scouts level they need to understand and comprehend the restrictions firsthand in planning any activity online or in person.
- This will better carry over to the younger scouts in your unit

## Council Resources

The council has and continues to develop activities to help keep our units engaged.
