BSA SAFETY MOMENT IN CASE OF EMERGENCY

SUMMARY

As Scouts and leaders, we all know that the motto of Scouting is “Be Prepared.” But just how prepared are we when an emergency strikes and we are alone or we come upon someone who is unable to communicate? The BSA has multiple safety programs within the BSA to keep our Scouts and Scouters safe, but let’s look at other ideas that can enhance that ability and be passed to our friends, families, and people outside of Scouting.

Download the detailed form at: <https://www.scouting.org/health-and-safety/safety-moments/in-case-of-emergency/>

Charter Renewal 2.0 Process – What should Units do **NOW**?

- Ensure COR & IH have valid email addresses listed in my.scouting.org
 - Needed for electronic (Adobe sign) charter approval
 - Check with COR – assign a delegate?
- Update rosters
- Ensure ALL adults (including COR) have YPT current through Jan. 31, 2022 to prevent charter rejection
 - **HIGHLY recommend renewing if expiring before Mar. 1, 2022 to preclude delay issues.**
- Promptly process new applications (Use on-line application – it is much faster!)
 - Unfortunately, due to MA CORI, adult applications must still be submitted on paper, *but scan and transmit is fully acceptable!*
- Ensure person who will process charter is key-3 or delegate
